## TEM Caulfield Hockey Club (Inc)

Minutes of the Annual General Meeting of the TEM Caulfield Hockey Club (Inc) held at Lords Reserve Pavilion, Munro Avenue, Carnegie on Sunday 8th November, 1987, commencing at 11.05 a.m.

The President, John MacPhie, chaired the meeting.

There were thirty seven members present.

### 1. Opening by President

1.1 The President declared the meeting open and welcomed those present. He then called for apologies, which were received from:

Philip Davrain, Alan Henderson, Maxine Keneally, Fiona Norling, Sandra Penpraze.

### 2. Minutes of 1986 Annual General Meeting

2.1 The President pointed out that, as requested the previous year, the Minutes of the 1986 meeting had been included in the AGM report.

2.2 J. Muller/L. Penpraze moved:

"That the Minutes of the 1986 Annual General Meeting be confirmed".  
Carried

2.3 No one sought to raise any matter arising from the Minutes, but the President invited members to raise matters in General Business if they wished.

### 3. Report by Treasurer

3.1 The Treasurer spoke briefly to the papers contained in the AGM Report. It was noted that the recoupmnt of astroturf playing/training costs constituted a major problem, which the new committee would have to look at seriously.

3.2 Ian MacPhee pointed out that receipts from sale of clothing had dropped considerably and it was agreed that this matter be further considered in the next year.

3.3 W. Penpraze/M. Taylor moved:

"That the financial statements prepared by the Treasurer for the year ended 31st October, 1987 be adopted."  
Carried

### 4. Reports from Men, Women and Junior Divisions

4.1 The President pointed out that written reports on the activities of the divisions of the club were contained in the papers already distributed. He invited members to put any questions under general business.

### 5. Elections

5.1 At this point in the meeting the President declared all club positions vacant and invited the Secretary to announce candidates for the 1987/88 year. With the consent of the meeting, John MacPhie retained the chair during the election process.

5.2 The Secretary then read out the list of candidates. There were no positions for which more than one person had nominated and some positions with no candidates. Following nominations from the floor, the following results were declared for the club's positions for the 1987/88 year:

President	Philip Burchardt
Secretary	Philip Davrain
Treasurer	Michael Hough
Senior Vice-President (Admin)	Chris Woodward
Vice-President (Men)	Ian MacPhee
Secretary (Men)	Mike Taylor
Vice-President (Women)	Mary Lofthouse
Secretary (Women)	Judy Bryant
Vice-President (Juniors)	Grant MacPhie
Secretary (Junior) Boys	Brian Rollason
Secretary (Junior) Girls	Sandra Penpraze
Social Secretary	Vacant
Refreshments and Pavilion	Wendi Penpraze
Grounds and Properties	John MacPhie
Communications	Margaret MacPhie
Carnivals	Alan Henderson
Chairperson of Selectors:	
Men	John MacPhie
Women	Cara Norling
Juniors	David Hodges

- 5.3 Philip Burchardt, as newly elected President, assumed the chair. He pointed out that a number of last year's Committee were not continuing in office, and invited members to show their appreciation by way of applause, which was prolonged.

#### 6. General Business

- 6.1 The President sought the approval of the meeting for his nomination as Public Officer of the Club. It was pointed out that the President had in the past always been the Public Officer, and the meeting authorised the proposal.
- 6.2 Ian MacPhee suggested that the club make greater efforts to induce more members in the general running of the club, even if individual involvement was quite small. This suggestion was generally approved.
- 6.3 The President, Keith Needham and Joe Hough reported on progress towards an artificial surface for the club. The meeting agreed that Caulfield Park was an appropriate, potential site, and that East Caulfield Reserve was quite unsuitable.

#### 7. Closure

- 7.1 As there was no further business, the President declared the meeting closed at 12.05 p.m.

T.E.M. CAULFIELD HOCKEY CLUB INC.

TREASURERS REPORT

FOR THE YEAR ENDED 31ST OCTOBER, 1988

The financial year ended 31st October, 1988 has not been a successful year for the club from a financial point of view with the reported loss of \$1,950. Although this loss cannot be specifically attributed to any one area or division of the club it does provide an indication of the costs of running and administrating a club of size o T.E.M.C.

The clubs finances are being continually eroded by the greater use of synthetic grounds for both playing and training. This is having a twofold effect on the club. Firstly, due to the scheduling of games it is becoming increasingly difficult for club members to get together at the clubrooms and social occasions. This fact is reflected in the bar takings and the social/fund raising revenues reported for the year. Secondly, to stay one of the premier clubs in Australia, the need to train and play on synthetic grounds is a must. However, this does require an enormous outlay for the club.

A review of the clubs accounts highlight the following aspects:-

- revenues from fees for playing and training on synthetic grounds increased by \$4,469
- expenses incurred for playing and training on synthetic grounds increased by \$2,228
- a shortfall of \$1,002 was incurred on social activities.
- the indoor competition netted the club \$1,369
- the club assisted members with \$2,100 for state team representations, medical costs and club shirts.
- winter affiliation fees to the various associations included this year a levy for our Olympic team.
- fines levied by associations increased dramatically.
- the club has in stock a number of uniforms etc. for resale in the next few years.

From a revenue point of view the club must widen the areas from which it attracts funds. It must involve more outside people as sponsors and in fund raising efforts, however, continue to operate on the pay as you play or train principle.

In conclusion I wish to thank the other members of the committee for their help during the season, particularly Phil Burchardt, Ian McPhee, Mary Lofthouse, Grant McPhie and Wendy Penpraze together with club members Barry Penpraze and Joe Hough. It is through the efforts o these people the club has been able to maintain its financial basis.

Michael Hough  
Treasurer

# PRESIDENTS' REPORT.

Taking over the Presidency the year after the most outstandingly successful season the club has ever enjoyed could on one view be seen as a serious error of judgement. Not surprisingly, 1988 has been less successful than the champagne year 1987.

Nonetheless I don't regret it at all. The year has been one of consolidation both on and off the field. In the mens' division we have won two premierships, thus regaining our Pennant A and Pennant C teams, and the top Veterans team has stayed in the top grade despite losing all its first round games.

In the womens' division, Melbourne League 1 paid the penalty for a too slow start but did enough to indicate that they can bounce back up again and, next time, stay up. The other sides all finished in or relatively close to the four.

In juniors, all sides were competitive and our success was reflected in continuing selections in state junior teams.

And to cap off the season, Joe Hough won the State League 1 Fairest and Best competition for the first time.

Off the field, the club's committee wrestled with administrative difficulties and in my opinion produced some excellent results.

Slowly but surely we are getting to grips with the financial and administrative nightmare of artificial turfs, and the arrangements for paying club fees at the beginning of the season rather than at the end, was very successful. It will be repeated next year. So too with the club membership forms which, while in some respects clumsily drafted, are still of great assistance in enabling the club to function.

It is conventional at this time to thank those who have helped during the year, but it is not convention that leads me to do so.

I would like to record my heartfelt thanks to all the people who in greater or lesser measure have participated in running the club this year. This includes all the committee members, all the team captains coaches and managers and all the other active enthusiasts who have contributed during the year. It is a measure of the quality of the TEMC Club that I do not intend to list them all as the list would be too long for convenient printing, and it would be unfair and invidious to those whom I would inevitably overlook.

I must however thank the club's committee members, all of whom have provided tremendous support.

As a club with a strong family atmosphere and a social spirit and club committment quite unmatched by any other club in Melbourne, TEMC has and is something special. It has been a great pleasure and privilege to occupy the position of President. I have no doubt that the club will continue to advance and prosper in 1989.

PHILIP BURCHARDT  
PRESIDENT

## MENS' REPORT.

At the conclusion of the 1988 winter season, the Toorak East Malvern Caulfield hockey clubs eight mens' teams and two veterans teams finished in the following positions:-

State League 1.....	7th position
Pennant B.....	1st position & Premiers
Metro 1.....	3rd position & Premiers
Metro East.....	5th position
South A.....	1st position & Runners Up
South B.....	1st position & Runners Up
South C.....	5th position
East C.....	9th position
Veterans A.....	8th position
Veterans D.....	5th position

The major goals for TEMC's men in 1988 was to regain the grades of Pennant A and Pennant C which was achieved with Pennant B finishing the season first and with Metro 1 winning their premiership from third spot. As seen above, our other grades did extremely well with South A & B playing in their finals and Metro East and South C just outside the final four. State League 1 finished the season well beating two of the top sides but due to training problems could not find the consistant wins required to put them into the top four.

The clubs biggest problem in 1988 was training time. With the club having such strong sides in the women and junior competitions as well as mens it became obvious that we did not have enough time booked at Waverley's synthetic turf. This is being looked at already for 1989 and with available time at Moorabbin's synthetic turf this should be rectified.

Some other highlights during the year:-

Joe Hough's Best & Fairest for S.L.l.  
Michael Hough's engagement and marriage to Chris Dolan.  
Claude and Wendy's forthcoming addition to the family.  
Roscoe Bowden's long awaited engagement to Jackie.  
A Pennant B side who knew how to score lots of goals.  
Butch MacPhie's short but brilliant return to goalkeeping.  
David 'Abbo' Denson's surprise return to TEM's.

Farewells from 1988:-

Cliff Leckning - to Sydney.  
Mark & Michelle Dayman - to Adelaide.  
Neil Pennington - returning to New Zealand.  
Rupert Wilson - returning to U.K.

I would like to gratefully acknowledge the help and support I received from various people throughout the season.

Wendi Penpraze for always being there and listening.

Barry Penpraze for knowing who was who, where they lived, their phone number and most importantly how much they owed.

The various captains, some of who made the effort to communicate with myself and their players.

Various parents who made the effort to get to know me because they wished to become involved, Carol King, Peter Robertson, Chris and Marion Woodward, Greg Whelan and others.

To Paul and Mary Lofthouse for badgering both men and women's teams to get results and team sheets to the V.H.A.

In conclusion to this report I would like to say goodbye, but not farewell, to all those people in the club who have known me and some who were with the club when I was 11 years old - 14 years ago, when I joined the club. I am going to be playing hockey for another smaller club in 1989 the reason being that I feel that the club has lost a lot of its club atmosphere and comraderie which makes playing and being involved with administration a pleasure rather than a chore. As with anything you only get out of it what you put in, but with a club as big as TEMC if only a few are putting in then a lot of people are taking for nothing. It is up to the hockey players to make the club successful and this does not just mean on the field, but socially and administratively. I hope that after a break I will again play hockey for TEM's and will keep in touch with many people through the common interest of Hockey.

IAIN MCPHEE  
VICE PRESIDENT MENS' HOCKEY

# WOMENS' REPORT

TEMC women enjoyed a relatively successful season this year under senior coach Arthur Hodges. Although our successes were a little quieter than in previous years, we did manage to have two of our teams in the finals series.

This season was really quite a milestone for the womens section of the club. It is ten years since the womens section of TEMC got off the ground with only two teams - (one in D grade & one team in E grade). Over the past ten years (since 1978), and now with the 11th season over, I look back over this ten year period and feel very proud to have been involved in this part of the club's history and quite amazed to see such an incredible growth, not only in the number of members, but also in the standard of hockey over the years. No doubt the result of a lot of work by many people both in coaching and administration. We now have six teams competing, ranging in standard from the very top grade in women's hockey right down to M.D.6 which is the lowest grade. So this club caters not only for the top player but also is able to provide matches for the beginner and of course all those in between.

Although our first year in Melbourne League 1 did not prove to be as successful as we all had hoped, I'm very confident that with this years experience under our belt, that when we do return to Melbourne League 1 in 1990 (how's that for confidence) everyone will have benefitted and learnt from the 1988 season. The team is certainly filled with young players (with the odd exception!), all of whom could have very bright futures, and of course with the strength shown by many more junior players coming up through the grades the seasons ahead certainly look a lot brighter.

The final ladder positions for all teams are as follows:-

Melbourne League 1.....	9th position
Melbourne District 2N.....	4th position
Melbourne District 2S.....	6th position
Melbourne District 4S.....	4th position
Melbourne District 5S.....	6th position
Melbourne District 6.....	5th position

During the finals series our 2nds missed out on progressing past the semi-finals, while the 4ths managed to progress to the preliminary final. Each team captain has compiled a report on their team. Please see later articles for a more detailed report on each teams results.

We also had several girls represented at state level. Congratulations to Cara Norling (Senior State Indoor Team), Narelle Myers and Fiona Haughie (U18 state side), and to Kirsten Taylor and Fiona Adams (both U16 Schoolgirls side).

As usual, at this time of the year there are many people to thank for their assistance during the season. If I have forgotten anyone, please forgive me, but it just goes to show how the smooth running of the teams requires many people to help out.

Many thanks to the following people:-

Jenny Day	Nicole Pitcher	Lavina Penpraze
Cara Norling	Jane Rollason	Toni Cunningham
Wendy Stops	Cathy Martin	Liz Blow
Merryn Livermore	Julie Rundle	Kerrie Innes

and last but not least to coaches Arthur Hodges (M.L.1), Karen Gibson (who always does an excellent job in whatever she decides to take on), Phil Burchardt and Jason Penpraze (who both had Wednesday nights training running smoothly).

MARY LOFTHOUSE  
VICE PRESIDENT WOMENS HOCKEY

## SOCIAL REPORT.

The 1988 social scene started late this year, and due to poor numbers turning up to the various dates we suffered a loss on occasion.

Events held this year:

July 2nd.....Games night held at Chris and Marion Woodwards.

August 28th....Bushdance - the bushdance had been postponed at the last minute in July, and I think this may have reflected in the numbers that turned up in August. At least I hope that was the only reason for a poor showing!

August 20th....60's night at the clubrooms for all the juniors.

October 22nd...Fundraiser held at Ron Burns home for Knut Reinecke.

November 1st...Cup Day, chicken and champagne at the home of Lavina Penpraze.

November 5th...Annual Presentation Dinner Dance at Merrimu Receptions.

TONI CUNNINGHAM  
SOCIAL SECRETARY

JUNIOR REPORT FOR THE 1988 ANNUAL GENERAL MEETING

To all those Club members, parents and juniors whose contribution to the running of the Junior Section made things a little bit easier, I extend a hearty thankyou and hope that you will continue your assistance. I know that a lot of people receive a lot of pleasure from helping the Juniors and I believe it shows in the overall outlook from them.

Over my period of time as Vice President (Juniors) I have seen many friendships kindle amongst the Junior ranks and grow into firm respect and trust for one another. I have seen many youngsters and parents come and go over the years but I believe they have left knowing they have been associated with a club that show solidarity as a family orientated and dedicated group of people.

In this day and age where everything is moving so fast and the community is being subjected to an escalation of anti social behaviour, I feel that an organisation such as T.E.M.C. Hockey Club is positively contributing to the community as a whole by occupying many juniors in a more productive sociable manner. I again take the time to thank those people who have assisted me in the task of looking after our juniors and hope that you feel your contribution has been worthwhile.

A special thanks from me to the men and women who took the time to coach and manage the juniors throughout the year. They were.....

U/17 Girls.	(C) Lisa MacPHIE/Jason PENPRAZE	(M) Fred BALL
U/15 Girls.	(C) Maxine KENEALY	(M) Alston DEVLIN
U/13 Girls.	(C) Jane ROLLASON	(M) Liz BLOW

U/13 Boys. A.	(C) Bill HOOPER	(M) Robert MacPHIE
U/11 Boys. S.	(C) Lindsay PETTIONA	(M) Lios INNES.

Once again I have the pleasure of congratulating Jane ROLLASON for being the recipient of the Ron Penpraze perpetual Memorial Trophy, for her dedication to the improvement of Junior Girls Hockey at T.E.M.C.

**MINKEY.**

Once again Brian Samuels took on the job of looking after and training the wee youngsters in their start at hockey. The sessions were well attended and Brian has indicated that many of these juniors will be set to play in the under age competition for 1989. This has been a culmination of Brians efforts and the fact quite a lot of the kids are on their second and third years of Minkey.

**PRESENTATION DAY.**

The Junior presentation day was once again a great success. It was extremely well attended by the Juniors and their Families. The day consisted of presentation of awards, Juniors V Parents Hockey Match and finishing off the evening with Beef on the Spit, rolls, side salads and refreshments. The success of the afternoon, I must mention, was attributable to many of the club members helping and a fine day. Just to mention a few people, I would extend my special thanks to Barry and Wendy Penpraze and Steven PECK.

**PRESENTATIONS.**

Congratulations to all the Junior recipients for all their personal outstanding achievements. They are as follows....

**PERPETUAL TROPHIES.**

Most Improved boy.....	Mark WOODWARD U/17

# TEAM REPORTS.

## MELBOURNE LEAGUE 1

The 1988 season saw for the first time a TEMC womens side in the top division. From the onset of the season all involved knew it was to be a challenge and a year for learning. Arthur Hodges was appointed coach and our pre-season training commenced in February.

We started well with a win in our first game. Unfortunately the next ten losses in a row cost us the opportunity to retain our position in this grade for the 1989 season.

However, we proved in the last 5-6 games that we are ML1 material and will be back there in 1990.

Thanks should go to Arthur, who perservered all season and to his and the teams credit we produced some fine performances we were always capable of at the end of the season.

Many of our younger players improvement was remarkable and I hope all will stay with our club to lift it back up to ML1 for 1990. Personally, I feel that this season has taught us, that to be ML1 material we must be dedicated and willing to put more effort into our own personal training.

We now look forward to a winning season in 1989 in preparation for ML1 in 1990.

NICOLE PITCHER  
MELBOURNE LEAGUE 1 CAPTAIN

## MELBOURNE DISTRICT 2 NORTH

Melbourne District 2 North had a mixed season with 9 wins, 5 draws and 4 losses. In the games we really needed to win we seemed destined to draw. The team's line up changed considerably throughout the season. At first, this reflected the unsettled nature of League One's line up. Later in the season injuries and unavailable players were a problem. A big thanks to all the players who fronted for our games, some at a moments notice. The team finished 4th on the ladder. MD2N played Nunawading in the semi-final having drawn with them twice during the season. We were a goal up at half time but a penalty stroke and late field goal dashed our finals hopes. Thanks to Liz Blow for being a great team manager.

## MELBOURNE DISTRICT 2 SOUTH

MD2S had a solid core of players throughout the year with a few players less through promotions and a few players more from the lower teams from time to time. The team benefitted a lot from having a keen team coach in the person of Karen Gibson. A fairly good turn out at training, Karen's enthusiasm and a fantastic team spirit on and off the field led to an enjoyable year's hockey and a creditable sixth placing.

Most of the players had been promoted from lower grades or returning to hockey after an absence, so sixth place was a fine effort. As captain I couldn't have wished for a friendlier, more co-operative team. 2 South will be looking at a place in the finals in 1989, and looking forward to more nights out after the late games.

CATHY MARTIN  
MELBOURNE DISTRICT 2SOUTH CAPTAIN

## MELBOURNE DISTRICT 4 SOUTH

The team had a very successful year finishing the finals series in 3rd spot. Unfortunately being knocked out by Sandringham who were by far the dominating team during the year.

Throughout the season we had our ups and downs, but the team started to maintain consistency towards the end of the season, safely securing 4th spot going into the finals.

All girls who played throughout the year are to be congratulated on their success, which was probably largely unexpected considering that the bulk of the team members came up two grades from the winning MD6 team last year.

With the good combination of juniors and more experienced (well, older at least) players, next year looks promising for MD4S.

## MELBOURNE DISTRICT 6

Our season started well with complete teams and a few wins, a loss and a draw to make our total points look good for us. It must have been too good as the Association scrubbed the first 5 rounds (teams cancelling, new ones entering) and put us all back at zero. And this is when winter weather starts and the girls either head to the ski fields or the warmer climates (wasn't Kakadu great this year). Unfortunately we had to concede a few walkovers, which doesn't do well for the percentages. I then came back from holidays and with the help of Max, Alli, Chris and Libby all coming out of retirement. We started to show our real potential and beat the living daylights out of the opposition. With Sarah, Chrissy F., Elizabeth and Ros all improving each game we could see a great finals show heading our way. It all came

DOWN TO THE FINAL GAME AGAINST THE TOP TEAM. We couldn't be sure that they had stacked their team as there were only nine of them, but we lost. And the percentages, that awful word left us all wondering what to celebrate until the Assie womens hockey team won the gold. So now we're all revived on that win and will be back ready to enjoy it all again next year.

## REFRESHMENT REPORT

With the number of teams (both men and women) playing away from home on synthetic surfaces, the takings over the bar this year have suffered enormously.

For example, this is the first year, to my knowledge, that the sale of hot food, soft drink and lollies have exceeded the sale of beer and spirits.

This reflects in the lower than previous years figures, as the canteen obtains its main profit from the sale of alcohol.

Had it not been for the players in the District sides, and the efforts of Marg MacPhies and her 'Mini Meals' I am sure that this years figures would have been even lower. Why not think about next year and arrange to meet your team at the club or better still come back after your game for a social drink.

I would like to thank the many people who have made the effort to support the club in any way and a particular thanks to Barry, Mary Lofthouse, Marg MacPhie, Clare Needham and to Janet and Grant MacPhie for your help and support through many a long Saturday. To the juniors who have helped behind the bar, Thank you.

I look forward to your support in 1989.
