President's Report

Year 2016 has been a successful year for the Toorak East Malvern Hockey Club.

The Men's Vic League 1 team has been promoted into Men's Premier League for season 2017. This is the culmination of two years planning and hard work on the part of the players, coaches and committee. I congratulate them all.

In winter season 2016, we had teams from each division, Juniors, Seniors and Masters play in finals. Four of our Men's Senior teams played in finals. The following teams won the flag:

- Men's Vic League 1 reserves
- Girls Under 14 Shield
- Men's Master's 45+ D

The Women's Premier League team finished in a mid-ladder position, having taken points from teams which played finals.

The wonderful on field results have been matched by great spectator support and excellent and well attended social functions.

The following table showing the number of teams participating in HV's Winter Competitions over the last three years provides an indication of the growth in Club membership.

| | Junior Teams | Senior Teams | Masters' Teams | Total |
|------|---|--------------------------------------|--------------------------------------|--------------|
| 2014 | u12 – 4 teams u14 – 2 teams u16 – 2 teams | 5 Men's teams 5 Women's teams | 4 Men's teams 2 Women's teams | 24 teams |
| 2015 | u12 – 5 teams u14 – 3 teams u16 – 2 teams | 5 Men's teams 5 Women's teams | 4 Men's teams 2 Women's teams | 26 teams |
| 2016 | u12 – 4 teams u14 – 4 teams u16 – 2 teams | 6 Men's teams 6 Women's teams | 4 Men's teams 2 Women's teams | 28 teams |

We face new challenges, but they are the challenges of success.

Greg Bussell has retired as Women's Senior coach at the end of the 2016 winter season. Greg has been Senior Coach for a total of nine years in two spells. He, together with Coaching Director Victor Romagosa, have been responsible for the improvement in the Club's Women's Premier League team.

Ian Kleinschmidt coached the Men's Vic League 1 team with distinction. His coaching has enabled the Men's Vic League 1 team to perform so well that it has been promoted to Premier League. Next year, he will be coaching the Women's Premier League team.

Toorak East Malvern Hockey Club

President's Report (cont)

Pip Dudley and Ben Spincer have again run the Juniors. Next year, Pip will leave the Juniors and be responsible for umpire coordination.

TEM relies on the many people who step forward to fill one or other of the many minor roles necessary for the proper functioning of the Club. I thank you all for your contribution. You have all helped make TEM what it is.

The Club also needs a committee. Joe Hough, Tim Flowers, Tony Dudley, Karen Gibson, Pip Dudley, Ben Spincer, Jacqui Gibbons, Sam Hill, Bruce Cook, Lue Hanson, Alan Leary, Bridgette Allen, Hugh McLaughlin, Braden Pitcher and Kim Davie have all given freely of their time to run TEM. They often work out of sight and in the background, but without them there is no club. I think them all for their efforts and support.

It is a rare honour for somebody to become a Life Member of TEM. Hence it is with great pleasure that I advise that the committee has nominated **Leesa Needham** for Life Membership. In addition to her nearly 500 senior games for the Club Leesa has provided the Club with many years of wonderful sustained service across many areas including, in part, five years as President, three years as Women's Vice President, coach and team manager. I urge all members to vote in favour this nomination.

Finally, I want to thank the ordinary members. Without you there is no TEM. TEM thrives because of your support and your words of support

Michael Norbury
President

Men's Report

2016 was another successful year for the Men's section of the Club with four out of six teams making the finals. Of these two made the grand final in Metro Blue and Vic league 1 Reserves with the Reserves team convincing champions. Metro Blue unfortunately could not pull off the big double act for the day, however, with a massive crowd on hand the Club was the ultimate winner.

We added a sixth team this year and reduced the number of double ups as we became a Club of choice.

It was also pleasing that the two teams that missed the finals Pennant A and Pennant C who both struggled last year were very competitive and not for a few close games getting away, Pennant A could have made finals in what is arguably the hardest competition in the State.

The new Metro team provided a pathway for many juniors to join the senior ranks and also some home team rivalry with the local derbies between the Blue and Red teams drawing large crowds. This culminated in an epic Preliminary Final only settled in an extra time shootout.

The year was not without its challenges and no more than leading into the finals after a tough game with KBH a claim of inappropriate conduct was made and upheld at the first hearing. It is times like this that the real culture and backbone of an organisation is tested. It is with a real sense of pride as the Club stood up and took on the injustice of the system, fought and won to have the decision quashed. A special thanks to our president Michael Norbury, who with persistence pulled off what was a fair and just outcome.

Finally, I would like to thank Ian "Klinka" Kleinschmidt for his services to the club as head Men's Coach over the past two years.

Ian took over the Men's team in 2015 after a year of struggle in VL1 and lead the group to the big stage where we successfully took out the flag – the Club's first major premiership win in many years. Although we did not emulate that feat this year, making the finals ensured we were in the best position we could be to be asked to be promoted back into Premier League. Ian's knowledge of the game of hockey and in particular his players has made a massive impact on the culture and performance of the senior section of the Club.

Results for 2016

| Team | Played | Won | Lost | Draw | Goals For | Goals Against | Points | Finished (home & away) |
|-----------------------|--------|-----|------|------|-----------|---------------|--------|------------------------|
| Vic League 1 | 22 | 12 | 6 | 4 | 54 | 31 | 40 | 4th |
| Vic League 1 Reserves | 22 | 14 | 2 | 6 | 83 | 28 | 48 | 2nd |
| Pennant A | 18 | 7 | 6 | 5 | 39 | 31 | 26 | 5th |
| Pennant C | 18 | 5 | 9 | 4 | 32 | 45 | 19 | 7th |
| Metro Red | 16 | 11 | 4 | 1 | 60 | 25 | 34 | 2nd |
| Metro Blue | 16 | 10 | 5 | 1 | 53 | 26 | 31 | 3rd |

Men's Report – Results (cont)

Men's Vic League 1

Coach: Ian Kleinschmidt Manager: Rosemary McLaughlin Captain: Evan Jewell

TEM entered the Vic League 1 season as reigning premiers and again on the back of an excellent preseason run by John and boys at Melbourne Athletic Development. During the offseason the team unfortunately lost the best & fairest winner Matt Pitcher to Brisbane.

The season started slowly with draws to Geelong and consecutive losses for the first time in over 12 months to Yarra and Casey. The Team responded strongly and only lost once in the following 11 games, including two strong wins, one a backs to the wall performance against West Vic in Ballarat, the other a come from behind victory against then ladder leader Mentone at the player friendly time of 9pm Thursday night in Doncaster.

However, the mid-season absence of key players George Hurley, Braden Pitcher and Will Harty as well as some untimely injuries saw the team struggle in the last third of the season to take 5 points from the next 6 games. Particularly frustrating where draws against PEGS and KBH, which despite domination of much of the play, yielded 1-1 results. A win in either of these games would have secured a finals berth.

In round 22 the equation was simple, win or draw against Brunswick to finish 4th, the boys duly saluted winning 2-0 and earning themselves a date with Casey in the elimination final.

TEM have never beaten Casey in Vic League 1 competition across 2 years and went into the match well prepared but went down early to a drag flick before a late equaliser by Braden Pitcher saw the game destined for a shootout, there was some late drama when a defensive turnover was capitalised on by Casey and the resulting field goal saw the match end 2-1 and elimination from the finals. It was a disappointing way to end the season and all 16 players no doubt felt they had left something on the pitch in that game and during the season.

In truth, the premiership defence never gained significant momentum, the fact that 26 players were used highlighted the disruption caused by injury and absences, and the side never were able to fully cope with being the hunted. The positives on the season were a number of debutants from young guns (Cam McKenzie, Pat Cassidy) and old guns (Andy Mills, Ben Lord), the development of Mitch Eager after being dropped and of course the fantastic effort of the reserves to win a much deserved premiership.

This year's Best and Fairest player and winner of the inaugural Peter Hough Shield is **Even Jewell**.

Men's Vic League One Reserves

Coach: Andy Haining Manager: Vince Haining Captain: Cam Belza

The year for the reserves started off with a tough and hot preseason, under the guidance of new super coach Andy Haining and fitness guru John Nicolosi the building blocks of the team structures and base level of fitness were established in what was going to be an exceptionally long and tough season.

First half of the year went off without a hitch with most games resulting in a win and sitting second only to Mentone by the mid-year break. The buy-in to the structure and leadership of the team showed as all the boys were a "unit" attacking and defending together.

Toorak East Malvern Hockey Club

Men's Report – Results, Vic League 1 Reserves (cont)

After a tough few matches through the middle part of the season with many players away stretching the depth, testing the resolve with a mix of results. Once the full squad was back, a streak of wins was achieved leading heading into a full finals tilt finishing 2nd for the year.

After knocking off minor premiers in the first round of finals the Reserves had a bye until the big show – in which they delivered! In what was a great match the senior stalwarts showed their experience and the young kids lifted to the occasion, finishing winners and taking out the grand final.

This year's Best and Fairest winner is **Cam Belza**.

Men's Pennant A

Coach: Rob MacPhie Manager: Chris MacPhie Captain: Andrew Needham

Robbie MacPhie took the reins of the Pennant A Men's squad and set about turning the them into a high intensity team that is capable of challenging at the top of the division. Unfortunately the team fell short ending the season just out of the finals in 5th position. There are very encouraging signs for next season with the team registering a number of hard fought wins throughout the season, including an emphatic victory over the eventual champions Camberwell.

Perhaps the highlight for the team, and potentially the key factor that will see an even better outcome next season, is the number of TEM juniors making their debuts. Going into next season, the squad has a quality blend of enthusiastic youth and cultured maturity that translates to an attractive playing style and a committed team.

This year's Best and Fairest winner is Andrew Needham.

Men's Pennant C

Coach: Cam MacPhie and James McLaughlin Manager: Nicole MacPhie; Captain: Cam MacPhie

After a difficult few years facing relegation the team had a much better 2016 finishing 5 games clear of the relegation zone and, had a few close results gone the other way, would have been looking at a finals campaign.

Under the skilled tutelage of Cameron MacPhie, ably supported by James McLaughlin, there was significant improvements across the board and towards the end of the season the team started to consistently play good hockey.

Particular thanks to our manager Nicole MacPhie who made the extra time spent with Cam each week bearable, and a huge congratulation to Chris Cann on taking out both the best and fairest and the Joe Hough Snr Perpetual Award for the Most Improved Men's Player.

This year's Best and Fairest winner is Chris Cann.

Toorak East Malvern Hockey Club

Men's Report – Results (cont)

Men's Metro B Central

Red – Captain and Manager: Lyndon Robertson

Blue – Captain and Manager: Stu MacPhie

Men's Metro B Central saw two teams entered this year as we enabled many junior players to transition into the senior ranks and other players who were pushed down due to the growth in players at the higher levels of the Club. This created an exciting competition with both teams very competitive and ultimately finishing second and third and making finals.

This year we again saw the development of many junior players under the guidance of some of the Club's more mature players with the confidence and strength over the ball increasing each week. Having the two teams in a local league enabled plenty of home games and with that plenty home team support. The support shown by the Senior sections of the Men's section with extended families and friends made the season all the more enjoyable.

On the field both teams were very competitive with the Blue team heading the ladder for most of the early rounds until the first of some epic local derbies saw the Red team comfortable winners. This seemed to change the fortunes of the two teams with Red ultimately finishing higher at season end. This all culminated with a place in the Grand Final at stake in front of a packed H2 crowd. In the true spirit of the competitiveness of the two teams it came down to an overtime goal shoot out. Blue were the eventual winners and headed to the Grand Final buoyant with another close win. It was not to be and the Blue team went down for the second year in a row to Old Melbournians.

It was pleasing to note that the two best and fairest ward winners were juniors stepping up to seniors for the first time.

Best and Fairest: Red, **Cameron Murray** and Blue, **Luke Graven**

Tony Dudley
Men's Vice President

Women's Report

In 2016 we were able to field six teams and regularly have the luxury of a full bench. As a Club we continue to attract players across all grades. This is a credit to all who have worked hard to develop and grow the women's section and to the players for their welcoming and friendly approach to all who choose to join us.

One of the highlights of the year was the tremendous support for the pre-season camp and fitness activities. The ground was always full of men and women, young and old working together to improve both fitness and skill levels. The camaraderie developed between all sections of the Club was a delight to witness.

All six teams were competitive in their grades and I am confident there is lots of improvement and hopefully success ahead. There was a strong mix of ages across the board and it is great to see the experienced players passing on their knowledge to the next generation whilst still enjoying the game and contributing to the future of the Club.

| Team | Coach | Manager | Best and Fairest | Final Position |
|------------------------|---|-----------------|------------------|----------------|
| Premier League | Greg Bussell | Karen Gibson | Bridgette Allen | 9th (23pts) |
| Premier League Reserve | Margie Conley Teresa Leonard Steve Miller | David Douglas | Jacquie Lawson | 12th (7pts) |
| Pennant A | Kris Tulloch | Lisa Barham | Sandra Marshall | 6th (17pts) |
| Pennant C | Sam Hill Leanne Downer | Sandi Wagg | Angie Ngo | 7th (21pts) |
| Metro Red | James Bower | Leesa Needham | Natasha Pollard | 5th (26pts) |
| Metro Blue | Cam McLaughlin Cam MacPhie Adam Bailey | Sally Catchlove | Sophie Pearson | 4th (29pts) |

International Players

Once again we welcomed three international players to the Club in 2016. Courtney Hansford and Freya Ward joined us from England and Fran Flores from Chile. All 3 players contributed significantly to the Premier League team and enjoyed their time at the Club immensely.

We continue to grow our profile overseas and we should be very proud of the wonderful reputation we have been able to establish. A huge thank-you to the 3 families – Bussell, Marshall and Hough - who took the players into their homes and supported their hockey and travel dreams.

Toorak East Malvern Hockey Club

Women's Report (cont)

Acknowledgements and Thanks to:

- Our wonderful coaches who ensure all their players are prepared with the knowledge and skill to participate to the best of their abilities on game day.
- Our managers who fill in team sheets, look after votes, pay umpires, care for the injured, provide lollies, support players and calm coaches.
- Victor for his never ending support and amazing ability to be across everything.
- Jacqui Gibbons for her dedication, organisation and attention to detail.
- The committee at the Club who are fantastic to work with and are very genuine in their love and support for the Club and the sport in general.
- Bonnie Boness and Kris Tulloch who play such an important role in bringing the section together through their organisation of after training meals. This initiative has been incredibly well supported and something all players and coaches look forward to after a tough training session.
- Oenone Ritman for organising the ball girls each home game.
- Our tech bench officials – Chris Graven, Bruce Cook, Winnie Eager and Lisa Barham.
- Bridgette Allen for her wonderful performances as Rory the lion and for managing the social media communication within the Club.

Conclusion

We are continuing to build something special at TEM. Make sure you jump on for the ride!

Juniors' Report

The TEM Junior Section has enjoyed another successful season in 2016, and with the unique support of parents and the senior Club has been able to field more players and more teams than ever before. For the first time in many years we fielded shield-level teams in all age groups, taking out the Girls U14 Shield flag. This year, TEM established a Junior Committee, incorporating the VPs, Coaching Director and age group coordinators to ensure a consistent approach to communications and planning. Without the hard work of the team below, the majority of whom are voluntary, dedicated parents as well as senior players, TEM would not have a junior section.

The teams fielded in 2016 are below, we extend our thanks and gratitude to the coaches, managers and coordinators:

| Age Group | Team | Coaches | Managers | Coordinators |
|------------|--|--|-------------------|----------------------------|
| U8 | Intraclub training and small pitch competition | Mitch Eager Stephen Eager Stuart MacPhie | | Pip Dudley |
| U10 | Thunder | Hannah Marshall | | Ben Spincer Toni Skaife |
| | Hurricanes | Leesa Needham | | |
| | Storm | Wendy Selle | | |
| | Cyclones | Gemma Donataccio | | |
| | Lions | Courtney Hansford | | |
| | Lightning | Freya Ward | | |
| U12 | Girls Shield | Kris Tulloch | Nicky Harle | Cathie Dunlop |
| | Mixed Shield | Chris Graven Ross Sudano | James Hillemacher | |
| | Mixed District Tigers | Braden Pitcher Emily Tulloch | Paul Jackson | |
| | Mixed District Leopards | Jess Jacobs | Virginia Bonollo | |
| U14 | Girls Shield | Margie Conley | Sarah Morrisby | Oenone Ritman |
| | Girls Pennant | Perri Dudley Gemma Donataccio | Cornelia Dorfer | |
| | Mixed Shield | Hugh McLaughlin Tim Belza | Emma Harrison | |
| | Mixed District | Cam McKenzie Fran Flores | Charles Hardy | |
| U16 | Mixed Shield | Tom Casey Stuart Westmore | Paul Lockwood | Hugh Murray |
| | Mixed District | Sam Kleinschmidt | Rick Barry | |

Toorak East Malvern Hockey Club

Juniors' Report (cont)

Strategy

We have a simple three-pronged strategy at TEM aimed at attracting, retaining and developing Juniors of all ages and abilities:

- Develop innovative new programs to attract new players to the Club
- Provide an environment to develop, nurture and retain players of all ages and abilities
- Ensure that we have a strong commitment to senior transition to ensure that players are able to develop into long-term senior players for the Club.

Growth

TEM Juniors is continuing to experience a growth in player numbers and we proudly fielded 10 full pitch teams this year. A variety of recruitment activities together with a very high retention rate has led to the increase in numbers. It has enabled us to field teams of 13-14 players in most cases, these numbers are ideal and allow opportunities for players to double up, and absences to be managed appropriately.

Recruitment remains the single most important challenge facing any club and as we move into 2017 we plan to further increase playing numbers through a number of strategies to increase retention and attract new players from the local community.

Hook In2 Hockey, school clinics and Hockey at Auburn Road

At TEM we are continuing to challenge the perceived wisdom around recruitment into hockey as a sport. With Hockey Victoria's new league entry criteria, this is becoming ever more important. After several years of successful Hook In2 Hockey and school clinics, we have realized that offering a differentiated entry-level product compared to other local clubs is less important than being able to compete with other sports.

Therefore, we have agreed to merge our recruitment program with that of our ground-share club, Hawthorn Hockey Club. We have established the program under the banner "Auburn Road Hockey", we have already run successful clinics at two local schools and a Term 4 Hook In2 Hockey program has just completed. We believe that this collaboration will benefit the junior programs of both Clubs into the future. Thanks to Victor Romagosa, officials from both Clubs and Hockey Victoria staff for supporting the initiative.

Umpiring

We were fortunate to have the assistance of Tim Cassidy, a senior player and Level 1 umpire, to help coordinate junior umpire rosters and to umpire coach our beginning and intermediate umpires. Between 15 and 20 junior players, mostly from the U14 age group, volunteered their time to commit to U10 and U12 matches on Saturday mornings, and U8 intraclub matches on Friday afternoons.

Juniors' Report – Strategy (cont)

Senior Transition

TEM prides itself on its efforts to transition players of all abilities to senior hockey once they are physically able to stand up to the rigors of the senior game. Across the year, at least 20 Juniors played regularly in senior teams. None of that is possible without the fantastically supportive environment created by the senior teams. We believe this is a key point of difference for TEM as a hockey club. It was particularly impressive to see junior players Kobe Dudley maintain his position in Men's VL1 Reserves and Rachel Graven, Charlotte Kennedy, Annabel Kennedy and Olivia Wood hold their spots in the Women's Premier League squad.

The following TEM members have finished playing Juniors and will progress to senior hockey in 2017. The TEM Junior Division is proud of these players, and congratulates them for their contribution to junior hockey:

Holly Armstrong, Kobe Dudley, Olivia Freeman, Rachel Graven, Conor Hosking, Charlotte Kennedy, Jai Lockwood, Elise MacPhie, Tahlia MacPhie, Wil Nolan, Marcus Sjostrom, Joshua Woodbridge

Representative Hockey

Central Metro Flames

TEM continues to have representatives on the Flames Committee, and is fostering ongoing positive relationships with clubs in the Central Metro zone. Thank you to the TEM members, parents, and players who continue to support the Central Metro Flames initiatives.

We are very fortunate to be part of such an innovative and forward thinking group of clubs – together we are progressing player and official development through initiatives such as Summer6s, Junior State Championships, Flames Development Colleges, and possibly most importantly the Quarter Pitch U10 competition that has become a model for U10 hockey development across the state.

Once again, TEM experienced a high participation rate of junior players representing the Central Metro Flames in the Junior State Championships - with the U13 Girls winning their division and the U13 Boys finishing third, their best performance ever.

Toorak East Malvern Hockey Club

Juniors' Report – Representative Hockey (cont)

State Representative Players

The TEM Junior Division congratulates all members who played representative hockey during Season 2016:

| | |
|------------------|----------------------|
| Clare Freeman | U13 State |
| Rachel Graven | U16 SSV, U18 State |
| Gemma Kahanoff | U15 State, U14 State |
| Oliver Marshall | U13 State |
| Ruby Morrisby | U14 State |
| Eugenie Rickard | U15 State |
| Charlotte Ritman | U14 State |
| Nick Spincer | U13 State |
| Enya Talbot | U13 State |
| Olivia Wood | U13 State |

Hockey Victoria Academy

All of the above players have also been invited to join the State's elite development academies in recognition of their development through the year. Three new players to State Academies are:

| | |
|-----------|---------------|
| U13 Girls | Lucy Dunlop |
| U13 Boys | BJ Graven |
| | Jonny Spincer |

Summer Hockey Activities

The TEM Junior division has several activities running over the summer season – small group coaching with Victor Romagosa, Flames Summer6s, and indoor hockey competition.

It's very rewarding to see over 150 players sign up to term 4 competition in Summer6s and indoor hockey. Thank you to all the coaches, managers and umpires who have volunteered their time for these activities.

Hockey Victoria for the first time ran Indoor Club Championships for U13, U15 and U18 age groups in addition to indoor competitions. We entered 5 teams and were immensely pleased with the fun had by all players over the intensive weekend competitions.

Juniors' Report (cont)

Junior Teams Overview

Under 8 Squad

Victor and his band of coaches worked with a group of 15-20 of our youngest players and some very enjoyable match play sessions were held, with the aim of introducing players to the fun of competitive hockey, and getting them ready for U10 hockey next season.

Under 10

This year, TEM fielded six U10 teams and over 50 players. Inspired and supported by one of our junior parents, Toni Skaife, we entered into a partnership with Lauriston Girls School to provide after school training sessions at the school with the opportunity to play competitive hockey at the weekends. By the end of the year nearly 20 young girls had joined this program.

As well as a relaxed introduction to competitive hockey, the U10 quarter pitch competition also provided an important opportunity for umpire and coach development.

Under 12

U12 continues to be an extremely important age group where players transition from quarter pitch to full pitch competition, and the older more experienced players continue to work hard on developing their basic hockey skills. As the players also learnt how to play as a team, we saw dramatic improvement over the course of the year with the District Leopards and the Girls Shield team making finals.

Under 14

With successful retention and recruitment strategies, the U14s were the largest playing cohort in the Club in 2016. For the first time, TEM entered shield and district/pennant teams in both the girls and mixed competitions.

The standout team was girls shield team who backed up their minor premiership with a convincing grand final win over Doncaster. Special thanks to their coach of many years, Margie Conley, who in spite of a move to Queensland saw the team to the flag.

The U14 Mixed Shield team was faced with tough opposition and developed their skills and teamwork through the year pushing all of the finalists close in the later stages of the year. Both district/pennant teams were also competitive through the year and have developed a base of players ready for shield competition in 2017.

Juniors' Report Junior Teams Overview (cont)

Under 16

The U16 Shield players found themselves playing in a shield competition for the first time in their junior careers, with a huge learning curve in front of them and some quality opposition. With mixed results, every match presented a new challenge for players and coaches alike! The U16 Mixed District team was predominantly bottom aged and also found the competition very tough, but the experience will put all players in good stead - ready to face season 2017 in both Junior and seniors competitions.

And finally...

After many years as Junior VP, Pip Dudley is stepping down from the role this year. As a Club we should be in no doubt about the debt of gratitude we all owe Pip, from shepherding the Juniors through the challenging 2014 year to her passion for the development of TEM as a leader in girls-only hockey.

Pip Dudley and Ben Spincer
Vice Presidents Juniors

Men's Masters Report

Over 35A

Had a challenging year after being promoted from B grade to A grade. The team was managed by **Oscar Hooper** and the Best & Fairest Player award went to **Ian Taylor**. **Mathew Benfield** played every round and **Matt Hooper** scored the most goals (5).

Over 35B East

Had a reasonably good year finishing just out of the finals after being promoted from C grade to B grade. The team was managed by **Guy McGregor** and the Best & Fairest Player award went to **Danny Thein**. **Jackson Soundy** and **Daniel Turski** played every round and **Jackson Soundy** scored the most goals (19).

Over 45D

Had an excellent season winning every home and away match and finishing in top of the ladder. In the first final, with several key players including the goalie being unavailable, the team had its first loss to second placed Hawthorn. The following week, Camberwell were beaten, and in the Grand Final against Hawthorn the team dominated with a 6-nil win. Five players from this team also fronted up on a Wednesday night for the over 50B competition. The team was managed by **Alan Leary** and there were three equal ranking winners from the team voting. Awards given were Best and Fairest - **Ben Spincer**, Top Goal Scorer - **David Schiavinato** (27 goals) and **Rob Macphie** - Team Leadership. **Terry O'Brien** and **James Ross** played every round.

Over 50B

Had a much improved season, finishing in 4th place and making the finals for the first time. Unfortunately the first final was lost to Essendon. Players from other Clubs who also played for TEM 50Bs were John Condon, Craig Brendish and Stuart Turnbull from Hawthorn, and Rodd Perrin from Doncaster. The team was managed by **Alan Leary** and the Best and fairest award went to **Stuart Hamilton**. **David Schiavinato** scored the most goals (8).

Table positions for Men's Masters at the end of the home and away rounds

| Team | Position | Games Played | Wins | Losses | Draws | Goals For | Goals Against | Score Diff | Points |
|---------------|----------|--------------|------|--------|-------|-----------|---------------|------------|--------|
| Over 35 A | 9 | 16 | 3 | 11 | 2 | 25 | 53 | -28 | 11 |
| Over 35B East | 5 | 18 | 7 | 9 | 2 | 29 | 36 | -7 | 23 |
| Over 45D | 1 | 16 | 16 | 0 | 0 | 78 | 7 | 71 | 48 |
| Over 50B | 4 | 17 | 11 | 3 | 3 | 30 | 22 | 8 | 31 |

Toorak East Malvern Hockey Club

HMHC Summer Masters Competition

Summer 2015/16 saw the continuation of the HMHC Summer Masters Competition running as 14 rounds on Monday nights from October through to March.

The competition was expanded to eight "equalized" teams comprised of both women and men players from each Club, with skills ranging from beginners to A-level.

Playing shirts were subsidised by sponsor SPICER THOROUGHBREDS. The competition generated a profit of \$5,202 which was shared between the two Clubs on a player pro-rata basis.

Alan Leary
Men's Masters

Women's Masters Report

TEM has a history of providing a strong presence in the Womens Masters competition and in 2016 fielded teams at both the A and B grade level. Numbers unfortunately suffered this year with the revitalisation of club trainings with many players choosing to focus on their weekend hockey commitments this year.

TEM also continues to contribute to Masters development with Trish Young, Mary Lofthouse and Lue Hanson being on the Victorian Masters Committee and Trish representing Victoria on the Australian Masters Committee.

Women's 35+A

Although starting the year competitively the lack of numbers meant the team limped through the season and unfortunately needed to give 3 walkovers due to lack of numbers. This resulted in ending in last place for the season. This summer it was decided not to enter a team in the A grade summer competition for the first time since the inception of Masters hockey.

This year's Rookie of the Year trophy was awarded to **Deb Stockdale** who was the most consistent player both on the field and on the team sheet.

Women's 35+BSE

The Masters B team was competitive once again this year and was only one win away from a finals placing. A huge thankyou to Wendy Selle, Meg Boyle and Sue Clements who did a marvellous job getting a team on the pitch each week.

This year's winner of the 'Rookie of the Year' trophy was awarded to Emma Clarke who has proved a valuable addition to the team both with her on field performance and her consistency in availability.

Results for 2016

Lue Hanson
Women's Masters

Coaching Director's Report

Women's section

Achievements

- Increased the number of player involve in the Top squad activities
- Improved the quality of training
- Development of our young talented players
- Consolidation of Pennant A and Pennant C
- An extra team in Metro

To improve

- The reserves lose the coach half thru the year and the didn't get enough continuity to progress towards their potential.
- Management of space on the field on main training nights. On many occasions we had more than 70 players on the one field.

Men's section

Achievements

- Consolidation of the top squad as one of the best In the competition with finals representation back to back in Vic League 1 and Reserves
- Consolidation of Pennant A and Pennant C with no suffering during the year and looking to finish close to the top four.
- Appointed coaches for Pennant A and Pennant C
- An extra team in Metro

To improve

- Increase competition for spots in the top team
- Management of space on the field on main training nights. On many occasions we had more than 70 players on the one field.

Coaching Director's Report (cont)

Junior's section

Achievements

- Compete at Shield level in all the grades.
- Increase of Girls participation
- Lauriston Girls Collaboration
- Increase number of coaches
- Development of young coaches

To improve

- Increase number of players in U8 and U10
- Improve Goal Keeper development program
- Increase the number of coaches from the top teams

Victor Romagosa
Coaching Director

Communications

The Club has continued to use and grow our social media presence extensively this year with the objectives of:

- Keeping our members frequently updated with relevant information from all aspects of the Club, and hockey community, both on and off the field.
- Promoting all of our sponsors to our members and the wider community, encouraging engagement with their services in return for their continued support.
- Engaging with everyone from the Juniors to Masters sections by posting photos, videos and news items that appeal to all demographics of our members.
- Promoting TEM as a welcoming, inclusive, family friendly club that prospective members would enjoy being a part of.
- Highlighting the fun side of the Club all whilst maintaining a high level of professionalism in aspects such as design quality and overall grammar.

Our efforts and results in this area continue to be of a high standard and TEM's social media remains one of the best regarded of all Victorian Clubs.

We have been able to engage effectively with all age demographics through the variety of communications streams, helping to contribute towards large crowds at matches and also off-field social functions. Read on below for a summary of the major communication methods we have used throughout 2016.

Facebook:

- We have again increased the exposure for the Facebook page. At the beginning of March, the page had 544 likes. As of 18th October, the page is at 679 likes.
- Many of our photo albums reached over 3,000 views from the public, with some reaching close to 6,000! Many thanks to all our fantastic TEM photographers for the season - Michael Norbury, James Bower, Stuart Westmore, Natasha Pollard, David Ritman, Nicki Pitcher and all others that have sent me photos throughout the year. Everyone loves them!
- We have continued to post some highlight videos which have been very warmly received, thanks to Victor Romagosa for sending me through goal/match highlights. We also implemented the use of Facebook Live during finals time, which was a great way to instantly share all the TEM finals action with everyone!

Website

The website has continued to be crucial to many aspects of club communications, with the commercial capabilities of the website being used widely, e.g. Trivia Night table bookings, presentation night tickets and membership registrations.

Each week Club wide match reports were published on the website, allowing all members to catch up on how each team went over the course of the week. Thanks to Ben Spincer for all his help in running the fantastic site.

Stonnington Leader

We have continued our communication with the Stonnington Leader this season, and have had a number of articles published over the course of the year, including match reports, advertisements for our Junior section, and welcoming our wonderful international players for 2016.

Toorak East Malvern Hockey Club

Communications Report (cont)

Twitter

The TEM Twitter account currently has 343 followers. We are one of very few clubs that still support HV by regularly posting live tweets from our Women's Premier League and Men's Vic League 1 matches. Massive thanks to Nicki Pitcher for running this section of the communications!

Instagram

Instagram is used by many of the younger members of our Club, and I still think there is plenty of room for this to grow, particularly with our Juniors. The TEM Instagram easily doubled the amount of followers this season, rising from 148 in March, to 331 mid way through October.

Summary

Thanks to everyone who has helped out with the Communications Role this year, especially Matt Pitcher in the early stages of handing over the reins, and everyone who has sent through photos/videos etc. The more content sent through, the more we are able to get ourselves out there in the public eye. Special mention to Braden Pitcher for his continued amazing graphic design work for the Club and social media.

Bring on 2017!

Bridgette Allen
Communications Officer

Umpires & Officials Report

Umpiring and officials has become an increasingly important area of operations, due to both the introduction of Premier League Entry Criteria, and the growth of our Men's, Women's and Junior sections leading to an increasing amount of matches requiring Club umpire appointments. There are significant targets that must be met if TEM is to maintain its status as a Premier League club and for these reasons we have to continue to attract, develop and support quality umpires and officials.

Changes introduced in 2016 include

- the creation of a new Umpires and Officials section,
- a separate section on the Club website, www.temhockey.com/umpire
- a dedicated Facebook page for umpires and officials,
- a transparent method of communicating umpiring spots that need filling, and
- greater communication between sections about stepping up to help when required.

We were fortunate to have Tim Cassidy, a young Level 1 umpire working towards Level 1 umpire coaching accreditation who came on board in an umpire coaching role. With Tim's assistance, at the beginning of the season we identified a core group of 15-20 players aged at U14 level who were keen and ready to begin their development as umpires. Of these players, 4 became involved at U8 intraclub, 13 started out at U10/U12, and 10 are now umpiring regularly at U10/U12. This squad also included 2 x U12 and 4 x U16 players, and 5-6 players who are in their first or second year of playing seniors.

U8 intraclub competition is run on Fridays and has proven to be an unexpectedly good environment for learning. This is a small pitch competition and beginner umpires are more prepared to use their voices, develop strong whistle tone and get involved in the games. They also get valuable feedback and enjoyment from working with our youngest players. We have worked closely with the Central Flames clubs and the Zone Umpire Development Officer, Judy Robbins, in getting umpires involved in the U10 quarter pitch competition, as well as the Summer6s program in term 4. U12 umpires are appointed once they have gained confidence and experience at the U10 level. This is important as due to the home and away fixtures for U12s it is not always possible to get an umpire coach to these games and they need to have sufficient ability to manage a game on their own.

Umpires for U14/U16 competitions are usually sourced from players who have left juniors. This is an ideal way for older teenagers to stay in touch with junior competition, and build their skills in preparation for umpiring senior competitions. They tend to be more able to do more than one game a night, and are also free to travel to away games when required. We will not roster a junior player to a game immediately before their own on a Friday night, as their priority should always be on preparing with their team not rushing from one commitment to another.

The process for appointing umpires to senior matches has changed in 2016. The appointments requiring filling are posted on facebook and volunteers sought. If no takers by Thursday, the commitment becomes the responsibility of the team involved. It is no longer the responsibility of any single person to source umpires for matches across the Club. Instead we are developing a collective culture with the aim of helping people to work together to use the various resources available to find an umpire.

In 2017 we will work to refine all of the above processes, and continue to coach those umpires who have started out with the aim of progressing to level 1 accreditation. The identification of aspiring Level 2 umpires will take place during pre-season, and we will utilise all the education opportunities provided by HV.

Umpires & Officials Report (cont)

Technical bench & Technical Officer Development

In 2016 HV introduced the concept of a Technical Bench at all Premier League and Vic League 1 games.

This included HV appointed Technical Officers to officiate at these matches. The TOs then operated with the assistance of Club appointed trained volunteers acting as Judges.

During the course of the year a number of people have trained as judges and the Club now has four accredited Level 1 Technical Officers which means that we meet the requirements of the Premier League Entry Criteria.

We anticipate that HV will look to extend this concept to an increasing number of grades. A consequent of this is that we will probably have to increase the number of Technical Officers and Judges in the Club in 2017.

Toorak East Malvern Hockey Club

Social

The 2016 Social report is one in which we both give great enthusiasm to be writing as this year was without a doubt our most successful social year we have had both determined by attendance and money raised.

There is no denial that TEM remains *the best social club in Victoria* - a claim confirmed by the HV live stream commentators.

Hugh McLaughlin and Braden Pitcher would have been nothing this year without their outstanding social committee members: Anna Clothier, Jacqui Gibbons, Bridgette Allen and Cambo McLaughlin worked tirelessly together to ensure the club maintained its high standard.

A massive thank you must also go to The Hawthorn Hotel (the major social sponsor for 2016). Their brilliant venue and continued generosity made the successes of this year possible.

Major Events

Two Towns Party

A brilliant night that brought together both TEM and KBH. Hosted at The Hawthorn Hotel, we had over 150 in attendance and raised some much needed money for both clubs.

iPod Shuffle Night 2.0

iPod Shuffle Night came back with a vengeance in 2016, with around 100 people in attendance it was an outstanding event and fundraiser for the club. Defending champion Sam Wagg flew back from the US to regain her title but was bitterly dethroned by Rach Graven. Nicki Pitcher received a permanent ban from future events after her attempt at arson. #pizzafire2016

Trivia Night

Our major fundraiser for the year showcased why we love being a part of this Club. Through lots of donations and over 150 diverse club members in attendance we raised in excess of \$7000. A huge thank you to The Hawthorn Hotel for hosting once again, this is an event not to be missed in 2017.

TEM Presentation Night

Preso Night delivered once again in 2016, a stunning conclusion to an exemplary season. This year saw a change in venue to the Lincoln of Toorak and a record capacity of nearly 200 people. A big shout out to club legend Guy McGregor and his team from Nextgen AV for their amazing audio visuals on the night, and to James Hough and Sophia O'Beirne for being our hilarious emcees for the evening.

2017

With outstanding momentum from this year's events, we cannot wait to hit the ground running in 2017. Continuing to bring all sections of the Club together, our goal is to maximise inclusivity and showcase the legendary atmosphere unique to Toorak East Malvern. Your feedback and willingness to volunteer is greatly appreciated moving forward.

Social Report (cont)

Thank-you list:

Once again, our special thanks to:

- Lyndon 'Kiwi' Robertson - for supplying our meat for the BBQ
- Guy McGregor - for supplying all the AV for the year
- The Hawthorn Hotel - for their great sponsorship of the Club

Braden Pitcher & Hugh McLaughlin

Marketing & Fund Raising

A major issue for the Club continues to be been our inability to identify somebody to formally fill the critically important role of Marketing Officer. Our efforts in this area are crucial if we are to continue with all of our programs and to try and keep the membership fees at a reasonable level.

However, we have been very fortunate that **Nicole Pitcher** stepped into the breach and performed many of the tasks that would normally have been undertaken by the Marketing Officer. We are extremely grateful to Nicole for her efforts which have been critically important to us throughout 2016.

Highlights of the year efforts include:

- acquisition of Camberwell Painting and the Hawthorn Hotel sponsors
- extension of our sponsorships with East Malvern Community Bank® Branch of the Bendigo Bank, Histolab, knp solutions, Lottemi, Just Hockey, Team Apparel and TAC through its “Towards Zero” program

We would also like to re-iterate our thanks to all sponsors – your support of TEM is greatly appreciated.

Constantian Club

Under normal circumstances, it is not possible for individuals to obtain a tax deduction when donating to money to sporting Clubs. The exception to this is when donations are made through the Australian Sports Foundation.

The Constantian Club has been created to take advantage of the opportunities available to TEM to raise funds through the ASF.

Though the ASF and the Constantian Club, tax deductible donations can be made to TEM for the purpose of *“raising funds to provide assistance to players, umpires and coaches in the areas of travel, equipment and coaching clinics and for the collection, preservation and display of historical club memorabilia.”* These donations can be made publicly or anonymously.

Thanks to **Keith Needham** and **Leesa Needham** for their stewardship of the Constantian Club.

Bruce Cook
Secretary

Thank You For Your Efforts

It takes the efforts of many people to put our teams onto the field and to organise our various events and programs. Without this support the Club would just not function. We'd like to thank the following people for their time and energy supporting the Club in various capacities during the year. If we've made a mistake or you have been overlooked from this list, please accept our sincere apologies.
