President's Report

Seniors

Overall the seniors had a successful season.

This year, TEM fielded six senior women's teams and eight senior men's teams, one more men's team than last year.

The top three women's teams played finals, and women's Pennant F (fifths) won the flag. A wonderful result and a just reward for the hard work, dedication and thought of the women's section.

The men's seconds won the HV Men's Premier League Reserves, the first time in TEM history that TEM has won the men's seconds competition, however styled.

The men's thirds played finals, a great result when you consider that the team only avoided relegation at the start of the season through a technicality.

2019 saw our men's and women's first teams play in Premier League. and our seconds teams play in Premier League Reserve.

Overall, we had eight senior teams, Men's Premier League Reserves, Pennant B, Pennant F, Metro B East, and Women's Premier League, Premier League Reserves, Pennant A and Pennant F play finals, with two teams being premiers: MPLR and WPF.

This is an outstanding effort on the part of many people. My congratulations to you all.

Juniors

The TEM juniors' section has many laudable elements. Our girl's hockey offering is probably the best in Victoria. However, there are gaps in the boy's section.

Four teams qualified for finals with the U16 Mixed Shield, U16 Girls Shield and U12 Girls Pennants finishing runners-up.

The Committee is actively pursuing options to improve our junior offering.

TEM must have vibrant and strong juniors' section in order to remain in Premier League.

I repeat my comments made in last year's annual report:

'The challenges facing TEM is to maintain its Premier League status. Whether we remain in Premier League, which is our aim, will be determined by two elements:

- *we must be sufficiently competitive so that we rise up the rankings, and*
- *we must be well administered.*

There are many who believe the Premier League competition is too large and would reduce the number of teams in Premier League. That is not the TEM view.'

Little has changed. There are voices in Victorian hockey who would reduce the size of Premier League. These are not in the ascendancy. However, we must redouble our efforts to rise up the rankings.

Toorak East Malvern Hockey Club

Masters

This year TEM fielded five Men's and one Women's masters' teams.

Four of the Men's teams made finals, one was premier, two others played off in the grand final

Facilities

Last year I reported that TEM in conjunction with the Hawthorn Hockey Club was successful in obtaining a Victorian Government 'Pick My Project' grant of some \$200,000.

The 'Pick My Project' grant monies have been applied to renewing the lights on both H1 and H2 with 500 LUX LED lights. This new lights on both grounds were operating from June. Indeed, we played our first ever premier league night games in early June.

The surface on H1 was replaced last summer. The new surface is the best surface which has ever been laid at the Hawthorn Malvern Hockey Centre. We now have the best club grounds in Melbourne.

On ANZAC Day this year, our local federal member announced that we had received a grant of \$500,000 to assist in the redevelopment of the club rooms.

We look forward to working with HMHC and the Hawthorn Hockey Club to develop plans to complete the redevelopment.

The application process for both grants was driven by TEM.

Survey

TEM conducted an extensive survey of members in the third quarter of 2019. About 180 members responded. The results show some consistent themes, areas where TEM does well and areas which need work.

The response to the survey is a matter for the incoming committee.

Thank you to all who participated.

Volunteers

TEM is run by volunteers.

They are the lifeblood of the club. They fill the myriad of minor positions which are essential for the operation of TEM. I thank each and every one of you for your support of TEM.

The Club's committee. Greg Koster, Tony Dudley, Phil Kennedy, Bruce Cook, Oenone Ritman, Leesa Needham, Pip Dudley, Sam Hill, Penny Senior, Alan Leary, Mary Lofthouse, Braden Pitcher, and Amelia Hough have all given freely of their time to run the Club. Much of what they do is unnoticed, but without it, TEM cannot exist. I thank all of them for their efforts and support throughout the year.

This year Tony Dudley and Phil Kennedy are stepping down from the committee. Tony has been Men's Vice President for six years and Phil Women's Vice President for two. Both have been tireless workers for TEM.

Also, this year Victor Romagosa leaves us after five years as coaching director and we thank him for his work during this period. He has had a very significant impact on TEM.

Toorak East Malvern Hockey Club

Finally, I want to thank you, the ordinary members, for your support of me and TEM. TEM exists for you, but without your support TEM would not exist.

Men's Report

2019 saw the Men's section improve in performance and continue to grow in numbers. With 4 of 8 teams making finals September was again an exciting time to be around the club, culminating in the Premier League Reserves team winning the grand final against Camberwell in what can only be described as a heart stopping shootout.

At the start of the year we added an additional team with last year's winner PG moving up a grade and creating an option for an extra team. At the time we knew it would be a challenge to fill teams, however, we had some very keen masters' players to call on. In fact, one Saturday night the Metro Beast team was mostly the 45D master team, thanks guys.

It was also pleasing that our efforts in transitioning juniors to the senior section of the club with 12 juniors' also playing senior hockey, some for the first time. At the highest level 6 players made their premier league debut.

The third year in Premier League proved to be tough and although the results did not indicate much improvement from the previous year, there were plenty of positives as we build for future success. Reflecting on this, many other clubs have been in this position and we have a very talented group of young players stepping onto PL making our squad on average the youngest in the competition. There are also many more talented juniors coming through over the next few years so things are looking up.

The success of the Premier League Reserves in taking out the premiership, will have a positive impact that will attract new players to the club and with continued success in the pennant grades, notable the PB team, the depth in the club is in a strong position for the future.

I would like to thank the Premier League squad coaching staff, Michael Jones, Ben Lord, Rob MacPhie and Eddy. This is not only for directing the premier league squad but also assisting with the PB guys who made finals essentially without a coach. A special thanks to Joe Connell and James Heaney who took the lead with the PB squad.

This combination of John Nicolosi and the crew from Melbourne Athletic Development continues to work effectively in developing a strong, competitive and resilient PL squad. We look forward to working with them all again next year as we look to take the squad to the next level.

As we know the club is not just about the top squad, and I would like to thank the small but dedicated team that made playing, team selection and Wednesday night training a success. Sam Hill, Joe Connell, James Heaney, Cam MacPhie, Matt Hooper and Greg Koster.

Also, to all the team managers, Paul and Kit Cassidy, Jordan, James Heaney, Cam MacPhie, Sam Hill, Lindsay Ondracek, Terry Chung and Todd Robinson a big thank you.

A special thankyou to my able assistant Sam Hill who does a mountain of organising behind the scenes making sure that needs of the lower grades are catered for.

Finally, I continue to be proud to be to be part of a club that continues to strive for greater success developing into its full potential both on and off the field. With that I feel it is time for a change.

So, after 6 years with the utmost privilege to have been able to lead the men's section, and with my role on HMHC expanding over the next period as we work on the club house redevelopment, I feel it is time for someone else to take the reins of men's section. As such I will be stepping down at the end of the year.

Joe Hough Senior most improved men's player: **Alex Paterson**

Alex has been around the club for a number of years playing in the lower men's grades and as a junior. This year he moved out of juniors and has started to cement his place in the higher grades being a pivotal part of the success of the PB team. His dedication to his craft saw his performance this year strengthen significantly with many game saving amazing moments.

Toorak East Malvern Hockey Club

Men's Perpetual Award - Bruce Prosser Trophy - services to men's hockey.

Awarded to a person who has contributed significantly to the Men's Section

Bruce was one of the key people in the amalgamation of the Toorak and East Malvern Clubs along with Joe Hough Snr and Bruce Hulston. He was also a key member of East Malvern HC in the amalgamation and he was the secretary of the Victoria Junior Hockey Association (VJHA) for a number of years.

The 2019 winner of the Bruce Prosser Trophy for Services to men's hockey is **Joe Connell**.

Joe has shown real strength in leadership and epitomises the club values, outside of a strong on field performance, Joe has been everywhere around the club taking a leadership position with his team and within the broader playing group. A member of the selection committee, driving training sessions, and umpiring across all grades and venues. Joe is always willing to help, and nothing is ever too much.

Women's Report

A highlight of the pre-season was the wet obstacle course at Briar's Camp.

The aim was for the course to be a practical demonstration of the culture at TEM – where everyone feels part of a community, where every person has choices about their level of participation and where every contribution to the Club and to teams is valued.

This set the tone for the season!

Improvements to Top Squad (Premier League and Premier League Reserves)

We introduced changes for the Top Squad this season based on player feedback.

These changes were planned and implemented by a Top Squad Committee comprising:

- Ian Kleinschmidt (PL Coach)
- Trent Bussell (PLR Coach)
- Victor Romagosa
- Prue Casey (Selections Leader)
- Bonnie Boness (Junior Liaison Leader)
- Sophia O'Bierne (Engagement Leader) and
- Darci Kleinschmidt (Preparation and Fitness Leader).

The changes we made included setting clear expectations of the commitment required of Top Squad players for the pre-season, working with Melbourne Athlete Development (MAD) to structure and add variety to the fitness program, provided incentives for players to maximise their availability for games throughout the season, clearly defining the roles of the Leaders and agreeing with junior players that their training would be focused on skills training rather than fitness. The coaching program was planned and focused on implementing key principles and structures.

2019 built on 2018 season

The engagement and participation of all teams built on the previous season. As for 2018, TEM had over 20 new players in 2019 and over 20 junior players that played in the Women's teams. These trends will continue.

The ongoing commitment of our coaching team is a strength of the Women's Division. Thank you to each of our coaches for all the time and expertise they put into training, preparation and games:

- Ian Kleinschmidt (Premier League)
- Victor Romagosa
- Trent Bussell (Premier League Reserve)
- Kris Tulloch (Pennant A)

Toorak East Malvern Hockey Club

- Leanne Downer (Pennant B)
- Tony Dudley (Pennant F) and
- Cam MacPhie (Metro B).

Thank you to our managers:

- Hannah Mackenzie (Premier League)
- Dwayne Pengilly (Premier League Reserve)
- Kate and Andrew Paice (Pennant A)
- Jen Eager (Pennant B)
- Alice Whitford (Pennant F) and
- Lucinda Matthieson (Metro B).

Women's teams

In 2018, TEM had four Women's teams in finals and Pennant C won the grand final. Pennant C were promoted to Pennant B in 2019 and as a result TEM has teams in the top 4 levels of Women's competition (WPL, WPLR, WPA and WPB).

In 2019, TEM again had four Women's teams (60 players) in finals: WPL, WPLR, Pen A and Pen F. The fact that our top 3 teams made finals is a reflection of the depth in the Women's Division and the effort over many years to develop TEM's junior and senior players.

Metro B had a competitive season finishing in 6th place.

Pennant F went from third in 2018 to win the Grand Final this year! This was a reflection on the determination of the team and the cohesiveness of the group. This will see the Pennant F team promoted next year to Pennant E. Congratulations to the Pennant F team!!

Both the Pennant A and Pennant F Grand Finals were at KBH and as with 2018, the support from the entire Club at the Grand Finals (and the finals) was tremendous!

Pennant B having been promoted from Pennant C, were competitive finishing 7th (though only 1 win from being 4th) and have set themselves up for a strong season next year.

Pennant A – had a great combination of junior players, players in their 20s and very experienced players. Pennant A were 4th in 2018. This year, the team made the Grand Final after winning the Qualifying Final over Hawthorn in shoot outs.

Premier League Reserve – benefitted enormously from the work they had all done in the pre-season and during the season to finish in 7th place and again make finals.

Premier League – the improvements in the Premier League team were evident in the fitness and performance of the team over the season. The Premier League team came 7th and made finals for the first time since the inception of Premier League!! This was a direct result of the commitment of all players in the Top Squad.

Toorak East Malvern Hockey Club

Thank you to Melbourne Athlete Development – John, Conner and Emily for coming on the journey with the Top Squad this season.

Thank you to the following key contributors to the Women's Division:

- Paul Lofthouse (votes and record keeping)
- Jen Wood (ball kids co-ordinator)
- Pip Dudley (for managing a network of umpires and managing the Indoor Comp)
- Jen Eager (for Chairing Selections and her insights across all teams); and
- Penny Senior (our Women's Secretary for her constant can do approach and for organising the Summer Comp).

Most importantly I want to thank every one of the wonderful 100 women that train, play and contribute to our tremendous hockey community at TEM!

In 2020 we will see more of our players coaching in the juniors, more of our players being actively involved in the organisation of the Women's Division and continued improvement in the depth of the Women's Division as we welcome returning, junior and new players.

You can also expect to see continued improvement and success across all teams as we build on the changes we have made together this season.

Juniors' Report

2019 was a relatively successful year for our junior section. We fielded 15 teams with Shield teams in all age groups in both boys and girls. We had four teams make it through to the finals; U12 Girls Pennant, U16 Mixed Shield B, U16 Mixed District and U16 Girls Shield. The U12GP, U16 Mixed Shield and U16 Girls Shield all made it through to the Grand final and although we didn't manage to bring home a flag, it was fantastic effort to make it that far.

We had a great junior committee this year made up of our age group coordinators plus Sandy Marshall who looked after the Flames and representative side of things and was a wonderful help to me. We also had a fantastic team of parents and senior players who coached and managed all the teams, so thank you to all those people.

We also had a fantastic team of parents and senior players who coached and managed all the teams, so thank you to all those people. I'd like to make a special acknowledgement to Victor Romagosa who is fishing up as TEM Coaching Director this year. Victor has been a wonderful contributor to the junior section over the years with his massive hockey knowledge and expertise. He has in particular been a great help to me in my first year in the role of Junior VP. Thank you Victor for all your help and we wish you all the best in your future endeavours.

I'd like to thank all the coaches and managers below who have put in so many hours this year. I thank you for your commitment to our juniors and our club!

HOOKIN2HOCKEY

We ran a number of hockey roadshows in Term 1 at local schools which then fed into our Hookin2hockey program we ran at HMHC. This proved very successful with approximately 25 players signed up, most of whom went on to play the season with us in U10s and U12s.

COACHING AND UMPIRING

The majority of our junior coaches this year came from the top squads of our club. We are grateful to them for their commitment to our juniors. We also had a number of our U16 players coaching U10s which was just fantastic. We have also recently seen more older junior players coaching our young Summer 6s teams which is just fabulous.

Pip Dudley has once again done a fantastic job of coordinating the junior umpires this year. She has supported them each week and encouraged them to continue their umpiring accreditation.

Next year we are looking to establish a coach and umpire education program whereby we can better keep track of our coaches and umpires and their training and development and also offer them mentorship in these areas. I think this will be a great opportunity to develop the club in the areas of coaching and umpiring.

SENIORS TRANSITION

We had a large number of juniors playing seniors again this year throughout all grades with quite a few in the top squads in both mens and womens divisions. I would like to thank our senior players who each year welcome our juniors and provide them with wonderful support throughout the season.

Toorak East Malvern Hockey Club

We had a record number of TEM members graduating from juniors this year (30 players!) most of whom should continue to play seniors next year. I'd like to congratulate the following players on their wonderful contribution to the junior division of our club- Alex Hardy, Bailey MacPhie, Noah Murphy, Nick Spincer, Will Tadgell, Bennett West, Matt Davy, Will Vannan, Oliver Marshall, Campbell Cowell, Faith Cullinan, Felicity Edmondson, Georgie Hiam, Saraid Hounihan, Mridula Thomas, Mackenzie Hughes, Ella Clarke, Eleanor Spooner, Camryn Bailey, Eliza Shrimpton, Enya Talbot, Clemence Sutherland, Isabelle Musson, Reika Yoshikawa, Emma Laird, Liz Frank, Stella Hammett, Olivia Wood, Duncan Geddes and Ali Harman.

REPRESENTATIVE HOCKEY

Central Metro Flames

TEM continues to be an active member of the Flames committee which not only runs our Summer 6s, U10 quarter pitch and U12 district half pitch competitions but also organises the Flames Representatives teams for the Junior State Championships each year.

This year we had an enormous representation of TEM players in the Flames teams at the State Championships and the Flames had a fantastic tournament with the U18 Girls coming first, U13 Boys and Girls both finishing second and U15 Girls 3rd.

State Representative Players

We are extremely proud of the following TEM juniors who represented Victoria during 2019:

Olivia Wood	U16 SSV, U16 SS Australian Team, U18 State
Emily Butler	U16 SSV, U18 State (train on), U18 State Indoor
Enya Talbot	U16 SSV, U16 SS Australian Team, U18 State, U18 State Indoor
Oliver Marshall	U16 SSV (silver medal), U16 State Indoor (Jan. 2019)-silver medal, U18 State Indoor (2020)
Nick Spincer	U16 SSV (silver medal), U16 State Indoor (Jan. 2019)-silver medal
Asha Newstead	U15 State (gold medal), U15 State Indoor, U18 State Indoor
Shayla Jansz	U15 State (gold medal), U15 State Indoor
Hope Pengilly	U15 State Indoor (train on)
Lucy Dunlop	U13 State Indoor (Jan. 2019), U15 State Indoor

SUMMER & INDOOR

We have continued to increase our number of juniors participating in Indoor this year, in weekly competitions and Club Championships. TEM entered the following teams in the HV weekly competition: U11 Pennant, U13 Girls, U13 Mixed Shield, U15 Mixed Shield and U18 Mixed Shield.

In the U13 Club Champs we entered one boys and two girls teams of which included some players from other clubs. We continue to grow our relationships with other clubs by having keen indoor players play with TEM when their own clubs don't enter teams.

We also have boys and girls teams entered in both the U15 and U18 Club Championships which are being held in the coming weeks.

JUNIOR TEAMS OVERVIEW

U8

Each Thursday Victor and Cam McKenzie along with a number of assistant coaches made sure this group of players had a fun time learning skills and playing mini games. This program provides wonderful introduction to the game and to our club.

U10

We had four U10 teams entered in the quarter-sized pitch competition run by the Flames Committee. This number of teams is down from 6 teams we have had in recent years so we are working on trying to recruit bigger numbers in this age group for next year and beyond.

Three of these four teams were coached by U16 players who showed great maturity in leading these youngsters. The U10 competition also provides a great opportunity for our young umpires to develop.

U12

We had teams in both boys and girls shield and then a girls pennant side and boys district half pitch team. Most of our U12 players were first year U12s coming up from u10s or players new to the game who had come through our Hin2H program.

The U12 Girls Pennant side had a great season and made it through to the grand final this year which was a super effort. Congratulations to their coaches Paula Olivia Dias and her daughter Lucia and to all the girls in the team.

U14

This year our numbers were low in the U14s and we were only able to enter two teams, one in Girls Shield and one in Boys Shield B. Both teams had a relatively successful season with both just missing out on making the final four.

U16

We had four teams entered in U16s; Girls Shield and Pennant and Mixed Shield B and District.

As we had a very large number of girls this year, a number of our stronger girls decided to play in the mixed shield team. They had a very successful year finishing on top of the ladder and went through to the Grand Final.

Toorak East Malvern Hockey Club

Unfortunately KBH got the better of them and they were denied the premiership. Our girls shield team also made it through to the grand final but were also runners up. The Mixed District team made it to the first round of finals but were bumped out and the Girls Pennant team had a season of mixed results but still had lots of fun.

U18

This was our second year of entering a team in the U18 competition. This comp is pretty social as most of the players are doing VCE and so don't train but only play on a Friday night for fun. They had quite a mixture of different players each week depending on who was available!

Men's Masters Report

Five men's masters' teams were again entered this year. The four Monday night 35s/45s had an excellent year with all finishing in finals, while the Wednesday 50s finished at the other end of the spectrum.

Over 35A

Oscar Dale managed the team and **Ian Taylor** won their *Best & Fairest* award.

- Finished the home and away rounds 2nd on ladder with 12 wins, 0 draws, 4 losses.
- Lost the first final to 0-3 to Waverley (who hadn't lost any matches for the season).
- Won the second final 4-1 against Greensborough.
- RUNNERS UP losing to Waverley 1-2 in the Grand Final.

Over 35CSE

Chris Goldie managed the team and **Manning Scarfe** won their *Best & Fairest* award.

- Finished the home and away rounds top of the ladder with 11 wins, 4 draws, 1 loss.
- Won the first final 2-0 against Hawthorn.
- RUNNERS UP losing to MCC 0-3 in the Grand Final.
- MINOR PREMIERS.

Over 45BNW

Bailey Macphie managed the team and **Ross Sudano** won their *Best & Fairest* award.

- Finished the home and away rounds 2nd on the ladder with 10 wins, 4 draws, 4 losses.
- Won the first final 5-1 against Brunswick (who had finished top of ladder).
- PREMIERS winning the Grand Final 4-0 against Brunswick.

Over 45D

The 45Ds had a reasonably good season helped by the inclusion of new players Jenny Eager, Fran Moodie and Clinton Teh. **Alan Leary** managed the team and their *Best Team Player* award went to **Bill Bearder**.

- Finished the home and away rounds 3rd on the ladder with 9 wins, 5 draws, 4 losses.
- Won the first final 2-1 against Knox.
- Lost the second final 1-2 to MCC finishing in BRONZE MEDAL place.

Toorak East Malvern Hockey Club

Over 50B

The team's performance lagged this year which was often the result of player unavailability. **Alan Leary** managed the team and their *Best Team Player* award went to **Philip Burchardt** who padded up this year as Goal Keeper and consistently kept the opposition score lower. Players from other clubs who also played for TEM over 50Bs were Craig Brendish and Stuart Turnbull from Hawthorn, and Rodd Perrin from Doncaster.

- Finished the home and away rounds bottom of ladder with 1 win, 1 draw, 16 losses.

HMHC Summer Masters Competition

Summer 2018/19 saw the continuation of the HMHC Summer Masters Competition running as 15 rounds on Monday nights from October through to March. The competition had six "equalized" teams comprised of both women and men players from Hawthorn, TEM and other clubs, with skills ranging from beginners to A-level.

The competition generated a net profit of \$5,892 which was shared between the two clubs on a player pro-rata basis.

Indoor Report

Indoor hockey at TEM is continuing to increase in popularity and become accessible to more players. Our indoor hockey activities are considerable, we currently have around 120 players, participating in 13 separate competitions, and we are building a section that is starting to be recognised as equal in status to men's, women's and junior sections at TEM:

- Mixed Masters
- Open Men A
- Open Men B (three teams)
- Open Women A
- Open Women B (two teams)
- U18 Mixed Shield
- U15 Mixed Shield
- U13 Girls
- U13 Mixed Shield
- U11 Mixed Shield

TEM has also entered teams in Indoor Club Championships in all age groups competitions, where clubs compete against each other in a weekend tournament. The development for junior players participating in these competitions is significant, as they benefit from quality coaching in an intensive environment and form lasting friendships and memories from each experience.

Indoor is also an opportunity to develop club coaches, and this year we have appointed many young coaches to teams.

Hugh McLaughlin continues to provide dedicated and valuable support to our junior teams, by way of coaching, advice and mentorship. We are lucky to have such ready access to his knowledge and understanding of indoor hockey and willingness to help assemble teams and provide coaching resources. Due to the quality of our coaches and the culture of our club, our teams are competitive in every competition in which we participate, and our players deserve respect for the professional manner in which they conduct themselves, both on and off the pitch.

I look forward to seeing the profile of indoor hockey at TEM continue to grow, and more players making the most of the opportunities to develop their skills and love of hockey.

WOMEN's Masters Report

In 2019, there was one team in the Women's 35+ BE division. It was a great season and enjoyed by the team.

The 35BE team finished in 9th position and the Best and fairest award this year went to Pene Amor.

We are looking to increase the number of players / teams next year.

Hawthorn Malvern Hockey Centre (HMHC) Annual Report to TEM Hockey Club

HMHC is a joint operation with the 2 major tenants at the Hockey Centre in Auburn Rd Hawthorn, being the Toorak East Malvern Hockey Club (TEM) and the Hawthorn Hockey Club (HHC). A third sub tenant Carey Baptist Grammar School (Carey) also are a major user of the facilities.

TEM and HHC each appoint 3 Directors to HMHC, which is tasked with operating the 2 grounds, H-1 and H-2, and the pavilion including the kiosk. HHC is represented on behalf of TEM by Rob MacPhie, Carol McKenzie and Tony Dudley with HHC representatives Ross Blair-Holt (Chairman rotating), Chris Legge (Treasurer) and Russell Kilroe-Smith.

2019 has probably been the biggest year in the history of HMHC.

As well as our usual Queen's Birthday long weekend Senior Country Championships (SSC), we also hosted the Junior State Championships (JSC) in July and a Sikhs Easter national hockey tournament. This was on top of HHC/TEM training and matches, Carey using the grounds during the day and some Saturdays, plus a number of other clubs and schools with regular bookings.

In Jan/Feb 2019, the ground surface on H-1 was replaced after 9 years. The surface deteriorated badly in 2017/2018. The new surface was installed by TigerTurf for \$300,000. Luckily, the shock pad is estimated to have another 10 years life, saving \$140,000 replacement costs. HMHC is now saving funds to replace the H-2 surface in approximately 5 years' time.

In early 2019, thanks to the members of both TEM and HHC clubs both voting strongly in a Pick My Program grant, HMHC received a State Government Grant of \$200,000 to upgrade the lights to state of the art LED's on both grounds. Always good to have a state election! The total cost was \$280,000 of which HMHC paid \$80,000. Particular thanks to Jon Stebbings who materially assisted through his employer both to source the lights from Europe, and to help install.

The H-1 lights were completed in time for the mid-week premier league game between TEM and HHC June. H-2 shortly after. The output measured by lux is well over 500, which is required for premier league matches. The lights can be dialled down to 300 lux for training (being stronger than the previous lights). We can also have half the ground lit only. Our first electricity invoices have shown a reduction in cost.

HMHC have decided that all matches (Juniors/Seniors/Veterans) are full power. All training is at half power (of around 300 lux.)

Thanks to the Federal Election and Josh Frydenberg our local member in Canberra, HMHC received a grant of \$500,000 towards a Pavilion upgrade. This replaces a lot of sausage sizzles! We hope to renovate during 2020.

HMHC also bought a ride on mower and state of the art leaf collector to reduce ground cleaning time from 5 hours to 1 hour a week each ground. This went well until we had a robbery, and someone stole it. We will replace it (with a hidden GPS installed) pre season 2020.

A special thanks to Linda and Grenville for running the very efficient kiosk, to Harry for grounds maintenance and being the odd job man and Norm Walker for running the bookings program.

Club Members should understand that the HMHC grounds (H-1 and H-2) are probably the most used hockey grounds in Victoria, due to our location and facilities. We have a waiting list of clubs wishing to hire time on our pitches. We are exploring ways to find access to additional grounds to cater for the ever growing number of players of all ages.

Ross Blair-Holt
HMHC Chairman 2019

Communications

Summary

This season, the engagement with our social media channels from our TEM community and beyond has gone from strength to strength. We have surpassed 900 page likes on Facebook and are sitting on 713 followers on Instagram – giving TEM a great platform to reach current members and prospective players.

Facebook posts this season predominantly focused on promoting the following key areas each week:

- Team fixtures for each upcoming round
- Player milestone recognition
- PL debutants
- Upcoming social events
- Representative achievements
- Event photos
- Club finals fixtures and results

Instagram was used as a supporting platform that aimed to feature the fantastic action photos taken by Stu Westmore and take a more light-hearted approach to showing the culture and achievements of the club. We have had several of our Instagram posts re-posted by accounts such as Hockey Victoria, Just Hockey and Mazon – further amplifying our club within the hockey community.

There was a heightened focus on promoting HV rounds such as Fair Go Sport, Women's Round and Men's Health Round.

We produced a number of social event wrap up videos: iPod Shuffle Night + Friday Night Lights.

Final Thoughts

I would like to thank Braden Pitcher for his design expertise, Stu Westmore for making it so easy for TEM to have the best-looking Instagram account around and Bruce Cook and Nicki Pitcher for their help in recognising club achievements.

I would also love to hear any ideas that TEM club members have to improve our communications for 2020!

Toorak East Malvern Hockey Club

Social

It has been another dominant performance off the field for TEM's social team this year, hosting a variety of inclusive events and raising much needed funds for the Club.

The social committee of 2019 consisted of Amelia Hough, Darci Kleinschmidt, Tori Delaney, Nick Sutcliffe, Cam McKenzie and Braden Pitcher; these volunteers worked tirelessly to ensure that our brilliant social culture was maintained within the club and also well noticed amongst the wider hockey community.

This season we hosted 4 premier events alongside our usual home round festivities, these events were:

- iPod Shuffle Night
- Trivia Night
- Friday Night Lights
- Presentation Night

Another key highlight was the record number of attendees we received at Presentation Night. We had even greater numbers than last year, of about 213, with a fantastic cross section of seniors, juniors playing seniors, masters, family and friends of players.

As a social committee, we are all ears for ways in which we can improve and always on the lookout for new and exciting event ideas. If you have any interest in joining and think you have something to add please hit us up in 2020! Please contact Braden Pitcher to do so.

Marketing & Fund Raising

A major issue for the Club continues to be our inability to identify somebody to formally fill the critically important role of Marketing Officer. Our efforts in this area are crucial if we are to continue with all of our programs and to try and keep the membership fees at a reasonable level.

However, we have been very fortunate that Nicole Pitcher, with the assistance from Braden Pitcher, has continued to support the Club in this vital area and perform many of the tasks that would normally have been undertaken by the Marketing Officer. We are extremely grateful to Nicole and Braden for their efforts which have been crucial to us yet again throughout 2019.

Highlights of the year include our continued support by the sponsorships Nextgen AV Rentals, Histolab, Hawthorn Hotel, Just Hockey, Team Apparel, The Dog Dazzlers and TAC through its "Towards Zero" program.

Thanks also to for their support during the year to Capital Mutual Insurance Brokers.

We would also like to re-iterate our thanks to all sponsors – your support of TEM is greatly appreciated.

Constantian Club

Under normal circumstances, it is not possible for individuals to obtain a tax deduction when donating money to sporting Clubs. The exception to this is when donations are made through the Australian Sports Foundation.

The Constantian Club has been created to take advantage of the opportunities available to TEM to raise funds through the ASF.

Though the ASF and the Constantian Club, tax deductible donations can be made to TEM for the purpose of *"raising funds to provide assistance to players, umpires and coaches in the areas of travel, equipment and coaching clinics and for the collection, preservation and display of historical club memorabilia."*

Toorak East Malvern Hockey Club

These donations can be made publicly or anonymously.

Thanks to Fred Ball, Leesa Needham and Bruce Cook for their stewardship of the Constantian Club.

Thank You For Your Efforts

It takes the efforts of many people to put our teams onto the field and to organise our various events and programs. Without this support the Club would just not function. We'd like to thank the following people for their time and energy supporting the Club in various capacities during the year. If we've made a mistake or you have been overlooked from this list, please accept our sincere apologies.
