President's Report

This will be my last President's report as I have decided not to continue as President after the 2022 Annual General Meeting.

When I became President in 2013, nine years ago, TEM was at a low point, it was losing members, the number of senior teams had fallen to ten, five men and five women, various groups within the club would not mix with other groups. I knew other players who had announced their intention to go elsewhere. The Men were number one and the Women number two. The shrinking membership, and the mismatch in status between men and women had evolved over many years, they were structural problems, and not merely problems that had occurred over the immediately preceding two or three years. Some committee people were there for the purpose of self-interest, rather than the benefit of TEM as a whole. This led to alienation of players.

Shortly after I became President a group of senior men (about 12) were in dispute with TEM and left TEM. Most went to another club. The dispute was over who appointed the coach of the men's premier league team, TEM or a cabal of players. As a result of the departure of these players, TEM self-relegated its most senior men's team from Premier League to Vic League 1.

From that low point, the members of TEM came together and the differences which had kept people apart were either overcome or overlooked. The imbalance in status between men and women was addressed. A sound system of financial management was implemented. TEM changed itself and internally at least, became far more attractive. I was aided in my efforts by a small group on the committee. The committee, following my suggestion, resisted the call to pay a handful of top players to attract them to TEM believing this would be divisive and threaten TEM's financial stability. Instead, TEM has paid coaches and attempted to attract high quality coaches believing this to be a much better long-term strategy for TEM.

Externally, at the time I became President, TEM had gained the reputation for being obstreperous and irritating, creating conflict at other clubs or Hockey Victoria where none existed, or where some might say a more nuanced approach was appropriate. On my becoming President, that changed. Externally not only has TEM become not only a more respected club, but on some issues a confidant of Hockey Victoria.

TEM became to be recognised by Hockey Victoria as a very well administered club. Indeed, if there were a competition for best administered club, TEM would have been in the final for most of the past nine years.

It was not just in administration that TEM excelled. As President, it has been my duty to attend regular Hockey Victoria meetings, 'up dates'. Sometimes, these 'up dates' involved an exchange of ideas and views among clubs. I very quickly learnt that on many fronts, TEM's ideas and views were well in advance of what I was hearing at the 'up dates'. Indeed, I discovered that in many cases what had been a TEM idea was being shared with other clubs as 'good practice'. Hockey being a competitive environment, I quickly learnt that it was in TEM's best interest to say as little as possible to Hockey Victoria about TEM's ideas, lest the idea be taken and applied elsewhere.

As an example, consider the Stand Out Cup. This was a competition instigated between TEM and Old Xavierians in about 2014 to show support for LGBTQ+ hockey players. Hockey Victoria has overtaken the idea and its origins have been largely forgotten.

Toorak East Malvern Hockey Club

One of the consequences of TEM coming together and good administration was that the exodus of players ceased immediately and over time not only did TEM retain players but began to attract players.

In some areas, TEM quickly became a 'destination' club.

As a consequence of cessation of the player exodus, TEM teams became more competitive, and TEM began to field more teams.

In 2015 TEM was the Men's Vic League 1 premier. Consequently in 2017 TEM men were promoted to Premier League. TEM women remained in Premier League.

In winter season 2019, TEM fielded 14 senior teams, seven men's and seven women's. Apart from the number of teams, the quality of TEM teams steadily improved. Top two finals placings and premierships in the Pennant grades over several years has meant that TEM generally climbed up through the grades so that for winter season 2022, TEM offered in both men and women teams in Premier League, Premier League Reserves, Pennant A and Pennant B. Only four clubs offered this combination.

In 2019, as a result of largely my efforts, but with some support by others in TEM, TEM was successful in gaining two government grants, one from the state for \$200,000 which was assigned to HMHC and enabled LED lighting to be installed on both H1 and H2. Make no mistake, this grant was obtained as a result of TEM effort. Hawthorn Hockey Club, which also benefited from the grant as a co tenant of HMHC, was dismissive of the grant application process, and was unhelpful. Similarly, a federal government grant was obtained in 2019 for \$500,000. This permitted the clubroom upgrade which is currently in progress. Again, this grant was obtained as a result of TEM effort.

In early autumn 2020, the COVID pandemic reached Australia. All hockey for that season was suspended as a consequence of infection control mechanisms. Similarly, in 2021, about half the season was lost. At the start of season 2022, the number of registrants in Hockey Victoria's winter competition was down in excess of 20% compared with pre pandemic levels. While TEM membership was down, TEM still managed to field 14 senior teams in 2022.

This is a very creditable effort. Indeed, only one other club managed to field 14 senior teams in 2022, and none fielded more teams. Furthermore, more than half our senior teams played in finals in 2022 with Women's Pennant D winning the premiership. Similarly, of our 6 midweek/masters teams, 2 played in finals, with Men's 45 B winning the premiership.

The upshot of these results is that TEM has been graded in winter season 2023, men and women, in Premier League, Premier League Reserves, Pennant A, Pennant B and Pennant C. Only one other club has an equivalent offering.

Thus, over the past nine years, TEM has worked itself to being one of the preeminent clubs in Victorian Hockey. One statistic says it all: measured by registered players, in the first year I was President, TEM was the ninth largest club affiliated with Hockey Victoria. This season TEM was third.

This has been due to the hard work and dedication of many volunteers who give freely of their time to fill the myriad of positions both minor and major which are essential for the good operation of TEM. Very often you volunteers go unrecognised and unrewarded. I thank each and every one of you for your unstinting support of TEM, in some cases extending over many years.

Toorak East Malvern Hockey Club

In my time as President, TEM has been blessed with consistently strong committees. This year, the committee consisted of Greg Koster, Jo Hughes, Bruce Cook, David Bevan, Penny Senior, Leesa Needham, Sam Hill, Bridgette Allen, Alan Leary and Mary Lofthouse. They have all given of their time to run TEM. Much of what they do goes unrecognised, but it is essential for TEM's success. Indeed, it is the hard work not only of the current committee but its predecessors over the last nine years which have taken TEM from the dark days of summer 2013-14 to the present position of pre-eminence.

I want to thank you, the ordinary members, for your support of me and TEM over the last nine years, not making my life too difficult. TEM is for you. Without you and your support it is nothing.

Finally, I leave without having achieved all my ambitions for TEM. While lighting and clubrooms have been addressed, there is a shortage of playing surfaces at HMHC. My several efforts to resolve this issue have been unsuccessful.

Michael Norbury
President
November 2022

Toorak East Malvern Hockey Club

Treasurer's Report

The Club continues to be in a satisfactory financial position with full details provided in the attached Financial Statements.

The two key points from the 2021-2022 financials are that we:

- generated a small surplus of \$5,100. It should be noted that this represents less than 2% of our turnover, meaning that we operate on very narrow margins, and
- we have cash reserves to meet all of our current obligations.

Many people contributed to this result but particular thanks need to go to:

- Leesa Needham, Joe Hough and Karen Gibson for their management of the canteen during the season.
- Caitlin Ganeson and Alex Kay for their creative work managing Presentation Night and ensuring that it ran at profit rather than being a subsidised event.
- Ross Sudano and Tahbilk for their support with the wine drive.

Looking forwards I think that a significant challenge for us will be to maintain and improve the services we offer without placing undue financial strain on members and their families.

In this regard help is needed to see the Club

- most importantly, obtain a major sponsor. Achieving this will hopefully enable the Club to embark on new programs whilst reducing the need for fee increases
- have social events and other fund raising activities that are attractive to both a broader range of members and their friends.

These are both areas where we have had limited traction in recent years and any assistance that can be provided

Bruce Cook
Treasurer

Toorak East Malvern Hockey Club

Men's Report

Following on from last season's achievements was always a daunting task. To recap, the 2021 season saw the highest finish for our premier league squad and all our pennant teams promoted. Despite the lack of flags this year, I think the men's section can look back on 2022 as a success.

Growth and progression were the objectives for 2022 and we absolutely hit those aims. We entered 7 teams again this year, cementing our club as one of (if not *the*) biggest Men's section in the State.

Furthermore, we more than filled our pitch allocations at training (even in those cold winter months) and continued to show up en masse on the sidelines. In an environment that has seen other clubs shrink, we've continued to steam ahead.

To really emphasise this, I'm going to highlight the results from two of our sides.

Firstly, Pennant A – our club returned to this league after years in Pennant B. For those less grey than myself, you may not remember that our previous stint in Pennant A was a mixed bag – however, for the majority of time in the league, we were competitive and competed for finals spots. Competitive is the operative word, there is no promotion out of Pennant A and this means that league is crammed with highly capable teams and a very high ceiling for the quality of the hockey. Going in, I was optimistic that our new Coach, Andrew Ross, would guide his team to "safety". That fact that they got to the Grand Final is an exceptional result – but it is even more impressive that this surpassed the finishes of our previous Pennant A teams.

The second team in the spotlight is Pennant D. This squad went in a new direction this season, our intention was to merge experience with youth – bringing in junior players for their first taste of senior's hockey. To get the momentum and cohesion in a brand-new team is difficult, so it's a testament to the players (old and young) that they managed to get the final in their first year. It is also a great example of the sprinkling of younger players that we have been able to apply across the entire section – Indeed, three players aged under 21 made their debut for the premier league squad this year.

Going into next season, we will unfortunately be without our head coach, Josh Pollard. Over the last few seasons it would not be an understatement to say that he has transformed the Men's section -both on and off the pitch. He's not going away completely (thankfully) – but we'd like to thank him enormously for all of his work.

A massive thank you to all the volunteers we've had over the season. We've been blessed with some fantastic coaches – notably EJ, Andrew Ross and Greg Paul – who all took the reins for their teams for the first time this year. We've also had great support from our team managers, tech bench officials, umpires and ball boys!

David Bevan
Men's VP

Toorak East Malvern Hockey Club

Women's Report

After a couple of years of disruption, it was great to be able to put plans together with hope we'd see them though for the 2022 season.

When planning for the year started I had conversations around what we as a Women's division wanted to achieve this year and it was agreed to keep it simple, get through preseason, get as many of you back playing hockey as possible, keep our 7th team and hold our grades.

Pre-season kicked off in January running through until end of March, with practice matches every weekend for all teams, the turn out was exceptional

We had over 110 women hit the pitch this year with and welcomed new players from near and far as well as an incredible group of juniors playing seniors hockey for the first time. From round 1 we had 7 teams fielded each week and by round 18 we had secured our grades.

Our final ladder positions as the end of the home and away season were

PL- 10th

PLR- 8th

Pen A- 7th

Pen B- 3rd

Pen D- 1st

Pen E- 6th

Metro- 4th

We had four women's teams play finals, PLR, Pen B, Pen D and Metro. Congratulations to all the players, a huge effort after a tough year. Special mentioned to the Pen D players who beat St Bedes 1-0 in a nail biting Grand Final

Further congratulations goes out to all of our Best and Fairest winners for the 2022 season

- Metro- Cate Leonard
- Pen E- Tahlia Hill
- Pen D- Matilda D'Onofrio
- Pen B- Anna Clothier
- Pen A- Chloe Whiter
- PLR-Chelsea Hodgson
- PL- Bridgette Allen

I'd like to formally thanks our coaching group, Ross Sudano, Mili Arrotea, Kobe Dudley, Cam Mckenzie, Sandy Marshall, Megan Boyd, Leanne Downer, Sam Hill, Tony Dudley, Bec O'Reilly and Cam MacPhie. Thankyou, your support and dedication through the year was amazing and I honestly cannot thank you all enough for getting involved.

To all our team managers and to all of you who umpired for the first or the 50th time, our game doesn't exist without you!

A big thankyou to our Women's Secretary Bridgette Allen your hard work and dedication has been exceptional this year.

Toorak East Malvern Hockey Club

Jennifer Eager, our Chairwomen of Selectors. Selections is not easy and with all the variables we had at play this year, week in week out we not only had teams, but we had full teams. From myself, the players and coaches, thank you, we would not have got through the season without your hard work .

To the playing group, all 110 of you.

Thankyou to each and every one of you, for showing up, suiting up, kitting up and doubling up!
The 2022 season, was a season like no other. Your patience and support as we navigated whatever was thrown our way was and is always appreciated

We will be farewelling Ross Sudano this year. Ross took on the PL coaching role at the end of 2019, and its been amazing to see the squad transform. The change in fitness, playing style, attitude and culture has been amazing and your hard work and efforts in building this have been exceptional, really setting the squad up for a future filled with success. Not only from myself but all the players, a heartfelt thankyou!
Wishing you all the best.

It has been an absolute pleasure being involved across the Women's section for 2022, watching everyone get back on the pitch and supporting from the sidelines, bringing to life what it means to be a TEM Lion

Our Club Culture is so incredibly important and this year truly showed it can withstand the toughest of times.

I look forward to watching it grow

Penny Senior
Women's VP
November 2021

Toorak East Malvern Hockey Club

Juniors' Report

It was fantastic to finally have a full season of hockey after two years of disruption. We had some great results on the field with two of our teams making finals and even though some teams finished further down the ladder, everyone still had a very enjoyable season.

This year we fielded 11 junior teams. We didn't have the numbers for an U18 team and unfortunately we fell just short of having enough numbers to field an U14 Boys side. So, the boys from that team either played at other clubs for the year or played up in our U16 boys team.

We did however have great numbers in our U12s and ended up entering a half pitch U12 District mixed team to accommodate all the players. This team had U12 players plus some of the stronger U10 kids.

All teams had a great season with most teams finishing the year in the top half of the ladder. The U16 Boys had a great season and finished second on the ladder but unfortunately lost their semi final. The U14 girls also had a great year under Sandy Marshall and Annabel Kennedy and were runners up in the grand final. Well done, to both those teams!

We fielded three U10 teams which had a lot of new players from our Hin2H sessions. Thank you to Eliza and Camryn who coached those teams and to Mark Lew, a new dad to the club who took on coaching his daughter's U10 team.

Thank you to all our coaches from this year and also to those who helped out at trainings throughout the season-you were all awesome!

2022 JUNIOR TEAMS	COACHES
U16 Girls Shield A	Claire Douglas
U16 Boys Pennant	Oliver Marshall & Bailey MacPHie
U14 Girls Shield A	Sandy Marshall & Annabel Kennedy
U14 Girls Shield B	Simon Bowles
U12 Girls Shield	Jenny Eager & Pip Dudley
U12 Boys Shield B	Matt Sweetnam & Max Clarke
U12 District	Paula Diaz Oliva & Vaughan Thompson
U10	Eliza Shrimpton, Mark Lew & Camryn Bailey
U8	Sandy Marshall

Toorak East Malvern Hockey Club

HOOKIN2HOCKEY

We once again ran our school roadshows in local schools during February this year. These then led into our Hookin2Hockey sessions where we had about 34 children sign up, 14 of whom continued playing throughout the season with the club.

The school roadshows and Hin2H program is vital for our recruitment of players. We have worked hard the last few years to build on this program and it is starting to show dividends with strong U10 and U12 numbers this year. We will continue to use this avenue as our major recruiting drive in future years.

SUMMER & INDOOR HOCKEY

Every year during term 4, we have a Summer 6s competition on Friday nights at HMHC alongside our Central Flames clubs (Hawthorn, MCC, MHSOB & PHStK) and this year we have a great number of teams participating. We have three U10s, four U12s, two U14s and two U16 teams. It is fantastic to see the kids so keen to keep playing hockey throughout summer and we look forward to seeing the enthusiasm continue into 2023.

We also have five junior indoor teams playing at the moment which is fantastic. A huge thanks to Pip Dudley who has once again been our Indoor Coordinator this year and does a huge amount of work to get these teams up and running.

REPRESENTATIVE PLAYERS

We had over 40 TEM players, umpires, coaches and managers participate in the Junior State Championships in July representing our Central Flames zone. We also had a number of Victorian representatives throughout the year from U13s through to U18s. Congratulations to you all!

- **U18 Women's Victorian Team:** Asha Newstead, Alice Brown, Ellie Jarratt
- **U18 Women's Vic. Development Team:** Ella Paice, Jade Frame
- **U18 Men's Vic. Development Team:** Jonny Spincer
- **U15 Girls Victorian Team:** Matilda Noble
- **U15 Boys Vic. Development Team:** Emerson Marshall
- **U13 Girls Victorian Team:** Matilda D'Onofrio, Anika Selvaratnam, Madi Grey
- **U13 Boys Victorian Team:** Brodie Eager, Nick Frank
- **U3 Girls Vic. Development Team:** Phoebe Butterfield, Pippa Leishman

Toorak East Malvern Hockey Club

LAST YEAR OF JUNIORS

Congratulations to the U16 payers listed below who leave our junior ranks and hopefully go on to (or continue to) play in our senior teams. Thank you all for your dedicated service to the juniors over the years.

Eliza Gray
Honor Edmonds
Niveda Thomas
Eleanor Murphy
Agnes Jennings
Rosie Prater
Zoe Kleinig
Hugo Baron
Hayden MacPhie
Keegan Pengilly
Alex Bushby

THANK YOU

I'd like to finish up by thanking all those who helped run the junior section this year; coaches, managers, parents and players. A big thank you also to all those players who were ball kids throughout the year, you did an amazing job!

A particularly HUGE thank you to Sandy Marshall who helped me coordinate the juniors this year. Sandy is the most passionate and supportive person in the Club and we are so lucky to have her as part of the TEM family. Thank you, Sandy!

I will be endeavoring to find more helpers to run the junior section next year which is quite a big job for one or two people. If we can break it down to manageable workloads for a group of volunteers, I think that will help juniors, and the Club, go from strength to strength

Leesa Needham
Juniors VP
November 2022

Toorak East Malvern Hockey Club

Men's Masters Report

HMHC Summer Masters Competition

Summer 2021/22 ran as two competitions: The first being 6 rounds before Christmas sponsored by Hockey Victoria and the second being 6 rounds run by TEM and Hawthorn from late February. In both competitions TEM entered 4 teams, HHC entered 3 teams and MHSOB entered one team.

Both competitions were run as "non-profit - Getting Back to Hockey" events.

Mens Masters/Midweek Winter Season

The four teams entered for the 2022 Mens Midweek season were Mens OpenBSE, and Mens Masters: 45+BSE, 45+D and 50+B. This was one team fewer than in 2021. The season progressed to completion with no lockdowns.

Two teams reached a Grand Final (45+BSE and 45+D) with 45BSE winning the Premiership.

Team results and awards were:

Open BSE

- Finished 8th (of 14)
- Ben Hartley was the top goal scorer with 12
- Best & Fairest: Daniel Turski

Mens 45+BSE

- Finished top of ladder with 14 wins in 16 games
- Beat Frankston in the Semi Final and Frankston again in the Grand Final
- Matthew Mullins was top goal scorer with 16
- Best & Fairest: Andrew Needham

Mens 45+D

- Finished in second place on the ladder
- Beat Waverley in the Semi Final but then lost to Waverley in the Grand Final
- Craig Brendish was the top goal scorer with 10
- Best & Fairest: Paul Lockwood

Mens 50+B

- Finished last on the ladder with no wins and one draw
- Lack of numbers on many nights was a problem
- Appreciated the help on many nights of fill-in players from 45D
- Most Valued Player: Paul Cassidy

Alan Leary
Men's Masters
November 2022

Toorak East Malvern Hockey Club

Women's Masters Report

For the past five years we have had a single Women's Masters team at TEM made up of enthusiastic players spanning a wide range of ages. We have a huge depth of talent and experience and it was very exciting for our very own Dee Davies to make the long awaited milestone of 400 senior games for TEM.

Wednesday night Women's masters continues to be a challenging competition as HV's restructured competitions mean we slot-in to the 35+ age group. We eagerly welcomed new teammates from our senior ladies who are now eligible to play masters and these 'baby-vets' plus our experience, teamwork and good humour continued to hold us in good stead to finish up middle of the table for the winter comp.

The summer season is progressing and provides further challenges as A and B grade are combined. It has been fantastic to have some of the seniors' ladies join us for summer and we're all enjoying the chance to continue to play hockey in term 4.

We always welcome new members so feel free to come down and have a run with us.

Pene Amor
Women's Masters

Toorak East Malvern Hockey Club

Umpires And Officials

This year a group of people worked on umpire coordination together in a really collaborative, helpful and supportive way.

The umpire co-ordinators are:

- Isabel Wright – Seniors
- Pip Dudley – Masters and U12s
- Philip Kennedy – Juniors (U14s and U16s) and Umpire Accreditation
- Isabel Wright has done a great job filling the umpire roster for Seniors each week with most if not all games covered each week.

Phil was successful in ensuring that our young developing umpires got plenty of practice on Friday nights both at home and away games. Pip looked after the home umpiring requirements for Masters on Monday and Wednesday nights, and also made sure the U12s were covered, mostly by junior umpires but there were many times we asked a couple of our competent parent umpires to cover tricky away fixtures.

Umpire Accreditation

We had many umpires complete their Level 1 accreditation. Recognition should go to Phil for coordinating and Isabel (who is Umpire Coach accredited) to make the time to assess and complete the paperwork. Our new Level 1 umpires are: Hayden MacPhie, Georgina Kennedy, Jonty Dear, Rory Bowden (renewal) and Ella Paice.

Umpires transitioning to senior matches

Several young umpires showed enormous courage and backed themselves to make the step to umpiring senior matches and we're excited to see how far they will progress in the future:
Georgina Kennedy, Hayden MacPhie, Violetta Capanni, Daniel Suzor and Ellie Jarratt.

Premier League Umpires

It is invaluable to have umpires with Premier League experience around to help mentor our juniors: Isabel Wright, Annabel Kennedy and Sabriah Peterson.

Junior State Championships

Hayden MacPhie, Georgina Kennedy, Daniel Suzor and Violetta Capanni umpired at the JSC. Hayden commented that it was great to get feedback and then to be able to immediately apply it the same day rather than having to wait a week to umpire again. The JSC, Senior Country Carnival, Junior Country Carnival and Indoor Championships are great opportunities for our umpires and for our coaches to learn the skills of umpiring and coaching and to themselves be coached in how to umpire or coach.

Finals Umpiring

We actively encouraged our umpires with a Level 1 accreditation (or higher) to umpire the final series. We had 7 TEM umpires umpire one or more finals games (Seniors or Masters) in week 1 and 9 TEM umpires umpire one or more finals games (Juniors or Seniors) in week 2.

Georgina and Hayden umpired the U14B Grand Final, Annabel and Isabel were selected to umpire the WPLR Preliminary Final and Annabel umpired the WPLR Grand Final.

Umpiring finals is a valuable experience and an enjoyable way to bring the season to a conclusion.

Toorak East Malvern Hockey Club

National Championships Representation

Annabel Kennedy was one of two Victorian Umpires to be appointed by Hockey Australia to umpire the U13 Nationals in September in Hobart. Sabriah Peterson and Isabel Wright umpired at the Nationals Senior Country Challenge in WA. It's tremendous to see our umpires on the National stage and they have benefitted enormously from the experience and coaching they receive from umpiring these National events.

Next season

There has been a high level of engagement from our umpires from willingness to umpire games to fill the roster each round, coaching of umpires, to achieving or progressing accreditation and to umpire at tournaments.

Next season, there are many opportunities to improve our umpiring program including by involving more people who are interested in actively developing umpires. We're excited to keep working with our umpires and encouraging them so that they can set goals and work towards them.

Phil Kennedy / Pip Dudley
Umpire Coordinators

Toorak East Malvern Hockey Club

Hawthorn Malvern Hockey Centre (HMHC) Annual Report to TEM Hockey Club

HMHC is a joint operation with the 2 major tenants at the Hockey Centre in Auburn Rd Hawthorn, being the Toorak East Malvern Hockey Club (TEM) and the Hawthorn Hockey Club (HHC). A third sub tenant Carey Baptist Grammar School (Carey) also are a major user of the facilities.

TEM and HHC each appoint 3 Directors to HMHC, which is tasked with operating the 2 grounds, H-1 and H-2, and the pavilion including the kiosk.

HMHC is represented on behalf of TEM by Sam Hill, Miranda Ellis and Tony Dudley with HHC representatives Ross Blair-Holt (Chairman rotating), Russell Kilroe-Smith and Geoff Daley. It was also a unanimous decision for Ross to remain as Chairman post the normal 2 years until the building project was completed. Handover to a TEM rep will be in March 2023.

Also, we note a big thanks to Rob McPhie for years of service to HMHC.

2022 Overview

2022 saw a normal season for the first time in several years, following many months of lockdowns over the previous 2 years.

The site saw major works with both the pavilion starting as well as the Bills Street redevelopment. The university carpark was made available for hockey users for the Bills Street development period, although access through the site will become challenging in the months to come.

The skills of the current committee have been extremely useful in the Pavilion redevelopment project. Miranda, Sam and Russell have carried much of the project with their experiences in construction, development and fit out. Geoff has managed to get Homes Victoria to provide a new 52 space carpark between H-2 and Velodrome (due for completion by May 2023), as well as substantially increasing the height of much of the H-2 fence.

This new carpark negotiation ensures that the hockey club will not lose out on carparks at the northern end of the site. This negotiation also included the raising of the northern fence to H2 – providing a better buffer to the new carpark; now to be situated between H2 and the velodrome. Additional parking will be available once this carpark is complete. Carpark works, however, will severely impact the movement of hockey patrons between the University carpark and the club, with access to be via the outside of the velodrome from late January through to the completion of the carpark – with a proposed mid-May finish.

Tony has also set up the new online ground booking app which has made bookings much easier. Ross has concentrated on the project and funding.

Financials

2022 saw the return to a positive profit/loss for HMHC with club and school use back to normal. Hockey use by schools and Hockey Victoria returned although the use of the fields for the State Championships did not.

HMHC can now focus on the upcoming larger costs associated with turf replacement in the coming years. The timeframe for these works being H-1 – 2029, and H-2, previously due in 2024, will be pushed back a few years as it was hardly used during covid. It is also under used compared with H-1 and is still in good shape. This timeframe enables us to recover from several low income and loss years during the pandemic.

Toorak East Malvern Hockey Club

Additional strain to the HMHC accounts is the replacement of the electricity supply to 2 light towers and associated works and adjustments to these lights on H-1. We have an indicative pricing of \$40,000 to replace cables.

The unknown of the final pavilion costs (known in March 2023), makes it difficult to predict whether additional funds will be needed to achieve future turf replacement.

Club redevelopment costs are unchanged at this stage, with a likely \$300k bank loan that has been supported by a Boroondara Council guarantee, required for the building works. Work is in progress with obtaining a Bank to actually lend the money. Cost overruns on the pavilion works to date have been covered by HMHC so far, but additional costs will be tight.

Clubrooms Redevelopment

HMHC focussed on getting the pavilion renovations underway for the bulk of first half of the year, with several stumbling blocks to tackle. Time consuming elements to getting the pavilion underway included :

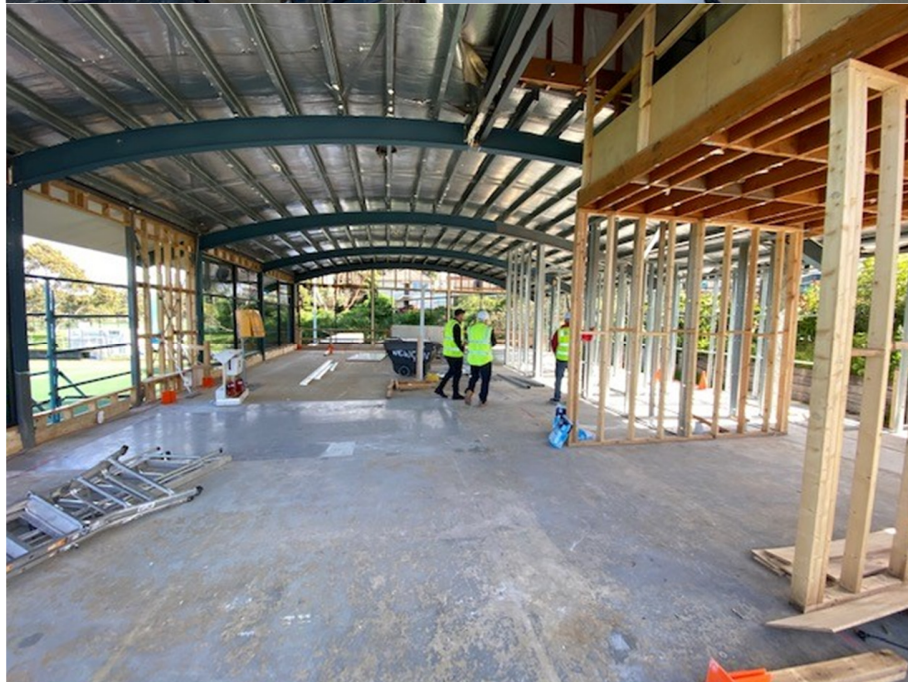

- Securing a building permit - Several new items emerged during the permit phase including
 - consulting an arborist to assess trees,
 - consulting with (and getting timely responses) Council and
 - achieving sign off from Melbourne Water Board to proceed with the development
 - adjustment to architectural plans to achieve ESD ratings (and better patron comfort), by including double glazing etc.
- Negotiating with builders to achieve an attainable budget
- Sourcing steel and the like utilising contacts to constrain costs
- Managing the ever-increasing costs associated with all building works in the current post war, escalation creeping market
- Negotiating a start time with the builders to achieve minimal impact on hockey patrons – particularly during finals

The Club redevelopment Contract was won by NextGen builders at around \$1.8 million. The overall project cost will be \$2 mill, given HMHC have some direct suppliers (steel for example). So far there have been some cost increases but they have not been significant at this stage.

The project is being managed by Ken Palmer, an Independent Project Manager, which is working well. The new works started onsite late in August, missing the bulk of the winter hockey season. Support for the hockey included the provision for amenity access via containers plus a negotiated timeframe of use for the velodrome amenities. The kiosk was relocated into a container, and several marquees were provided to enable hockey events to continue as normal. Current site pics are included below :

November 2022

Toorak East Malvern Hockey Club

Social

The major social events this year have been:

- iPod Shuffle Night
- Friday Night Lights
- Trivia Night
- Presentation Night

Unfortunately, the work associated with organising social functions has fallen to too few people this year and a key focus next year will be seeking to recruit a full panel of Social Committee members made up of junior player parents, senior men's and women's, and masters members with a view to both spreading the workload and also offering a broader range of social functions.

Marketing & Fund Raising

We would like to thank Histolab, Team Apparel, Just Hockey, Tahbilk Wines, Dog Dazzlers and NextGen for their ongoing support. In addition we thank Hamilton Reid for their support of Presentation Night – a new addition to the TEM family and we look forward to extending our relationship with you.

As mentioned previously, it is most important that we obtain a major sponsor and any assistance that can be provided in this respect will be most appreciated.

Constantian Club

Under normal circumstances, it is not possible for individuals to obtain a tax deduction when donating money to sporting Clubs. The exception to this is when donations are made through the Australian Sports Foundation.

The Constantian Club has been created to take advantage of the opportunities available to TEM to raise funds through the ASF. Though the ASF and the Constantian Club, tax deductible donations can be made to TEM for the purpose of "raising funds to provide assistance to players, umpires and coaches in the areas of travel, equipment and coaching clinics and for the collection, preservation and display of historical club memorabilia."

These donations can be made publicly or anonymously.

We are extremely grateful to all those members donated to TEM via the Constantian Club during the year. Your support has a very positive impact on the Club's finances.

Thanks to Fred Ball and Leesa Needham for their assistance with the stewardship of the Constantian Club.

Bruce Cook
Treasurer

Toorak East Malvern Hockey Club

Thank You for your efforts

It takes the efforts of many people to put our teams onto the field and to organise our various events and programs. Without this support the Club would just not function. We'd like to thank the following people for their time and energy supporting the Club in various capacities during the year. If we've made a mistake or you have been overlooked from this list, please accept our sincere apologies.

Nathaniel	Nelson
Justin	Robinson
Eager	Stephen
Ross	Sudano
Brendan	Wilson

Toorak East Malvern Hockey Club

Premiership Players – 2021 (Term 4) Indoor Season

Rather than a Grand Final, the premierships were awarded to the team which finished on top of the ladder at the end of the season. The following players all played a minimum of 1/3rd of games which is the “standard” Hockey Victoria requirement for a player to participate in a finals series.

Under 12 Girls

Sabina	Bonollo	
Xanthe	Bowden	
Lucy	Constantinou	
Pip	Dudley	Manager
Madison	Grey	
Pippa	Leishman	
Olivia	Mac	
Elke	Pertzel	
Ava	Roufail	
Anika	Selvaratnam	

Men's Open B Grade (Red)

Daniel	Ciccione	
Andrew	Cook	
Bruce	Cook	Manager
Tom	Drury	
Kobe	Dudley	
George	Hurley	
Connor	Matthews	
Cam	McKenzie	
Campbell	McLaughlin	
Greg	Paul	
Braden	Pitcher	
Jonny	Spincer	
Nick	Spincer	

Milestone Senior Games – Congratulations!

876	continuing Club record, Mary Lofthouse
550	Leesa Needham
450	Andrew Needham, Stuart MacPhie
400	Deanne Davis
350	Jenny Eager
300	James Heaney, Sarah Tulloch, Garth Dawson
250	Lue Hanson, Terry Chung, Tim Stewart, Emily Tulloch
200	Mitch Eager, Todd Robinson, Tom Casey
150	Sam Arch, Cameron McKenzie, Daniel Mioni, Fran Moodie, Chris Senior, Oliver Ritman, Kobe Dudley, Justin Robin, Andrew Ross, Eliza Shrimpton
100	Ben Hartley, Pat Cassidy, Bailey MacPhie, Susan Taylor, Annabel Kennedy, Charlotte Ritman, Charlotte Kennedy, Bridgette Allen, Connor Matthews, Zoe Westmore, Alex Paterson
