President's Report

2023 season saw TEM field 25 teams, 6 Men's, 7 Women's, 10 Juniors and 5 Mid-week & Masters teams. We were successful in having 11 teams playing in finals campaigns across all sections of the Club, with both our Men's and Women Master 45 + Teams Winning their premierships.

It was great to be able to bring everyone together to celebrate these achievements, milestone matches, Best and Fairest and many others at our Club Presentation night, held at the Malvern Town on the 13th of October.

I would like to congratulate Michael Norbury on his Life Membership. Michael was Club President for 9 years and has contributed significantly to the Club's growth and success. Michael drove the success of the Club obtaining some significant government grants for facilities upgrades, supported a significant culture shift across the Club and the overall growth of our Club ensuring TEM continued to be one of the biggest clubs in Victoria, represent just a sample of the Michael's achievements. We look forward to being able to celebrate your Life Membership with you over the 2024 season.

I would like to recognise and thank the HMHC Committee (past and present) in their efforts with the new Club facilities. After numerous challenges and some delays, we saw the opening of our new clubrooms in April this year. It has been great to see the facilities in full swing over the 2023 season and to see so many of you back enjoying them.

Looking ahead outside of the winter season, our Indoor and Summer programs continue to grow, TEM have entered 14 Indoor teams across Men's, Women's, Juniors and Masters, our Thursday night Intraclub social competition is back, with over 90 players registered and we have our Masters competitions playing on a Tuesday night. It's great to see so many of you playing hockey year-round.

Continuing on into 2024, we will look to focus on some key areas, continuing to develop and build on our culture and building further high performance capabilities from an on field perspective ensuring our Club continues to grow and be competitive across all sections.

We will look to broaden our off-field capabilities. Meaning how we support our members off the pitch, we have such a strong sense of Family and Community at TEM, there is an opportunity for us to learn how can we support our members off the field.

TEM will look to increase Sponsorship in 2024 and with this increasing our external communication opportunities, particularly across our social media platforms.

Toorak East Malvern Hockey Club

Throughout the next 12 months, we will continue to gain feedback from the members to understand our gaps and the direction you want the Club to be heading in. I encourage you all to take up these opportunities when they become available, your feedback and contributions are vital to continued success of TEM.

I would like to thank the Committee -Greg Koster, Jo Hughes, Bruce Cook, David Bevan, Leesa Needham, Sam Hill, Bridgette Allen, Alex Kay, Alan Leary and Mary Lofthouse. They have all given hours of their time to our Club, much of what they do goes unrecognised. The work and support they give to TEM is essential and a clear reflection to our Club being run so well. Thank you, I look forward to working with you all again.

Penny Senior
President
October 2023

Toorak East Malvern Hockey Club

Treasurer's Report

The Club is reporting a loss of \$28,500 for the current year however it should be noted that only \$9,400 arises from our normal operations. (Full details are in the Financial Report). There are three major components of this:

(40,000)	initial contribution to the redevelopment of the Clubrooms
21,000	annual distribution of profits from HMHC.
<u>(9,500)</u>	is from normal operations.
(28,500)	

It is the "normal operations" amount that is of most importance.

This loss has emerged as a result of a number of factors including:

- reduced income from the kiosk,
- less income from social functions and other fund-raising activities,
- a reduction in the number of teams, without a corresponding reduction in costs,
- most frustratingly, fines and penalties from HV, and
- our inability to attract any new sponsors.

Notwithstanding the loss from normal operations the Club continues to be in a satisfactory financial position with full details provided in the attached Financial Statements. These statements clearly demonstrate that we have significantly more cash reserves than are required to meet current obligations.

However, we must take action to prevent losses such as these from recurring.

Looking forwards the challenge for us will be to maintain and improve the services we offer without placing undue financial strain on members and their families.

In this regard help is needed to see the Club

- increase our membership
- have social events and other fund-raising activities that are attractive to both a broader range of members and their friends
- most importantly, obtain a major sponsor. Achieving this will hopefully enable the Club to embark on new programs whilst reducing the need for fee increases.

These are areas where we have had limited traction in recent years and any assistance that can be provided will be most appreciated.

Bruce Cook
Treasurer
October 2023

Toorak East Malvern Hockey Club

Men's Report

Now that we move towards the end of the year, it's always a good time to look back and take stock of the season that was. On the balance of things, I'd argue that the Club had a successful winter on the pitch – with Pennant B and Metro the standout teams, both making finals. Metro had to endure an administrative palaver at the start, but their quality was never in doubt – with multiple wins in the double digits they were almost unbeatable throughout. Pennant B built on their successful debut season last year, with a finals finish.

We welcomed a new coaching team this year – with Evan Jewell taking the reigns as the head coach, Sam Arch as our new assistant coach and Ben Jaffe and James Heaney combining to take on the Pennant A job. Greg Paul, Cam MacPhie and Todd Robinson continued to do a fantastic job with Pennants B, C and Metro respectively. Coaching is not easy, so any success should be placed at the feet of these men who gave up a lot of their time to make it happen.

In addition to new coaches, we also welcomed a raft of players to Club this season. I'm delighted that this included some chaps for the junior section making their full seniors' debut. The TEMs conveyer belt of young talent continues to produce for the Club, and I also thank senior players who helped our rookies settle in and show off their talents. Speaking of debuts and young talent, you don't have to look too far to see the lofty heights you can reach – Matt Sweetnam, Jonny Spincer, Alex Paterson and James Hillemacher all got their first caps for the premier league team this year and all are homegrown.

Of course, this season is also memorable for other reasons. We lost our friend Will Karaffa and it would be remiss of me to understate the grief that we all felt and continue to process. Will played nearly 150 matches for TEM, he was an important part of many of our lives and will always be missed. The togetherness and support offered by teammates and supporters then and now is not unnoticed and is an aspect of the Club that should be admired.

With 2024 not too far away, we look towards next season and beyond. Work is already underway to improve, evolve and strengthen – to that end, I'm genuinely ecstatic to announce that Evan will be continuing to be head coach. For the first team, this will mean that we can continue to progress – with results last year, like the win against Doncaster and the dismantlement of Hawthorn, piling against the achievements of 2024. For the rest of the section, we are looking to add more numbers to our coaching staff and have identified new assistant coach and Pennant coach roles as priorities. We will also continue to invest more in our juniors and I am expecting that this year's graduates will be joined by more new faces.

We will also conduct a wholesale review of our training structure and pre-season schedule and hope to offer more pitch time and development opportunities for all players in the section. We will also be doing to the same for off-pitch activities and are looking to change how players are supported outside of sticks and skills – whether that's helping out in times of need or offering more opportunities to have a drink and some food on Saturday evenings.

Toorak East Malvern Hockey Club

A new focus for the section's plan this year will be how to include (and bring back) some of our older players – I look at the contribution some of Masters and returning legends had this past season and can't see anything but potential.

Finally, this is an open offer to anyone who wants to take more of an active role in the section – my door is always open, so is Evan's, so is George's and so is Sam's. We will always accommodate anyone with new ideas, who might want to get involved with how we run things or just wants to lend an occasional hand.

Have a good summer, see you in January.

David Bevan
Men's VP
October 2023

Toorak East Malvern Hockey Club

Women's Report

The 2023 season started off with a very fresh look for the women's section, with most teams appointing new coaches, as well as a scramble to find enough goalkeepers for all our teams. We welcomed new players from near and far as well as an incredible group of juniors playing seniors hockey for the first time. All the changes in personnel made for a fairly hectic preseason, with the added disruption of the League Cup for Premier League, but the playing group took it all in their stride and we went into Round 1 fielding 7 full teams and rearing to go.

The majority of our teams finished well to secure our grades, with Premier League finishing at risk of relegation just outside of the top 12. The final ladder standings are below:

- PL- 13th
- PLR- 8th
- Pen A- 6th
- Pen B- 6th
- Pen C- 6th
- Pen E- 7th
- Metro- 4th

Our Premier League Reserves and Metro ladies both played finals and entertained us with some exciting finals matches, both just falling short with narrow losses. Congratulations to both finals teams for some fantastic hockey throughout the year.

Further congratulations go out to all of our Best and Fairest winners for the 2023 season.

- Metro – Sami Muir
- Pen E – Ella Dunkley
- Pen C – Cate Leonard
- Pen B – Kate Laird
- Pen A – Alice Whitford
- PLR – Emily Farrow
- PL – Samantha Wagg

I'd like to formally thank our coaching group, Hugh McLaughlin, Netesh Sukha, Darci Kleinschmidt, Kalyan Jeram, Gus Wakeling, Matt Hooper, Caitlin Ganeson, Jen Eager, Kris Tulloch, Leanne Downer, Sam Hill, Cam MacPhie, Bailey MacPhie, Em Pause, and Bec O'Reilly., Thank you, your support and dedication through the year was amazing and I honestly cannot thank you all enough for getting involved. Special mention to Leanne Downer for taking on the task of organising Wednesday trainings this season.

A big thank you to all our managers this season, and for Zoe Westmore for managing the managers!

Massive thanks to our Women's Secretary Alex Kay, your hard work and dedication has been exceptional this year.

Toorak East Malvern Hockey Club

I would like to thank Jen Eager for her tireless efforts with weekly selections. Selections are never easy, and it was a challenging year across the board with unprecedented numbers making the most of the chance to travel, however week in, week out, we fielded full teams. From myself, the players and coaches, thank you, we would not have got through the season without your hard work.

Thank you to each and every one of you from the playing group, for showing up, suiting up, kitting up and doubling up! And there was a lot of doubling up!

It has been an absolute pleasure being involved across the Women's section this year. I hope you can all join me in looking forward to what will be an exciting and challenging season ahead in 2024.

Bridgette Allen
Women's VP
October 2023

Toorak East Malvern Hockey Club

Juniors' Report

This year was a great year for our juniors. Although we had mixed results on the field, there were lots of wonderful things happening.

We had regular training dinners, our annual Friday Night Lights event which again this year was well supported by our senior players, we had our juniors volunteer regularly as ball kids (thank you!), great TEM representation in Flames teams and State teams, fun U8 Gala Days and our TEM Academy.

This year we fielded ten junior teams and had about eight U8 players. We did struggle with tight numbers in our U14 and U16 boys' teams, having to regularly rely on double ups. This is an ongoing result of losing so many boys after covid and not being able to field an U14 boys' team in 2022. We are working hard to find a few extra players so next season will be a bit easier. We are a great club with wonderful opportunities for juniors which includes transitioning into our senior teams with great support from our senior players, so hopefully we can find a few new recruits.

All our teams had a great season with most teams finishing the year in the middle of the ladder. The U14 Girls and U12 Girls had a very successful season, both finishing top of the table. The U14 Girls unfortunately lost the semi final after penalty shoot outs and the U12 Girls made it to the Grand Final but also were unlucky not to come away with a win after the tied game also went to shoot outs. We fielded three U10 teams of which around half were new players from our Hin2H sessions.

Thank you to all our coaches from this year and also to those who helped out at training throughout the season-you were all awesome!

- U16 Girls Shield B – Vaughan Thompson
- U16 Mixed Shield B - Oliver Marshall
- U14 Girls Shield A – Sandy Marshall, Georgina Kennedy & Asha Newstead
- U14 Mixed Shield B – Tom Charleson
- U12 Girls Pennant – Jenny Eager & Paula Diaz Oliva
- U12 Boys Shield B – Matt Sweetnam & Max Clarke
- U12Girls District – Megan Anquetil & Emma Barham
- U10 – Eliza Shrimpton & Camryn Bailey
- U10 – Milla Kalling Smith & Kathryn Leonard
- U10 – Andrew Needham
- U8 – Isabel Laird plus U16 players

HOOKIN2HOCKEY

We once again ran our school roadshows in local schools during February this year. These then led into our Hookin2Hockey sessions where we had about 24 children sign up, 14 of whom continued playing throughout the season with the Club.

The school roadshows and Hin2H program is vital for our recruitment of players and we hope to keep building on this program year on year.

Toorak East Malvern Hockey Club

Summer 6's & Indoor Hockey

Every year during term 4, we have a Summer 6s competition on Friday nights at HMHC against our Central Flames clubs (Hawthorn, MCC, MHSOB & PHStK) and this year we have 2 x U10s, 5 x U12s, 1 x U14s and 1 x U16 team.

We have had 18 new U12 players join us from St Catherines this term, thanks to the awesome recruiting of one of our new mums, Amy Hessel. Hopefully the girls love playing and continue on with next year in our regular season.

This term we also have six junior teams entered in indoor; 2 x U12, 2 x U14 and 2 x U16s. A big thank you to our indoor coaches: Jen Eager, Cam McKenzie, Nick Sutcliffe, Max Clarke, Georgina Kennedy, Asha Newstead, Oliver Marshall and Vaughan Thompson. I'm sure the players will be learning a lot from you all.

Earlier this year we entered U16 Mixed, U14 Mixed and U14 Girls teams into the Indoor Club Championships which were played over a weekend in Jan/Feb.

Representative Players

This year we had 29 players, 2 umpires, 4 coaches and 3 managers participate in the Junior State Championships in July representing our Central Flames zone. The U14 Boys came away with a gold medal and the U18 Boys who played their tournament in the September holidays also won a gold medal!

We also had a number of Victorian representatives throughout the year from U13s through to U18s. Congratulations to you all!

- U18 Men's State Team: Jonny Spincer
- U18 Men's Vic. Development Team: James Hillemacher
- U15 Girls Vic. Development Team: Matilda D'Onofrio, Anika Selvaratnam, Emma Constantinou
- U15 Boys Victorian State Team: Emerson Marshall
- U15 Boys Vic. Development Team: Julian Suzor, Brodie Eager
- U13 Girls Victorian Team: Elke Pertzelt (Captain), Pippa Leishman
- U13 Boys Victorian Team: Michael Suzor
- U13 Girls Vic. Development Team: Ella Dunkley, Lucy Constantinou, Sophie McCaffrey
- U16 SSV Team: Violetta Capanni

Taiwanese Visit

In July this year, our U14 girls had the opportunity to play a friendly match against a school girls team from Taiwan. After the game we treated them to an Aussie BBQ dinner and the girls had great fun trying to communicate through the language barrier and even created a few tik toks together! They were very generous, presenting us with thank you gifts galore. It was a fantastic experience for our girls, one I'm sure they will remember for years to come.

Toorak East Malvern Hockey Club

Training Dinners

We utilised our great new clubrooms this year, holding regular dinners after training for all the junior players. Teams would take it in turn providing the food and the kids enjoyed some delicious meals and lots of good times. It was a great way for the kids to have a chance to connect socially off the field.

Last Year of Juniors

Congratulations to the U16 players listed below who leave our junior ranks and hopefully go on to (or continue to) play in our senior teams. Thank you all for your dedicated service to the juniors over the years.

- Lucy Bowden
- Cate Leonard
- Isabel Laird
- Freya Thompson
- Lucy Thompson
- Mietta Thompson
- Giles Debeljak
- Elliot Baker
- Tom Featherstone
- Stirling Wamsley

Thank You

I'd like to finish up by thanking all those who helped run the junior section this year; coaches, managers, parents, families and players.

A particularly HUGE thank you to Anne Constantinou and Sonya Rand who were the girls' and boys' coordinators respectively. They also did an awesome job of organising the training dinners. Thank you again to Sandy Marshall who once again was a great support to me throughout the year. Her wise head and big heart make her a wonderful asset to our Club!

Leesa Needham
Juniors VP

Toorak East Malvern Hockey Club

Men's Masters Report

HMHC Summer Masters Competition

The HMHC Summer Masters T1 2023 ran as 8 rounds from 6 February to 3 April. There were eight teams with a total of 113 players. The net profit was \$3,697 shared between TEM and HHC.

HMHC Summer Masters T4 2023 commenced on 9 October as 9 rounds with twelve teams and is expected to result in a net profit of over \$6,000 to be shared between TEM and HHC.

Men's Masters/Midweek Winter Season

Four teams were entered for the 2023 Men's Midweek season: Open B, 45+B, 45+D and 50+.

Three teams finished in the top four and two won their Semi-Finals to reach a Grand Final with 45+BSE winning the Premiership for the second year running.

Team results and awards were:

Open BSE

- Grand Finalists - Runners Up
- Finished 3rd on the ladder with 8 wins, 5 draws and 3 losses
- Beat Southern United Black in the Semi Final but then lost to Powerhouse St Kilda in the Grand Final
- Jason Lui and Adrian MacRaild were the top goal scorers with 5 each
- Most Valued Player: Stuart Hamilton

Men's 45+BSE

- Premiers
- Finished top of ladder with 14 wins and 2 draws
- Beat Hawthorn 5-0 in the Semi Final and Frankston 4-3 in the Grand Final
- Matthew Mullins was top goal scorer with 33
- Best and Fairest: Matthew Mullins

Men's 45+DE

- Semi Finalists
- Finished 3rd on the ladder with 7 wins, 5 draws and 4 losses
- Were beaten by Old Xaverians in the Semi Final
- Bill Bearder, Terry O'Brien and Andrew Tauro were the top goal scorers with 3 each
- Most Valued Player: Lyndon Robertson

Toorak East Malvern Hockey Club

Men's 50+

- This was a new six team, venue based competition running on Monday nights at H-2
- The competition was ungraded resulting in three teams being of a much higher standard than the others
- Finished 5th on the ladder with 3 wins, 2 draws and 11 losses
- Appreciated the help of fill-in players from the 45s on many nights
- Ben Spincer was top goal scorer with 7
- Most Valued Player: Cam MacPhie

Alan Leary
Men's Masters
October 2023

Toorak East Malvern Hockey Club

Women's Masters Report

The TEM Women's Masters team entered into the 45+ competition this winter and our experience, teamwork and good humour held us in good stead to finish fourth at the end of the home and away rounds.

We went into the finals as the underdogs, with a full head of steam and a full team which was very exciting. We played what was probably our best match of the season in the semi-final against Brunswick HC but a draw of 1-1 at the final whistle sent us to a penalty shoot-out. This was not something we had prepared for but our ladies rose to the challenge and our goalie Palma was truly amazing. We took the win to head into the Grand Final against Razorbacks the following week. This was another great match (with a full team once again) and a goal in the closing minutes of the game saw us finish as Premiers.

A fantastic result for a great team of ladies. And also a big thank you to all of the ladies who filled in during the season to help us get there.

The team is buoyed by its success and we have entered into the Women's Masters 45+ competition for the summer season which starts in early October.

We always welcome new members so feel free to come down and have a run with us.

Pene Amor
Women's Masters
October 2023

Toorak East Malvern Hockey Club

Umpires Report

This year we again had a group of people who worked on umpire coordination together in a really collaborative, helpful and supportive way.

The umpire co-ordinators are:

- Isabel Wright – Seniors
- Pip Dudley – Masters and U12s
- Philip Kennedy – Juniors (U14s and U16s) and Umpire Accreditation

Together we were able to ensure that almost all TEM games had two umpires.

Umpire Accreditation

HV was in the process of changing the umpire accreditation system this season. The categories of accreditation now include:

- Foundation Support (previously Community)
- Foundation Lead (previously Level 1)
- Advanced Lead (previously Level 2).

During the season, Daniel Suzor completed his Foundation Lead accreditation. A number of umpires attended the Foundation Support or Foundation Lead courses in August and will be on track to complete accreditation next season. Many umpires worked on gaining more experience so that they can complete the Advanced Lead (Level 2) accreditation.

Senior Umpires

We are fortunate at TEM to have many experienced umpires available on a regular basis to umpire Senior games. This includes Nigel Cann, Grenville Dawson, Rory Bowden, Jen Eager and new to TEM, Nakita McDonald.

Junior Umpires and New Umpires

This season we trialled paying some of our more experienced umpires (such as Georgina Kennedy) to coach beginner umpires including Anika Selvaratnam (umpiring U12's) and Julian Suzor (umpiring Women's Masters) as a way to get new umpires established and confident. It was great to have Daniel Suzor, Violetta Capanni, Matilda D'Onofrio, Emily Thomas, Jonny Spincer, Nick Spincer and others to umpire Juniors. Thank you also to the parents that helped out with umpiring.

We also had a number of young umpires umpiring U10's through Flames and I anticipate a group of young umpires will umpire Friday night Summer 6's through Flames.

Toorak East Malvern Hockey Club

Umpires Transitioning to Higher Grades

This season we saw many of our young umpires transition to umpiring higher grades including Jonty Dear (Men's Senior Grades including Premier League Reserves), Georgina Kennedy (Women's Premier League), Hayden MacPhie (Men's Senior Grades including Premier League Reserves), Violetta Capanni (Women's Seniors WPE and W Metro), Daniel Suzor (Men's Masters and Seniors) and Emily Thomas (Women's Masters and W Metro).

Premier League Umpires

It is invaluable to have umpires with Premier League experience around to help mentor our juniors: Isabel Wright, Annabel Kennedy, Sabriah Peterson, Georgina Kennedy. We also have many umpires gaining experience in the higher grades including James Horne, Jonty Dear and Hayden MacPhie.

Junior State Championships and JCC

Hayden MacPhie, Julian Suzor and Violetta Capanni umpired at the JSC. Jonty Dear, James Horne and Hayden MacPhie umpired at the Junior Country Championships. The JSC, Senior Country Carnival, Junior Country Carnival and Indoor Championships are great opportunities for our umpires and for our coaches to learn the skills of umpiring and coaching and to themselves be coached in how to umpire or coach.

Finals Umpiring

We actively encouraged our umpires with a Level 1 accreditation (or higher) to umpire the final series. Umpiring finals is a valuable experience and an enjoyable way to bring the season to a conclusion.

National Championships Representation

Georgina Kennedy umpired at the Nationals Senior Country Challenge in WA. Sabriah Peterson umpires in the National U13's. It's tremendous to see our umpires on the National stage and they have benefitted enormously from the experience and coaching they receive from umpiring these National events.

Next Season

There has been a high level of engagement from our umpires from willingness to umpire games to fill the roster each round, coaching of umpires, to achieving or progressing accreditation and to umpire at tournaments. Next season, there are many opportunities to improve our umpiring program. We're excited to keep working with our umpires and encouraging them so that they can set goals and work towards them.

Phil Kennedy / Pip Dudley
Umpire Coordinators
October 2023

Toorak East Malvern Hockey Club

Hawthorn Malvern Hockey Centre (HMHC) Annual Report to TEM Hockey Club

HMHC is a joint operation with the 2 major tenants at the Hockey Centre in Auburn Rd Hawthorn, being the Toorak East Malvern Hockey Club (TEM) and the Hawthorn Hockey Club (HHC). A third sub tenant, Carey Baptist Grammar School (Carey), also are a major user of the facilities.

TEM and HHC each appoint 3 Directors to HMHC, which is tasked with operating the 2 grounds, H-1 and H-2, and the pavilion including the kiosk.

HMHC is represented on behalf of TEM by Sam Hill, Miranda Ellis and Tony Dudley with HHC representatives Ross Blair-Holt (Chair rotating), Russell Kilroe-Smith and Geoff Daley.

Whilst the Chair position usually rotates every 2 years, it was also a unanimous decision in 2021 for Ross to remain as Chairman post the normal 2 years until the clubhouse project was completed.

2023 Overview

On 28th April 2023, the refurbished pavilion was handed over to HMHC. Construction had commenced in Sept 2022 and an 8 month construction program was completed.

There have been many positive comments from users since reopening. Key positives have been the new viewing area inside the pavilion and the northern deck, the kiosk/canteen/kitchen setup, the 4 refurbished change rooms and the considerable upgrade of toilets/showers on both levels. Also upgrades to the medical room, umpires room and considerable storage cages for the tenants, not forgetting Harry's man cave as well!

Particular thanks to Ken Palmer (Project Manager) and Stephen Doyle (NewGen Builders) for delivering the project on time with only a small cost overrun.

The skills of the current committee have been extremely useful in the Pavilion redevelopment project. Miranda, Sam and Russell have carried much of the project with their experiences in construction/development and fit out. Geoff has managed to get Homes Victoria to provide a new 52 space carpark between H-2 and Velodrome at no cost (due for completion late 2023), as well as substantially increasing the height of much of the H-2 fence. Tony has setup the online booking system. Ross has concentrated on funding sources, legal aspects and general overall leadership of the building project.

This carpark negotiation ensures that the hockey club will not lose out on carparks at the northern end of the site. This negotiation also included the raising of the northern and Western fences to H-2 – providing a better buffer to the new carpark, and also the new residential buildings built on our doorstep. The gate in the fence has had to be moved to the southern end of the pitch to allow maintenance vehicles to enter the ground. This means that any users of the carpark (or bbq pavilion) will need to enter the ground either behind the dugouts from the cycle path, or at the halfway line from the footpath.

Tony Dudley set up the new online ground booking app which has made bookings much easier. And thanks to Geoff Daley for taking over the online booking system, replacing Tony. Bookings from the schools - an important fourth party revenue source - look strong already for 2024.

Toorak East Malvern Hockey Club

Financials

2023 saw a positive profit for HMHC, with club and school use back to normal. Hockey use by Schools and Hockey Victoria was significantly up, and we are almost out of time slots to rent out.

Turnover was \$250k (Ground Hire and Canteen Revenues) with a cash profit of \$100k. Most of this profit was used on interest and part principal repayment of loans. We expect this level of profit will be maintained, and perhaps increased in the coming years.

HMHC can now focus on repaying residual loans from construction, and the upcoming costs associated with turf replacement in the coming years. The timeframe for these works being H-1 in 2029, and H-2, previously due in 2024, which will be pushed back a few years as it was hardly used during covid. It is also under used compared with H-1 and is still in good shape. As H-2 is on Council land, we are seeking support from Boroondara Council for the turf replacement in a few years.

Other Ground Issues

Additional strain to the HMHC accounts was the replacement of the electricity supply to 4 light towers and associated works and adjustments to these lights on H-1. We recovered most costs through an insurance claim. In the next month some repairs and maintenance to the lights will be undertaken. HMHC now has an app to drive the lights which can be used offsite if needed. Also the lights are programmed at night to turn off so that we don't breach planning requirements.

The frustrations with the scoreboard have been apparent to everybody. The supply of power from the pavilion is intermittent. As well as water damage, and various ant attacks which has led to the scoreboard off more than it is on! The tech bench has no power either. By November we should have power running directly from the light tower to the south to both the scoreboard and the tech bench, which we hope will fix the problems.

2024

We are excited about next year. Situation normal for hockey. Note Premier League Men and Women are going to play 22 rounds next year (up from 15 this year) so we can expect some midweek night games. With the State Hockey Centre upgrade finished, and seemingly a desire to play lots of Championships in the Regions, we may miss a few bookings. But overall demand remains strong. And given our 2 pitches, brand new pavilion, good parking and location next to the freeway, we still expect continuing high demand for ground hire.

Toorak East Malvern Hockey Club

Job Vacant

We are also looking for a canteen co-ordinator. Leesa Needham and Jen Bridger filled this role in 2023. Duties include stocking the kiosk with food and drinks. Harry does pickups so it is mainly a weekly review of which stocks to order, and what matches are coming up. (Paid)

Thanks

Aside from the Committee above, special thanks to Harry Buring, our maintenance and general dog body man. And all done with a smile. Keeping H-1 and H-2 and the pavilion clean, delivering supplies to the kiosk and anything else needing doing, including painting/gardening/and anything else we can think off. A top job Harry.

Also, Russell Kilroe-Smith is pulling the pin after a considerable number of years of service to HMHC. A bit hard from FNQ to have input. Thanks Rusty and well done.

Ross Blair-Holt
Chairperson
HMHC
October 2023

Toorak East Malvern Hockey Club

Constantian Club

Under normal circumstances, it is not possible for individuals to obtain a tax deduction when donating money to sporting Clubs. The exception to this is when donations are made through the Australian Sports Foundation.

The Constantian Club has been created to take advantage of the opportunities available to TEM to raise funds through the ASF. Through the ASF and the Constantian Club, tax deductible donations can be made to TEM for the purpose of “raising funds to provide assistance to players, umpires and coaches in the areas of travel, equipment and coaching clinics and for the collection, preservation and display of historical club memorabilia.”

These donations can be made publicly or anonymously.

We are extremely grateful to all those members donated to TEM via the Constantian Club during the year. Your support has a very positive impact on the Club's finances.

Thanks to Fred Ball and Leesa Needham for their assistance with the stewardship of the Constantian Club.

Bruce Cook

Toorak East Malvern Hockey Club

Thank You For Your Efforts

It takes the efforts of many people to put our teams onto the field and to organise our various events and programs. Without this support the Club would just not function. We'd like to thank the following people for their time and energy supporting the Club in various capacities during the year. If we've made a mistake or you have been overlooked from this list, please accept our sincere apologies.
