President's Report

This year 2017, saw both our Men's and Women's first teams play in Premier League and our seconds teams play in Premier League Reserve.

It has been an outstanding effort on the part of many people to achieve the return of our Men to Premier League.

One of the challenges now facing TEM is to maintain this status. Whether we remain in Premier League, which is our aim, will be determined by two elements:

- we must be sufficiently competitive so that we rise up the rankings , and
- we must be well administered.

Another challenge facing TEM is growth. TEM has grown strongly in the past four years:

<u>Year</u>	<u>Number of Members</u>
2017	593
2016	530
2015	460
2014	370

The growth has occurred in all areas, but has been stronger in things such as summer and indoor hockey, rather than conventional winter hockey. Because we have broad based summer and indoor programs, people who play winter hockey at other clubs play with TEM over summer or in the indoor competition.

Conditions at the Hawthorn Malvern Hockey Centre are very tight as a result of the growth.

The League Entry Criteria demand that we have a strong and vibrant junior section. Fortunately, Ben Spincer and Christie Freeman have done a remarkable job in running the junior section.

We are now a "destination" club for girls under age hockey, we are one of only four clubs that offers teams in all the Shield grades for under-age girls. This reflects extremely well on those who have over the last few years championed the cause of girls' hockey.

However, our aim must be to make TEM a destination club in all areas.

This year saw the passing of Keith Needham. Keith was involved with TEM and its predecessor, East Malvern, for almost 65 years. Keith served in many capacities, including as President of the Club and was instrumental in introducing girl's and women's hockey into TEM. In recognition of Keith's services the Club has introduced a new perpetual trophy – the Keith Needham Perpetual Trophy for services to, or excellence in, Coaching.

Toorak East Malvern Hockey Club

Presidents Report (cont)

TEM could not exist without the volunteers who fill the myriad of positions which are essential for the operation of the Club. I thank each and every one of you for your support of TEM.

The Club also needs a committee. Joe Hough, Tony Dudley, Karen Gibson, Tim Flowers, Bruce Cook, Ben Spincer, Christie Freeman, Pip Dudley, Alan Leary, Braden Pitcher, Amelia Hough, Will Harty, Susan Clements, Sam Hill, Rachel King, Millie Angliss and Kim Davie have all given freely of their time to run the Club. Much of what they do is unnoticed, but without it TEM cannot exist. I thank all of them for their efforts and support throughout the year.

Finally, I want to thank you, the ordinary members, for your support of me and the Club. The Club exists for you, but without your support the Club would not exist.

Michael Norbury
President

Men's Report

2017 was another successful year for the Men's section of the Club with a seventh team entered into Pennant G and plenty of juniors coming through. The Men's section grew in player numbers showing the strength and appeal of the Club. A new training night for the lower grades was introduced to Wednesday nights, and this was a huge success with strong numbers at training right up to the end. This move freed up resources and pitch space for the top 3 teams on Tuesdays and Thursdays. Wednesday night trainings were boosted by weekly dinners for men and women, hosted by Cam, Tahlia and Bailey MacPhie, and by monthly Wednesday Night Live social events that were supported by the whole Club.

Results for 2017

The return to Premier League this year showed the depth and resolve of the Club and although wins were rare, the team held their own. In doing this the respect of the wider hockey community was earned. Both Premier League and Reserves Teams proved that we were not only up to the task but played the game in a spirit and intent that showcased the high level of integrity and social responsibility to the game, officials, players and supporters alike. It is this last point that helps TEM stand out as a club of choice.

Team	Played	Won	Lost	Draw	Goals For	Goals Against	Points	Finished (Home & Away)
Premier League	20	1	17	2	12	81	5	15 th (of 15)
Premier League Reserve	20	5	14	1	27	69	16	13 th (of 15)

Metro B Blue	17	8	4	5	59	36	29	5 th (of 10)

Premier League

Coach Victor Romagosa; Assistant Cam Belza; Managers Hannah McKenzie and Carol Mackenzie; Captain Evan Jewell

TEM started the newly formed 15 team Premier League season in November with some intense running sessions run by John Nicolosi and the boys at Melbourne Athletic Development. The team developed a strong preseason with several practice matches against existing PL teams and a camp in February. The anticipation of playing on the big stage was not lost and the whole group rallied to the challenge. With this Victor Romagosa took over as head coach, in addition to his Coaching Director role, with Cam Belza as assistant.

We welcomed to the Club new recruits Will Karaffa, Conor Matthews and Ari Laiho-Passols, who were joined during the season by Blair Parlane, Martin Castro and Pol Albericio, but unfortunately farewelled Angus Gillespie to the UK.

Toorak East Malvern Hockey Club

Men's Report – Premier League (cont)

The season started brightly with strong showings against MUHC, Powerhouse and Southern. The highlight of the season was early a strong 1-0 win over Yarra. However, the already tough season was made tougher by continuing injury issues and several games in a row yielded 6-0 and 7-0 score lines. To their credit, the team rallied late in the season to play well against MUHC in a 2-1 loss and draw again with Yarra. Of note was that in the MUHC game, 15 of the 16 players had played 4 or more years with TEM, highlighting the strong Club culture and commitment.

There were plenty of lessons to draw from 2017, not the least being building of resilience in a challenging season. Positives included the continuing development of Pat Cassidy who won the number one shirt, Cam McKenzie and Will Harty as a striker. Also pleasing was the debut of Oliver Ritman, Luke Westmore and Andy Cook.

With what was always going to be a tough year, year one in Premier League is behind us and the boys are very hungry to show what they are made of in 2018.

A big thankyou to Victor for stepping into the breach as coach with Cam as assistant and to Carol and Hannah for team management.

This year's best and fairest, by a long margin, with a breakout season was Braden Pitcher who played every game with a level of commitment unmatched by his peers.

Premier League Reserves

Coach: Michael Jones; Manager Pip Dudley; Captain Andy Mills

Stepping up to Premier League was always going to mean a tough and long year for the top two sides. The first six weeks were full of goals (mostly for the opposition), rotations of over 30 players, and a full playing schedule including mid week games.

The team's first win came whilst Coach Jones was away, in round 7 against Yarra Valley. Upon his return and with the first 3 points of the season in the bag the team went on to secure another ten points from the next seven games with good wins against Essendon, Altona and Mentone and a draw against Doncaster.

The team was now a serious contender to make the finals and despite playing some very solid hockey unfortunately lost the next five matches to end any talk of September action. Pleasing was the last round where the team stood up and put in a very strong performance to finish the season with a 3-1 win against Yarra.

Thanks to Michael for coaching in his first year with TEM and to Pip for managing.

This year's best and fairest was Dan Mioni.

Toorak East Malvern Hockey Club

Men's Report (cont)

Pennant A

Coach Rob MacPhie; Manager Ben Spincer; Captain Andrew Needham

The PA season started off with 2-0 loss to 2016 premiers Camberwell, although a loss, it was a very competitive game. This was a great outcome with a relatively young side and also the introduction of 2 first gamers in promising juniors Nick Spincer and Oliver Marshall. The season was always going to be challenging with the loss of a number of players from the previous season and with the Men's section having their first season in premier league.

Selection at times was difficult with unavailability and injuries. Having to manage players from both PLR and PC coming in and out of the PA side made it very challenging to create a balance or consistency within the team and this was also reflected at the poor turnout to training.

The pleasing sign was the competitive spirit displayed each game and more so, how well the younger players handled themselves. At season's end, PA finished up with 3 wins, 13 losses and 2 draws and one of those draws came at the end of the season against Essendon who finished in the top four. We could certainly say that each game we challenged our opposition, unfortunately with not enough wins and as a result have been relegated to Pennant B. This will give the team the opportunity to regroup, get some wins on the board and work its way back into Pennant A as a competitive team.

Finally a special thanks to Rob for coaching and to Ben for being team Manager.

This year's best and fairest winner was Andrew Needham

Pennant C

Captain/Coach Cam MacPhie/James McLaughlin; Manager Nicole MacPhie;

2017 was a tough year for PC, but one with much growth and improvement. As a team PC were much more competitive than last season in a division that was also significantly stronger than 2016. This improvement is seen in the 7 games lost by a single goal. Showing that they were up for the fight with a competitive spirit not seen in previous years. It was also fantastic to see some of our very talented juniors stepping up and excelling. The highlight of the year was a R12 9-0 thrashing of Casey where PC proved they could score goals. Thanks to Cam and James for organising each week and Nicole for managing.

This year's best and fairest winner was Adrian Rooks

Toorak East Malvern Hockey Club

Men's Report (cont)

Pennant G

Coach/Managers: Brendan Wilson, Sam Hill and Hamish Denmead

The newest team at the Club started the year with a team full of juniors and with so many players adapting to the competition and each other the start was predictably slow. The mid-season brought an excellent run of results including wins over two eventual finalists. Late in the season the continual loss of regular players took its toll and ended the finals challenge.

Congratulations to all the juniors for their significant progress in their first season of senior hockey. Thanks to Brendan, Sam and Hamish for coordinating and coaching this team of juniors.

This year's best and fairest winner was Robbie McIntosh

Metro Red

Captain/Coach Stu MacPhie; Manager Liz Eager-Brown

The most consistent and successful team in TEM, sadly not to win a premiership in some time. The mix of slowing old lions and fresh young cubs is proving to be a good combination creating a stepping stone for junior players while keeping the old lions in the game. This year's team had a great mix of the above and had the great honour of spanning 3 generations.

The team performed consistently well throughout the season finishing in second place again behind Old Melbournians, who were the eventual winners for the third consecutive year. Thanks to Stu and Liz for coaching and managing the team.

This year's best and fairest winner was Stu MacPhie

Metro Blue

Captain/Coach Todd Robinson; Manager Faith Robinson

A side that had young and old that missed finals by a fraction of a point. The real success was bringing though the new young bloods of our Club who stepped up as injuries set in with the older players. This side which was made up of 3 father-son combinations and under 16 players performed consistently throughout the year. Thanks goes to Faith Robinson for managing the team, and Todd for Coaching.

This year's best and fairest winner was Felix Chung

Tony Dudley
Men's VP

Women's Report

In 2017 we once again fielded six teams. For numerous reasons, we struggled at times to fill all teams. A huge thankyou to the many players who doubled up, and to the juniors who agreed to play in the lower grades as the season progressed. I would also like to acknowledge the hard work of our Chairperson of Selectors, Teresa Leonard, in ensuring teams were as well-resourced as possible.

Once again it was wonderful to see all teams from Premier League to Metro contain a mix of young and old. Exciting times lay ahead as our youngsters continue to go from strength to strength. This is only possible because of the support and guidance that is willingly offered by our more experienced players.

All six teams have maintained their grade for 2018. Congratulations to our WPLR team who made the finals, in a larger and more competitive competition, having been wooden spooners in 2016. They were unlucky to lose their elimination final to Mentone in a penalty shoot out. Congratulations also to our PC team who climbed two positions.

Team	Coach	Manager	Best and Fairest	Final Position
Premier League	Ian Kleinschmidt Ass. Coach: Darci Kleinschmidt	Karen Gibson	Mili Arrotea	10 th
Premier League Reserve	Trent Bussell	David Douglas	Jessica Jacobs	8th
Pennant A	Kris Tulloch	Chris MacPhie	Anna Clothier	9th
Pennant C	James Bower	Palma Casonato	Georgina Kennedy	5th
Pennant F	Tony Dudley	Kerri Westmore	Julia Mansfield	8th
Metro A South	Leesa Needham	Penny Senior	Leesa Needham	7th

International Players

This year we hosted two international players – Mili Arrotea from Argentina and Lydia Bosch from Spain. Both players were integral to the success of the WPL team. Many thanks to Victor for approaching and organising the transfers and to the Hough and Kleinschmidt families who hosted and supported Lydia.

Women's Report (cont)

Acknowledgement and Thanks

- All the coaches for their dedication, enthusiasm and commitment to the Club
- Our managers who are critical to ensuring the smooth and efficient operations of all teams
- Bonnie Boness, Kris Tulloch and Palma Casonato who all contributed to the post-training meals
- Our tech bench officials- Chris Graven, Bruce Cook, Winnie Eager, Lisa Barham and Ian Pitcher
- Phil Kennedy for organising the ball girls
- Amelia Hough for managing social media communication
- The committee at the Club who are a delight to work with and contribute enormously to the success of this Club
- Bruce Cook whose diligence ensures fines are kept to a minimum each year
- Amelia, Cam and Will for their efforts in organising and running Wednesday Night Live
- Rachael King for taking on Women's Secretary and fulfilling the role with diligence and good humour
- Pip Dudley for organising our umpiring obligations
- All the players who helped run the fabulous BBQs and spit roasts conducted throughout the season
- Darci Kleinschmidt who despite suffering a season ending injury continued to attend training and all matches to help support and coach the WPL team.

Karen Gibson
Women's Vice President

Juniors' Report

The TEM Junior Section has consolidated the work done in 2016 to have another successful season in 2017, and with the unique support of parents and the senior club has been able to field more players and more teams than ever before. For the second time in many years we fielded shield-level teams in all age groups, taking out the Girls U14 Shield flag, and the U14 Mixed District flag.

The Junior Committee, incorporating the VPs, Coaching Director, age group co-ordinators and secretary have worked to ensure a consistent approach to communications and planning. Without the hard work of the team below, the majority of whom are voluntary, dedicated parents as well as senior players, TEM would not have a junior section. In that context we would like to acknowledge Millie Angliss who is stepping down as Junior Secretary and thank her for her ongoing contribution to the Junior Section.

We also extend our thanks and gratitude to all the coaches, managers and coordinators listed below, without whose efforts the seasons simply would not have happened:

Age Group	Team	Coaches	Managers	Co-ordinators
U8	Intraclub training and small pitch competition	Amelia Hough Tom Drury Mia Schiavinato Annabel Kennedy		
U10	Lions	Michaela Liu		Ben Spincer Toni Skaife
	Snow Leopards	Mili Arrotea		
	Cheetahs	Wendy Selle		
	Jaguars	Leesa Needham		
	Tigers	Sandy Marshall		
	Boys	Steve Eager		
U12	Girl's Shield	Kris Tulloch	Shabu Thomas	Michaela Smith
	Mixed Shield	Braden Pitcher Chris Graven	Susie Edmondson Michaela Smith	
	Mixed District	Connor Matthews Ari Laiho-Passols	Wendy Selle	
	Girl's Pennant	Perri Dudley Mili Arrotea	Toni Skaife Bindy Dethridge	
U14	Girl's Shield	Charles Norbury	Kerin Talbot	Fiona Thomas
	Girl's Pennant	Hannah Marshall Cam McKenzie	Tayla Masel Justin Perelberg	
	Mixed Shield	Tim Belza	Naomi Geddes	
	Mixed District	Sam Arch Robbie McIntosh	Charles Hardy	
U16	Mixed Shield	Tom Casey Stuart Westmore		Hugh Murray
	Mixed District	Rick Barry	Rick Barry	
	Girl's Shield	David Schiavinato Gemma Donataccio	Phil Kennedy	Oenone Ritman

Toorak East Malvern Hockey Club

Junior's Report (cont)

Strategy

We have a simple three-pronged strategy at TEM aimed at attracting, retaining and developing juniors of all ages and abilities:

- Provide an environment to develop, nurture and retain players of all ages and abilities
- Develop innovative new programs to attract new players to the club
- Ensure that we have a strong commitment to senior transition to ensure that players are able to develop into long-term senior players for the club.

Growth

TEM Juniors is continuing to experience a growth in player numbers and we proudly fielded 11 full pitch teams this year. A variety of recruitment activities together with a very high retention rate has led to the increase in numbers. It has enabled us to field teams of 13-14 players in most cases. These numbers are ideal and as they allow all players to receive plenty of match time, opportunities for players to double up, and absences to be managed appropriately.

We have attracted players to the Club this season and into the summer season not only because of some on field success, but also because TEM is perceived as a good place to be, for the friendships and development opportunities off the field. We will continue to ensure that every interaction with a TEM member fosters this.

Hook In2 Hockey, school clinics and Hockey at Auburn Road

As of 2016, we merged our recruitment program for the youngest players with that of our ground-share club, Hawthorn Hockey Club. We have established the program under the banner "Auburn Road Hockey", we have already run successful clinics at two local schools and a Term 4 Hook In2 Hockey program has just completed.

We have also run, under the guidance of Victor Romagosa, a very successful holiday camp which attracted 36 children to the grounds over 3 days during the winter holidays. We see many of these children transition into playing members and these types of programs exemplify our approach of attracting players through innovative programs and developing and nurturing them to retain them.

Rossbourne School - Access All Abilities Program

For the first time this year the Club was proud to be able to run a program at the Rossbourne School, which caters for students 11-17 with identifiable learning disorders. Under the HV Access All abilities banner, over the winter terms we were able to run a short program for all the students at the school, introducing them to basic stick skills and allowing them to experience a short game of hockey.

We received terrific feedback from the school and they are keen for us to continue working with them in future. Credit for this program goes to Ben Spincer, but we would also like to thank the coaches who made this possible; Sam Arch, Hannah Marshall, Cam McKenzie, Amelia Hough, Bronte Hough and Mili Arrotea.

Toorak East Malvern Hockey Club

Junior's Report (cont)

Umpiring and coaching

Highlighting the strong links between our senior and junior sections, many of our coaches come from the ranks of the top squads. We are very grateful to them for their commitment to developing our younger players. We have also seen many of our juniors starting to take an active role in coaching the younger players, and acknowledge the time given outside their own training times to do this. As a Club, we will continue to encourage coaching development paths for our juniors/emerging seniors both as a way to build the coaching pool at the Club, but also to offer valuable leadership development opportunities to our young members.

Likewise, the club is developing a pool of umpires from the junior ranks, several of whom have completed their entry level umpiring accreditation, and are regularly umpiring both club and external matches. Particular thanks goes to Pip Dudley who has managed the unenviable job of ensuring umpires for each game throughout the season.

Senior Transition

TEM provides a unique platform for junior players to transition to senior teams whilst playing juniors and we are proud and grateful of the support they receive from the senior players. Across the year, over thirty juniors played regularly in senior teams, from Metro grade right up to Premier League.

We believe this is a key point of difference for TEM as a hockey club and will stand us in good stead as we continue to develop strength in the upper grades. Many of our juniors regularly train with the top Men's and Women's squads, and it is impressive to see our girls and boys regularly play in Premier League, Premier League Reserves and Pennant A teams. In particular, Liv Wood, Enya Talbot, Annabel Kennedy, Charlotte Ritman, Gemma Kahanoff, Claire Freeman, Mackenzie Hughes and Mridula Thomas have been consistent members of the top Women's teams and Luke Westmore, Oliver Marshall and Nick Spincer have consistently played in the top Men's teams.

We also acknowledge the stellar work done by many of the Senior Squad, but in particular Braden Pitcher, Amelia Hough and Darcy Kleinschmidt in organising events such as Friday Night Lights, which was a terrific opportunity for the Junior section to interact with and see the support of the senior players for the junior section.

On that note, the following TEM members have finished playing juniors and will progress to senior hockey in 2018. The TEM Junior Division is proud of these players, and congratulates them on their contribution to junior hockey – Michael Safinofsky, Flynn Davies, Megan Anquetil, Rebecca Wagg, Piper Ware, Finley Edmonds, Luke Westmore, Thomas Drury, India Curtain, Alex Paterson

Junior's Report (cont)

REPRESENTATIVE HOCKEY

Central Metro Flames

TEM continues to be actively engaged in the Flames Committee, and is fostering ongoing positive relationships with clubs in the Central Metro zone. Thank you to the TEM members, parents, and players who continue to support the Central Metro Flames initiatives.

As well as a strong level of participation in Junior State Championship representative hockey, we are progressing player and official development through initiatives such as Summer6s, and importantly the Quarter Pitch U10 competition that has become a model for U10 hockey development across the state.

Once again, TEM experienced a high participation rate of junior players representing the Central Metro Flames in the Junior State Championships - with the Under 15 Girls coming second in their division and the U13 Boys also finishing runners up, their best performance ever. It was wonderful that we also had several players in both the Under 17 Boys and Girls teams.

State Representative Players

While it is only one measure of success, we are proud of our TEM Junior Division members who have played or been selected to play, representative hockey during Season 2017:

Lucy Dunlop	U13 State, U13 State Indoor
BJ Graven	U13 State
Jonny Spincer	U12 SSV
Claire Freeman	U15 State, U13 State Indoor
Enya Talbot	U15 State, U13 State Indoor
Olivia Wood	U15 State
Charlotte Ritman	U15 State
Eugenie Rickard	U15 State
Mackenzie Hughes	U15 Invitational State
Mridula Thomas	U15 Invitational State
Gemma Kahanoff	U15 State Indoor
Oliver Marshall	U15 State
Rachel Graven	U18 State and Emerging Vipers

Hockey Victoria Academy

We also congratulate the many young players who have been invited to join the State's elite development academies in recognition of their development through the year.

Toorak East Malvern Hockey Club

Junior's Report (cont)

SUMMER HOCKEY ACTIVITIES

The TEM Junior division has several activities running over the summer season – small group coaching with Victor Romagosa, Flames Summer6s, and indoor hockey competition.

It's very rewarding to see over 150 players sign up to term 4 competition in Summer6s and indoor hockey. Thank you to all the coaches, managers and umpires who have volunteered their time for these activities.

TEM has been strong supporters of the Indoor Competitions and the Club Championships for U13, U15 and U18 age groups. We entered 5 teams and were immensely pleased with the fun had by all players and the success of the U15 Girls in the Club Championship.

JUNIOR TEAMS OVERVIEW

Under 8 Squad

Victor and his band of coaches worked with a group of 15-20 of our youngest players and some very enjoyable match play sessions were held, with the aim of introducing players to the fun of competitive hockey, and getting them ready for U10 hockey next season.

Under 10

This year, TEM fielded six U10 teams and over 50 players. Special thanks to Toni Skaife and Cathy Dunlop who have worked tirelessly with this group of youngsters – both at their training sessions and their lay competitive hockey at the weekends and for as many as want to join the club training during the week.

As well as a relaxed introduction to competitive hockey, the U10 quarter pitch competition also provided an important opportunity for umpire and coach development.

Under 12

U12 continues to be an extremely important age group where players transition from quarter pitch to full pitch competition and the older, more experienced, players continue to work hard on developing their basic hockey skills. It was very gratifying to see our Under 12 Mixed Shield team make the finals.

Under 14

With successful retention and recruitment strategies, the U14s were again the largest playing cohort in the club in 2017. Again, TEM was able to enter shield and district/pennant teams in both the girls and mixed competitions.

The standout team was the Girl's shield team who won the grand final for the second year running, this time against Southern United. The U14 Mixed Shield team was faced with tough opposition and developed their skills and teamwork, with their commitment and courage paying off later in the season as they became more competitive against the top teams. The Mixed District Team bonded really well and under the coaching of Sam Arch and Robbie Macintosh did a great job to win their premiership against Waverley. The Girl's pennant team enjoyed a competitive and fun season and developed as players throughout the season.

Toorak East Malvern Hockey Club

Junior's Report – Junior Teams Overview (cont)

Under 16

The U16 Shield players found themselves playing in a challenging competition against some quality opposition. With mixed results, every match presented a new challenge for players and coaches alike! The Girl's Shield Team were also matched against some strong opposition and found the level of competition tough. The U16 Mixed District team developed well throughout the season, and after a slow start finished the season strongly to finish third on the ladder and make the finals.

Christie Freeman and Ben Spincer
Vice Presidents – Juniors

Men's Masters Report

Over 35s

Over 35A

After a reprieve from their relegation to B grade at the end of 2016, the team committed itself to do much better in 2017. Under the management wing of Oscar Hooper they finished the home and away rounds in 3rd place. Unfortunately they lost the first final, but a most excellent result compared to 2016. Adrian Rooks won the award for *Most Consistent Fill In*.

Over 35BE

The team put in a reasonably good year with a position in the top four always close in sight. However, at the end of the home and away rounds they finished in 6th place. The team was managed by Terry Chung and the *Best & Fairest Player* award went to Guy McGregor.

Over 45s

Our over 45s numbers were up this year with too many for one team and almost enough for two viable teams. Hoping we might attract a few new players and that a number of players might play two games when we were short, we entered a second over 45s team. To do this we had to agree to move the newly promoted C grade team up to B Grade and place the second team in C grade. On many occasions the teams were short and a number of players doubled up when possible.

Over 45BSE

Having moved from D Grade in 2016 to B grade this year, the team had an excellent season finishing the home and away rounds in 3rd place. They won their first and second finals, advancing to the Grand Final. In the Grand Final, although dominating the attack, the scores were level at final time and they went down by a goal in the subsequent shoot-outs. Still, Silver Medallists no less! The team was managed by Ben Spincer and Ross Sudano won the *Best & Fairest Player* award.

Over 45CSE

C Grade was a challenge for the second over 45s team which finished 11th (of 12) at season's end. The team was managed by Alan Leary and the *Best & Fairest Player* award went to goalie Stuart Hamilton. Credit is given to Rob MacPhie who provided sound coaching advice at the half time breaks.

Over 50B

The team's performance suffered in 2017, with a shortage of players on some nights and finishing in 9th place. The team was managed by Alan Leary and the *Best & Fairest Player* award went to Nigel Cann. Players from other clubs who also played for TEM over 50Bs were John Condon, Craig Brendish and Stuart Turnbull from Hawthorn, and Rodd Perrin from Doncaster.

Toorak East Malvern Hockey Club

Men's Master Report (cont)

HMHC Summer Masters Competition

Summer 2016/17 saw the continuation of the HMHC Summer Masters Competition running as 14 rounds on Monday nights from October through to March. The competition had six "equalized" teams comprised of both women and men players from each club, with skills ranging from beginners to A-level.

The competition generated a profit of \$7,311 which was shared between the two clubs on a player pro-rata basis.

We are running a similar competition in Summer 2017/18.

Team Results

Grade/Team Name	Ladder Position
Men's 35+ A	4th
Men's 35+ B East	6th
Men's 45+ B South East	2nd
Men's 45+ C South East	11th
Men's 50+ B	9th

Team Awards

Name	Grade/Team Name	Award
Adrian Rooks	Over 35A	Most Consistent 'Fill In'
Guy McGregor	Over 35B East	Best and Fairest
Ross Sudano	Over 45B South East	Best and Fairest
Stuart Hamilton	Over 45C South East	Best and Fairest
Nigel Cann	Over 50B	Best and Fairest

Alan Leary

Women's Masters Report

Firstly, I would like to congratulate all the wonderful *young* players who make up our teams in Women's Masters. I would also like to thank Bruce Cook for answering my questions and supporting the teams. We have had the summer of 2016 - 2017 competition, the winter competition and now the summer competition for 2017.

Summer Competition 2016 – 2017

We fielded one team and usually managed to have a team of 11 but not always due to commitments with end of year functions and work. Nonetheless this did not stop us from the usual post-match dinner and chat. We had an excellent season but were defeated by a very strong Powerhouse StKilda team in the Grand Final.

Winter Competition 2017

This year seemed to be a long season and it began to show with injuries and various members taking off a few weeks to find sun and warmth. (And why not?)

I would like to make mention of Pene Amor and Meg Boyd who shared the team organisation and generally had the email running hot to check on players. This is not an easy task at 7.30 at night, rain pouring down and the temperature dropping just as quickly. We had a core of 14 or 15 players and sometimes this was not enough to get us through. Another finish just outside the four and well done team!

Summer Competition 2017

This year we have two teams in the HV Summer Competition. As we head towards the end of the competition, both teams are in the middle of the ladder. A big thank you to Jacqui Gibbons for looking after the "H1 Team" and Pene Amor the "H2 Team".

In summary, Women's Masters is alive and well with heaps of talent, spirit and dreams of running faster, stopping the ball or just pushing the ball in to goal, whatever it is we have it in abundance. I take my hat off to the women who turn up each week and play to enjoy the game for the sheer pleasure. In addition, it was great to welcome a number of new players as the season progressed and we hope to see you all again in 2018.

Thank you to the committee and I hope Women's Masters continues to thrive at TEM.

Sue Clements
November 2017

Coaching Director's Report

Women's section Achievements

- Consolidation of new coaches in top squad (Ian Kleinschmidt and Trent Bussell).
- Reserves qualifying to play finals.
- Improved the space on the ground by opening Wednesday night training for Pennants C & F and Metro.
- Continued development of our young talented players.
- Wednesday night coach (James Bower).

Women's section To improve

- Improve competitive mentality in top squad.
- Increase the amount of players to fill the teams. We probably need 5 more players to be able to fill the teams with not too many double ups.
- Increase the amount of players at training on Wednesday night and staying for Wednesday Night Live.

Men's section Achievements

- Improvement in the physical, technical and tactical capacities of the top squad.
- Improved the space on the ground by opening Wednesday night training for Pennants C & G and Metro.
- Extra team in Pennant G.
- Cam MacPhie did a great job at Wednesday night training.
- Reserves with Michael Jones had a great year managing to compete against all the teams in the competition with some really good results.
- Introduction of young talented players to the top squad with great performance.

Men's section To improve

- Keep improving the playing group abilities to perform at the top level
- Keep introducing young talented players and recruit experienced players interested to join the club to compete for spots in top squad

Junior's section Achievements

- Back to back U14 Girls flags
- Healthy girls numbers
- Increased number of coaches from top squad
- Increased number of players.
- U8 program run by Amelia Hough was a great improvement from previous years
- A great goal keeping program run by Mili Arrotea

Junior's section To improve

- Need more boys in U10 and U12 age groups
- Need more female coaches.
- Need to find better advertising for our Hookin2Hockey programs.

Indoor Report

Building on the success of our indoor program over the past few years, TEM Indoor continues to grow even further in 2017. We have a record number of players participating with 69 TEM players plus an additional 13 players welcomed from other clubs to play indoor only. With Hugh McLaughlin running a pre-season indoor coaching program, our players are committed and well prepared and we're proud of the professional attitude they bring to their games each week.

Thanks to the introduction of a new indoor facility at the Melbourne Sports and Aquatic Centre, a greater number of competitions have been offered in 2017 with increased opportunities for all players, but particularly senior men and women. This year, we nominated for all mixed shield grades as well as open grades and were accepted into every grade. We have teams entered in the following competitions and Club championships:

2016	2017
U13 Mixed Shield U15 Mixed Shield U18 Mixed Shield U15 Girls x 2 U13 Pennant – Premiers Open Men – Premiers	U13 Mixed Shield U15 Mixed Shield U18 Mixed Shield U15 Girls U13 Pennant Open Men A Open Men B Open Women A
Club Championships U13 Boys U13 Girls U15 Boys U15 Girls U18 Boys	Club Championships U13 Boys U13 Girls U15 Boys U15 Girls – Champions U18 Boys Open Men

TEM congratulates the following representative players for 2016-17:

Hugh McLaughlin – Open Men

Mitch Eager, Cam McKenzie – U21 Men

Rachel Knowles – U21 Women

Niklas Loycke, Remy Newstead, Luke Westmore (train-on) – U15 Boys

Lucy Dunlop, Claire Freeman, Enya Talbot, Matisse Daniel, Samantha Love, Asha Newstead (train-on) – U13 Girls

Oliver Marshall, Hugh Ford (train-on) – U13 Boys

TEM has a long and proud history of being involved in indoor hockey and we place great value on the sport for fun, fitness, team work and skill development. It is therefore crucial that we continue to be strongly represented at all levels of indoor, and that our indoor program appropriately complements and balances our outdoor hockey activities.

Toorak East Malvern Hockey Club

Indoor Report (cont)

Hockey Victoria has recently announced plans to further extend indoor hockey, with a 7-week season in term 1, 2018 and the possibility of indoor competitions in terms 2 and 3. Masters indoor is another possibility.

The growth of indoor and summer hockey and the proposed new indoor competitions next year present a number of challenges for us administratively and on the communications front. We will be exploring ways to ensure that we operate as efficiently as possible in this area.

Finally, thank you to the following people, it is only with your hard work and involvement that the indoor program at TEM is able to achieve success: Hugh McLaughlin, Ben Spincer, Christie Freeman, Chris Graven and Victor Romagosa.

Pip Dudley
Indoor Coordinator

Communications

Continuing on from the previous year's growth at TEM in terms of our communication avenues, we've tried to really push the high quality of our social media through a series of objectives:

- Keeping our members up to date with every relevant aspect that is TEM, be it what we do on and off the field all the way through the year.
- Promoting all our sponsors through our social media avenues to the wider community with the goal of showcasing just what they do for the Club and what they can potentially do for prospective consumers.
- Making sure the gap between each section of our Club, those being Junior, Men, Women and Masters is closing every single year.
- Prior to each round we wanted to show exactly where and what time each team was playing, evident in the crowds we saw at each game this year.
- Promoting our Club as a destination club, seen through the massive amount of photos and videos posted weekly on Facebook.

This year we've tried to connect TEM and the greater community constantly across the season in the hope that we continue to be one of the most popular and inclusive clubs in Victoria. We found the following channels of communication to be most helpful in achieving this:

Facebook:

- October 2016 saw our Facebook page reach 679 likes, currently we have almost 800 likes which is a 20% increase, a great effort.
- From the photos posted on our page we have again seen enormous increases in views and likes, in part due to the incredibly high quality of our photographers. Thank you very much Stuart Westmore for helping us achieve the following numbers; an average of 1,300 people reached in each album, a record number of 3,500 thousand views of the first album photos.
- As a communication strategy, we decided to introduce the photos as three big albums across the year as opposed to weekly updates, which proved the correct decision with each album reaching over 3,000 views.

Instagram:

- Instagram has been a great addition to our social media avenues. In 2016 we had 331 followers, as of November 2017 we sit at 518 followers.
- We've used Instagram quite a bit more this year as we see it pertains to mainly our younger and the more tech savvy members. Each post received more and more likes throughout the season with the top polling post at 136 likes, (a whole club photo so we can all lay claim to that one!). Many thanks must go to Amelia Hough for running this so professionally.

Toorak East Malvern Hockey Club

Communications Report (cont)

Website:

- The website has been a great form of communication. From a commercial viewpoint we couldn't survive without it, the iPod Shuffle, Presentation Night and Trivia night tickets are all sold here and membership registrations are done through here, a vital form of communication.

Twitter:

- Twitter is used round by round updating results as we go. At the end of 2016 our number of followers sat at 334, now we currently sit at 401! Again, an astonishing increase in followers! Nicki Pitcher must be thanked for keeping our page so popular.

Videos:

Across 2017 we saw multiple videos of all things TEM, be it of matches, sideline antics, finals campaigns and like. We have always prided ourselves on the quality of videos we can produce. Each video posted through our social media avenues gained an enormous amount of views and recognition, however two videos stood out:

- TEM PRIDE: The Team Pride video has been one of our most viewed and liked videos in our history. The 30 second video described what kind of club TEM is, one that includes all. It explains that, "Anyone and everyone deserves a fair go at our club" and "No matter who you are or who you love, we support you 100%". This message reached over 4,300 people and was even promoted on Hockey Victoria's own webpage. An amazing achievement and special thanks must go to Braden Pitcher for creating it.
- FNL: The first ever Friday Night Lights was held this year to show our whole club support for the junior section and what quickly followed was another amazing video. The FNL video reached just under 5,000 people, making it one of the most viewed videos that we have. It showed the strength of community in our club and that our juniors are just as important as any other team we field. Special thanks must also go to Amelia Hough for such a fine piece of film!

Summary:

This year has proven to be one of the most eventful years at TEM and everyone should be proud of all the things we have achieved this year. Many thanks must go to everyone that supported the communication team as we almost definitely could not have done it without the special people that helped out. The communication team loves what we do and we made sure that everyone that knew TEM understood who we are and what we want to be, let's hope 2018 is even bigger!

Amelia Hough and William Harty
Communication Officers

Umpires & Officials Report

A total of 25 senior players have umpired matches in 2017, and another 25 juniors have umpired at the U10, U12, U14 and U16 age groups. It is really rewarding to have so many people involved in umpiring, and to be able to provide them with a safe and non-threatening environment that TEM, along with the broader hockey community, strives to provide.

The focus on umpire development this year has been quite simple. We are continuing to work closely with Hockey Victoria to free up as many games as possible, at the appropriate levels, with the aim of encouraging our young umpires to get as much practice as they can. This will in turn enable them to develop their confidence and ability with a view to achieving qualifications and umpiring at a higher level in years to come.

Achieving qualifications becomes more important when umpires have been actively and regularly involved for 1-2 years and they start to think about being able to confidently officiate at a range of senior levels. Some of our young umpires will reach this point in 2018 and this is where we will seek to broaden their experiences by challenging them with senior games at Pennant C level. Once competent at this level they can be assessed for Level 1 qualification which will open them up to experiences at Pennant A and above.

In 2017 Hockey Victoria has delivered its undertaking to roster umpires to all Pennant A and above matches and we are very appreciative of this. Hockey Victoria rostered umpires have also covered about 40% of all Pennant C and lower grade matches. The remaining 60%, or 74 matches, have been umpired by Club based umpires. We are also very appreciative of the wide range of support coming from Club based umpires to ensure that all games are covered, no matter how tricky the fixtures are from week to week, and I'd like to extend our thanks to the 25 people who have been able to cover one or more games.

I would also like to recognise the efforts of the wider Club community in supporting Hockey Victoria's zero tolerance of negative behaviour towards officials. Umpiring is not an easy job, and we all know that at times it can be frustrating, however the efforts of players, coaches, and spectators in supporting our officials makes TEM the kind of club that people want to play at and officiate at, and that's the big picture that we continue to aspire to.

Congratulations to:

- Charles Norbury, Services and Excellence to Umpiring
- Rex Angliss and Faith Cullinan, Sportsmanship Medals (Juniors) awarded in recognition of their commitment to umpiring

Technical Officials

We have also been well serviced with a dedicated team of Judges and Technical Officers who are required to service our Premier League Teams. Thanks to Chris Graven and Bruce Cook for co-ordinating the team and for setting up the tech bench at our home games.

Pip Dudley
Umpiring Coordinator

Social

It has been another dominant performance off the field for TEM's social team this year, hosting a variety of inclusive events and raising much needed funds for the Club.

The unofficial social committee of 2017 consisted of Amelia Hough, Anna Clothier, Jacqui Gibbons, Nicki Pitcher, Will Harty, Sophia O'Beirne, Cam McLaughlin and Hugh McLaughlin; together these volunteers worked tirelessly to ensure our brilliant social culture was well noticed amongst the wider hockey community.

This season we hosted 4 premier events alongside our usual home round festivities, these events were:

- iPod Shuffle Night 3.0
- Trivia Night
- Friday Night Lights
- Preso Night

Perhaps the social highlight of the season was the introduction of Friday Night Lights. Thanks to the outstanding contribution of all Club members we were able to stage an unforgettable experience for our junior players. This event epitomises what our Club values and will be back BIGGER & BETTER in 2018 (P.S. anybody who has seen the black material please let me know).

Another key highlight was the record number of attendees we received at Preso Night. For the first time we cracked the big 200 with a fantastic cross section of seniors, juniors playing seniors, masters, family and friends of players.

Once again we must thank our social sponsor The Hawthorn Hotel for their continued generosity and function spaces always readily available upon request as well as Guy McGregor of Nextgen for all the AV equipment.

As a social committee we are all ears for ways in which we can improve and always on the lookout for new and exciting event ideas. If you have any interest in joining and think you have something to add please hit us up in 2018! (To do so contact me).

Braden Pitcher

Toorak East Malvern Hockey Club

Marketing & Fund Raising

A major issue for the Club continues to be our inability to identify somebody to formally fill the critically important role of Marketing Officer. Our efforts in this area are crucial if we are to continue with all of our programs and to try and keep the membership fees at a reasonable level.

However, we have been very fortunate that Nicole Pitcher has continued to support the Club in this vital area and perform many of the tasks that would normally have been undertaken by the Marketing Officer. We are extremely grateful to Nicole for her efforts which have been crucial to us throughout 2017.

Highlights of the year include an extension of our sponsorships with East Malvern Community Bank® Branch of the Bendigo Bank, Histolab, Hawthorn Hotel, knp solutions, Lottemi, Just Hockey, Team Apparel and TAC through its "Towards Zero" program.

Thanks also to Nextgen AV Rentals and the Baer family for their support during the year, and to Just Hockey and TravelSense travel agency in East Malvern for donating prizes to the major raffle.

We would also like to re-iterate our thanks to all sponsors – your support of TEM is greatly appreciated.

Constantian Club

Under normal circumstances, it is not possible for individuals to obtain a tax deduction when donating money to sporting Clubs. The exception to this is when donations are made through the Australian Sports Foundation.

The Constantian Club has been created to take advantage of the opportunities available to TEM to raise funds through the ASF.

Though the ASF and the Constantian Club, tax deductible donations can be made to TEM for the purpose of *"raising funds to provide assistance to players, umpires and coaches in the areas of travel, equipment and coaching clinics and for the collection, preservation and display of historical club memorabilia."*

These donations can be made publicly or anonymously.

Thanks to Fred Ball and Leesa Needham for their stewardship of the Constantian Club.

Bruce Cook
Secretary

Thank You For Your Efforts

It takes the efforts of many people to put our teams onto the field and to organise our various events and programs. Without this support the Club would just not function. We'd like to thank the following people for their time and energy supporting the Club in various capacities during the year. If we've made a mistake or you have been overlooked from this list, please accept our sincere apologies.
