President's Report

2018 saw our men's and women's first teams play in Premier League and our seconds teams play in Premier League Reserve.

Our men's and women's Reserves teams reached the finals, with the women winning their first final in a thrilling shootout in their elimination. Unfortunately, they lost their semi-final 0-1 against Footscray.

Overall, we had eight senior teams play finals with three teams being premiers – Women's Pennant C, Men's Pennant G and Men's Metro B Central. The other finalists were Women's Premier League Reserves, Pennant A and Pennant F and Men's Premier League Reserves and Metro B East.

In addition, our u16 Girl's Shield team were successful winning their premiership.

This is an outstanding effort on the part of many people. My congratulations to you all.

The challenge facing TEM is to maintain its Premier League status. Whether we remain in Premier League, which is our aim, will be determined by two elements:

- we must be sufficiently competitive so that we rise up the rankings; and
- we must be well administered.

There are many who believe the Premier League competition is too large and would reduce the number of teams in Premier League. That is not the TEM view.

The League Entry Criteria demand that we have a strong and vibrant junior section. There is no shortcut to a good junior section. It requires constant application and hard work.

TEM in conjunction with the Hawthorn Hockey Club was successful in seeking a Victorian Government 'Pick My Project' grant. This involved members of the local community voting to choose from a large list of potential projects. That we succeeded is testament to the large number of club members who voted for the project.

The 'Pick My Project' grant monies will be applied to renewing the lights on both H1 and H2 with 500 LUX LED lights. This should occur before the commencement of the next winter season. Both grounds will also now be compliant with the relevant Australian Standard so far as lighting is concerned.

Also over summer, the surface on H1 will be replaced. The new surface should be the best surface which has ever been laid at the Hawthorn Malvern Hockey Centre.

We are a "destination" club for girls under age hockey. We are one of only two clubs that offers at least two girls' only teams in each of the u16, u14 and u12 age groups. This reflects extremely well on those who have over the last few years championed the cause of girls' hockey.

Our aim must be to make TEM a "destination" club for boys in under age hockey.

President's Report (Continued)

TEM could not exist without the volunteers who fill the myriad of positions which are essential for the operation of the Club. I thank each and everyone of you for your support of TEM.

The Club also needs a committee. Joe Hough, Tony Dudley, Phil Kennedy, Bruce Cook, Oenone Ritman, Ben Spincer, Christie Freeman, Pip Dudley, Sam Hill, Penny Senior, Braden Pitcher, Amelia Hough and Alan Leary have all given freely of their time to run the Club. Much of what they do is unnoticed, but without it TEM cannot exist. I thank all of them for their efforts and support throughout the year.

This year Joe Hough, Ben Spincer and Christie Freeman are stepping down from the committee.

Joe Hough has been involved with the management of TEM in one or another capacity (including a term as President) since 1976, Ben and Christie have filled the very challenging position of Junior Vice President with distinction.

Finally, I want to thank you, the ordinary members, for your support of me and TEM. TEM exists for you, but without your support TEM would not exist.

Michael Norbury

Men's Report

2018 saw the Men's section progress significantly with not only success on the field but also becoming a destination club. Growth in numbers of players was strong across the board with 32 new or returning players coming to the club increasing the overall playing numbers to 133.

This meant there were plenty of players to choose from each week averaging 19 players per team. It was also pleasing that our efforts in transitioning juniors to the senior section of the club with 14 juniors also playing senior hockey. At the highest level 6 players made their premier league debut.

We all like success and we had plenty this year with four out of seven teams making finals, three of these making the grand final and two flags won. This was built on a massive 192 or 84% increase in goals scored and a reduction of 110 or 28% in goals conceded.

In 2018 we were also improved with two high quality internationals, Jose Pedro Maldonado (JP) and Manu Prol Perez, who both had positive impacts on the field. JP was around for the majority of the season joining in preseason and soon set about sharing his skills, knowledge and passion for the game with his teammates, as Pennant B and Under 16 Coach, and running Wednesday night training. JP was also seen out and about umpiring and supporting the rest of the club.

The second year in Premier League proved to be transformative as further foundations were laid for success in the years to come. Michael Jones PL and Ben Lord PLR joined the coaching staff supported by Victor as Coaching Director and John Nicolosi and the crew from Melbourne Athletic Development Crew.

I would like to thank the coaches Michael, Ben, and JP, for their efforts. A special mention goes out to Cam MacPhie (PC), Andrew Needham, Matt Hooper and Greg Koster (PG) and Stuart MacPhie and Damien Haugh (MMC) and Todd Robinson (MMBE) for their efforts this year.

I would like to recognise the efforts of the selection committee, Victor, Michael, Ben, JP, Sam Hill, Cam MacPhie, who supported me as chairman of selectors each week in getting the right teams on the park, not an easy task.

I continue to be proud to be to be part of a club that continues to develop into its full potential gaining the respect of the wider hockey community proving week in and week out that we were not only up to the task but play the game in a spirit and intent with highest level of integrity and social responsibility to the game, officials, players and supporters alike. It is this last point that helps TEM stand out as a club of choice.

Premier League

Coach Michael Jones; Manager Carol Mackenzie; Captain Braden Pitcher

The second year in Premier League provided a step closer to our stated goal of regularly playing finals and ultimately becoming a top 4 team. Michael Jones stepped up from the reserves taking the lead as head coach and steadily built a foundation for future success.

This played out well with improvements in stats across the board, more goals scored, less conceded and more wins ending the season up three places from last to 13th. There were also young players making their PL debut, Sam Arch, Angus Burnett, Nathaniel Conlon, and Kobe Dudley.

This year's best and fairest was **Jose Pedro Maldonado**

Premier League Reserves

Coach: Ben Lord; Manager Tony Dudley; Captain Andy Mills

2018 will go down as a successful year for the reserves, finishing a respectable 6th place on the ladder. It was great to be back playing in September unfortunately only lasting one week.

Ben Lord took the reins in his first year as coach. He did a sensational job throughout and really got the best out of the group. Compared to the previous year, there were more goals and more wins. There was a healthy mix of various age groups and a very even contribution from the group. Some standouts were Ola Marshall with his silky skills; Mitch Eager was the engine room in the middle; Andy Cook and Kobe Dudley came of age; Gus Burnett and Sam Arch were a dominant force down back; supported in goal by "Mr reliable" Adam Bailey.

This year's best and fairest was **Angus Burnett**

Men's Report (Continued)

Pennant B

Coach Pedro Maldonado; Manager Chris Graven; Captain

It is fair to say Pennant B struggled this year. Relegated at the end of the previous season and an influx of newer players to the club, hope was high of a successful year. The development of up and coming junior players and players regularly called up to the reserves resulted in the team not being able to create cohesion and playout games. There were many lost opportunities, however, 5 strong wins ensured the team did not finish last and risk relegation.

This year's best and fairest winner was Alex Patterson

Pennant C

Captain/Coach Cam MacPhie; Manager Nicole MacPhie;

Pennant C finished the season with only three wins and two draws. The leadership team of Cam MacPhie and James McLaughlin led from the front, however, it was a season of missed opportunities, with many tight games being let slip late to scrappy goals, and an inability to execute in the D.

This year's best and fairest winner was Paul Shallard

Pennant G

Captain/Coach Matt Hooper and Greg Koster; Manager Oscar Dale

Following a round 1 tribute to a TEM life member Butch MacPhie who sadly passed away late last year, Pennant G came together featuring a raft of TEM dynasties. With 2 generations of Needhams, Andrew and Zac, 3 generations of Hoopers, Bill, Matt and Oscar regularly taking to the field. This is not to forget the two MacPhie brothers Jay and Sam. Led by the established core of veterans, TEM won the opening 12 games, despite only stringing together half a game at a time.

Following a draw in round 16 to warn against complacency TEM entered the finals on a high after scoring 30 goals in the final 2 rounds, followed up by winning both finals to earn a Pennant flag. Congratulations to all involved, especially Oscar Dale (Hooper) for managing the team.

This year's best and fairest winner was Andrew Needham

Metro B Central

Captain Stu MacPhie; Manager Terry Chung

Metro B Central had a successful year taking out the ultimate prize winning a very exciting Grand-final against LaTrobe University. The diving goal from David Schiavinato, resulting in two broken ribs, will go down in folklore. Shevi also finished the year on top of the goal scorers with an impressive 29 goals. Finishing in first position with 16 wins from 18 rounds the team was always going to be hard to beat and, in the end, did not disappoint.

This year's best and fairest winner was Felix Chung

Toorak East Malvern Hockey Club

Men's Report (Continued)

Metro B East

Captain Todd Robinson; Manager Faith Robinson

Metro B East had the opportunity this year to stand alone, playing in a different region to the other Metro team, allowing them to shine with a strong year finishing second with 15 wins. The only team with more wins on 17 was Doncaster who eventually won the Flag against TEM in a close contest.

This year's best and fairest winner was Jack Lund

Women's Report

It has been a year of highlights for the Women's Division

We had over 20 new players and over 25 junior players that played in the senior teams.

We had excellent coaches this season. Thank you to each of our coaches for all the time and expertise they put into training, preparation and games:

- Ian Kleinschmidt (Premier League)
- Trent Bussell (PLR)
- Kris Tulloch (Pennant A)
- Leanne Downer (Pennant C)
- Tony Dudley (Pennant F) and
- Cam Macphie (Metro A).

In round 6 every women's team won. 6 wins from 6 matches. In round 14 we again had 6 wins from 6 matches.

All teams improved significantly over last year's season and 4 Women's teams (60 players) played finals. At the end of the season:

- PL were placed 9th of 16 teams
- PLR were placed 7th of 16 teams (and played finals)
- Pennant A were placed 4th of 10 teams (and played finals)
- Pennant C were placed 2nd of 10 teams (and played finals)
- Pennant F were placed 3rd of 8 teams (and played finals)
- Metro A were placed 8th of 10 teams

We had heart stopping penalty shoot outs for the first finals for PLR (against Camberwell) and Pennant C (against Mentone) and both teams won!

- Pennant F won its first finals match against MHSOB.
- Pennant A lost its first finals match against Camberwell and PLR lost its second finals match against Footscray.
- Pennant C went on to win the Premiership in a convincing win 4 – 1 against Mentone – a masterclass by masters in the defence and youth in attack. The Club support for the Premiers was enormous!
- Our Pennant C team has been promoted to Pennant B and next year TEM will be one of 6 Clubs in Victoria with Women's teams in PL, PLR, Pennant A and Pennant B.

Thank you to our managers:

- Hannah Mackenzie (PL)
- Dave Douglas (PLR)
- Lisa Barham (Pennant A)
- Jen Eager (Pennant C)
- Bailey Ryan (Pennant F) and
- Lucinda Matthieson (Metro A).

Thank you to our Chair of Selectors, Teresa Leonard for the careful consideration that she applied to selections each week.

Thank you, Victor, for encouraging all players and for the work you have done from before pre-season and throughout the season.

Women's Report (Continued)

Thank you, Pip Dudley, for organising umpires, uniforms and Indoor Hockey.

Miranda Ellis has organised Summer Hockey and we have over 50 players competing each week including 10 new players.

Pip has organised the Indoor Comp and we have 3 Women's Teams – the only Club to do so.

In short, we have love this season and Penny Senior (Women's Secretary) and I look forward to welcoming everyone back for the 2019 winter season.

Junior's Report (Continued)

Strategy

We have a simple three-pronged strategy at TEM aimed at attracting, retaining and developing Juniors of all ages and abilities:

- Develop innovative new programs to attract new players to the Club
- Provide an environment to develop, nurture and retain players of all ages and abilities
- Ensure that we have a strong commitment to senior transition to ensure that players are able to develop into long-term senior players for the Club.

Growth

TEM Juniors is continuing to experience a growth in player numbers and we proudly fielded 12 full pitch teams this year, including seven girls-only teams. However, many of the teams were tight on numbers making it hard to field full teams in the depth of winter with teams scattered across the state.

Recruitment remains the single most important challenge facing any club and as we move into 2019 we plan to further increase playing numbers through a number of strategies to increase retention and attract new players from the local community, whilst protecting ourselves from the cancer of player poaching that is starting to re-emerge.

Senior Transition

TEM prides itself on its efforts to transition players of all abilities to senior hockey once they are physically able to stand up to the rigors of the senior game. Across the year, over 30 Juniors played regularly in senior teams. None of that is possible without the fantastically supportive environment created by the senior teams and this is a key point of difference for TEM as a hockey club.

It was particularly impressive to see junior players establishing themselves in both Premier League and Premier League Reserves teams.

Representative Hockey

Central Metro Flames

TEM continues to have representatives on the Flames Committee and is fostering ongoing positive relationships with clubs in the Central Metro zone. Thank you to the TEM members, parents, and players who continue to support the Central Metro Flames initiatives.

We are very fortunate to be part of such an innovative and forward-thinking group of clubs – together we are progressing player and official development through initiatives such as Summer6s, Junior State Championships, Flames Development Colleges, and possibly most importantly the Quarter Pitch U10 competition that has become a model for U10 hockey development across the state.

Once again, TEM experienced a high participation rate of junior players with 36 kids representing the Central Metro Flames in the Junior State Championships - with the U17 Boys winning their competition.

Men's Masters Report

Five men's masters teams were again entered this year. The Monday night 35s and 45s were tracking well mid-season with the 35As holding 2nd place, and the 45B and 45Ds hovering around 4th spot. However, by Round 18, only the 35As were still in the four, holding 2nd spot well ahead of the rest.

For 2019 we need to attract more players to the over 35s teams, given that about half the current over 35s are eligible for over 45s, and most of the over 45s are eligible for over 50s!

Over 35A

Andrew Martin managed the team and they finished the home and away rounds in 2nd place. Unfortunately, they lost their first and second finals, so no medals, but most excellent results in the home and away games.

Steven Macumber won their award for *Best & Fairest*.

Over 35C

The 35Cs were short of players on a number of nights and were regularly bailed out by double-up volunteers. At the end of the home and away rounds they finished in 8th place. The team was managed by **Terry Chung** and the *Best & Fairest Player* award went to **Joshua Ferguson**.

Over 45BSE

The team finished the home and away rounds in 6th place. The team was managed by **Ben Spincer** and **Cam Macphie** won their *Best & Fairest Player* award.

Over 45D

Having moved down from C grade to D grade the 45Ds had a reasonably good season. At round 17 they held 4th place and would have tasted finals if they had not lost in round 18. The team was managed by **Alan Leary** and their *Team Player* award went to **Paul Cassidy**.

Over 50B

The team's performance lifted in 2018, with great game time coaching by Rob Macphie. They finished in 7th place. The team was managed by **Alan Leary** and their *Team Player* award went to **Rob Macphie**. Players from other clubs who also played for TEM over 50Bs were John Condon, Craig Brendish, Chris Legge and Stuart Turnbull from Hawthorn, and Rodd Perrin from Doncaster.

HMHC Summer Masters Competition

Summer 2017/18 saw the continuation of the HMHC Summer Masters Competition running as 14 rounds on Monday nights from October through to March. The competition had six "equalized" teams comprised of both women and men players from Hawthorn, TEM and other clubs, with skills ranging from beginners to A-level.

The competition generated a net profit of \$5,794 which was shared between the two clubs on a player pro-rata basis.

Coaching Director's Report

Women's section Achievements

- Consolidation of new coaches in top squad (Ian Kleinschmidt and Michael Jones).
- Reserves qualifying to play finals.
- Improved the space on the ground by opening Wednesday night training for Pennants C & F and Metro.
- Continued development of our young talented players.
- Wednesday night coach (JP Maldonado).

Women's section To improve

- Improve competitive mentality in top squad.
- Increase the number of players to fill the teams.
- Improve fitness levels of the top squad
- Increase the number of players at training on Wednesday night and staying for Wednesday Night Live.

Men's section Achievements

- Improvement in the physical, technical and tactical capacities of the top squad.
- Improved the space on the ground by opening Wednesday night training for Pennants C & G and Metro.
- Jose (JP) Maldonado did a great job at Wednesday night training.
- Reserves with Ben Lord had a great year managing to compete against all the teams in the competition with some really good results.
- Introduction of young talented players to the top squad with great performance.

Men's section To improve

- Keep improving the playing group abilities to perform at the top level
- Keep introducing young talented players and recruit experienced players interested to join the club to compete for spots in top squad
- Improved support of our club juniors moving to seniors

Junior's section Achievements

- U16 Girls Shield Premiers
- Healthy girls' numbers continued
- Increased number of coaches from top squad
- Increased number of players.
- A great goal keeping program run by Mili Arrotea

Junior's Section To improve

- Need more boys in U10 and U12 age groups
- Need more female coaches.
- Need to find better advertising for our Hookin2Hockey programs.

Indoor Report

Indoor hockey at TEM is continuing to increase in popularity and become accessible to more players. Our indoor hockey activities are considerable, we currently have around 110 players, participating in 13 separate competitions, and we are building a section that is starting to be recognised as equal in status to men's, women's and junior sections at TEM:

- Open Men A
- Open Men B (three teams)
- Open Women A
- Open Women B (two teams)
- U18 Mixed Shield
- U15 Mixed Shield
- U15 Girls (2 teams)
- U13 Mixed Shield
- U11 Mixed Shield

TEM has also entered teams in Indoor Club Championships in all age groups and open competitions, where clubs compete against each other in a weekend tournament. The development for junior players participating in these competitions is significant, as they benefit from quality coaching in an intensive environment and form lasting friendships and memories from each experience.

We have started a separate Facebook group for U18 and Open players, to ensure information doesn't get lost in the men's and women's private groups. A separate, targeted group communication strategy also recognises that indoor hockey is a club activity that encompasses all age groups and genders equally, there are many overlaps between the various competitions, and as always there is a likelihood of girls and women playing in mixed indoor teams, and juniors contributing to senior teams.

Indoor is also an opportunity to develop club coaches, and this year we have appointed many young coaches to teams. Thank you to Bonnie Bonness, Harriet Ochsenbein, Charles Norbury, Cam McKenzie, Andrew Cook, and Kobe Dudley. We also have an array of extremely able parents and 'older' people who volunteer to take charge of junior teams, thank you to Matt Hooper, Shabu Thomas, Sandy Marshall and Victor Romagosa.

Hugh McLaughlin continues to provide dedicated and valuable support to our junior teams, by way of coaching, advice and mentorship. We are lucky to have such ready access to his knowledge and understanding of indoor hockey and willingness to help assemble teams and provide coaching resources. Due to the quality of our coaches and the culture of our club, our teams are competitive in every competition in which we participate, and our players deserve respect for the professional manner in which they conduct themselves, both on and off the pitch.

I look forward to seeing the profile of indoor hockey at TEM continue to grow, and more players making the most of the opportunities to develop their skills and love of hockey.

WOMEN's Masters Report

In 2018, there was one team in the Women's 35+ South East division.

It was a great season and enjoyed by the team.

The team finished in 9th position.

The best and fairest award this year went to Karen Jones.

We are looking to increase the number of players / teams next year.

Umpires & Officials Report

UMPIRE DEVELOPMENT

Under 10 matches were once again officiated by Central Flames umpiring squad. This is an amazing environment in which to learn umpiring. Beginner and developing umpires are provided with a strong support network at the ground every week in the form of co-umpires, umpire coaches and mentors. Many friendships are made, both within the club and with umpires from Central Flames clubs, skills are developed, the ability to make decisions improves, and confidence grows.

As with 2017, I ran a squad of 8-10 players from the U14 and U16 playing age group to umpire U12 matches. The requirement that each club supplies one umpire to every U12 match is becoming increasingly difficult to manage, as there are not many parents and umpires willing or able to travel to distant venues for a single game. This limits the opportunities for both the umpire that travels and for other umpires who are not able to travel. In 2019 we are hoping that Hockey Victoria will change the requirement so that clubs supply umpires at the home venues. This will improve our capacity to roster umpires to consecutive games, to umpire with friends, to develop stronger relationships with teams and other officials, and most importantly to be coached and mentored.

TEM has developed a strong relationship with the umpiring coordinators at Hockey Victoria and this has enabled us to consistently roster young umpires to matches on Friday nights. We also have the ability to free up senior appointments, so we can develop keen club umpires at the senior level. We have several young umpires who are no longer playing juniors who should be pushing for Level 1 accreditation in 2019. This is an exciting prospect as it will set the standard for other developing umpires.

At the senior level, I have been very appreciative of the support from a core group of people who either umpire and/or are interested and keen to help and source umpires for tricky fixtures. This group includes Nick Barnes, Joe Connell, Michael Shipton, Sam Hill and Annabel Kennedy. Joe and Annabel also stepped in to organise senior and junior rosters for 2 weeks while I was away and they both did a great job.

At the masters' level, we had a group of umpires who regularly officiated at home matches on Monday and Wednesday evenings. Players and umpires alike benefit from seeing the same people regularly braving the elements together and relationships are fostered and strengthened.

I am looking forward to continuing the umpire development program in 2019. Plans include regular coaching and mentoring, and a recognition program, to ensure that umpires have the tools to progress to the next level of competency and that they feel recognised and valued within the club.

Communications

Summary

This season, the engagement with our social media channels from our TEM community and beyond has gone from strength to strength. We have surpassed 900 page likes on Facebook and are sitting on 640 followers on Instagram – giving TEM a great platform to reach current members and prospective players.

Facebook posts this season predominantly focused on promoting the following key areas each week:

- Team fixtures for each upcoming round
- Player milestone recognition
- PL debutants
- Upcoming social events
- Representative achievements
- Event photos
- Club finals fixtures and results

Instagram was used as a supporting platform that aimed to feature the fantastic action photos taken by Stu Westmore and take a more light-hearted approach to showing the culture and achievements of the club. We have had several of our Instagram posts re-posted by accounts such as Hockey Victoria, Just Hockey and Mazon – further amplifying our club within the hockey community.

Actions for 2019

Moving forward, I believe there are plenty of new ways that we can promote TEM online and communicate with our community – with the overarching aim of boosting our culture of inclusivity and recognising the great people of TEM.

- Club promotional video: we have seen the highest level of engagement on our past video posts – a well-produced TEM club video that highlights the best aspects of our club could be used on our website as well as our social media channels.
- Social event wrap up videos: a few were produced last season (iPod Shuffle Night + Friday Night Lights).
- Humans of TEM: A 'Humans of New York' style of interview post that can occur fortnightly/monthly and features a different TEM member each time.
- The potential return of TEMPO: an entertaining digital newsletter that provides a wrap up of results, player interviews, news of the month, comedy segments and photos.
- A heightened focus on promoting HV rounds such as Fair Go Sport, Women's Round and Men's Health Round.

Final Thoughts

I would like to thank Braden Pitcher for his design expertise, Stu Westmore for making it so easy for TEM to have the best-looking Instagram account around and Bruce Cook and Nicki Pitcher for their help in recognising club achievements.

I would also love to hear any ideas that TEM club members have to improve our communications for 2019!

Social Report

It has been another dominant performance off the field for TEM's social team this year, hosting a variety of inclusive events and raising much needed funds for the Club.

The unofficial social committee of 2018 consisted of Amelia Hough, Nicki Pitcher and Darci Kleinschmidt; these volunteers worked tirelessly to ensure that our brilliant social culture was maintained within the club and also well noticed amongst the wider hockey community.

This season we hosted 4 premier events alongside our usual home round festivities, these events were:

- iPod Shuffle Night
- Trivia Night
- Friday Night Lights
- Presentation Night

Another key highlight was the record number of attendees we received at Preso Night. We had greater numbers than last year, of more than 200, with a fantastic cross section of seniors, juniors playing seniors, masters, family and friends of players.

As a social committee we are all ears for ways in which we can improve and always on the lookout for new and exciting event ideas. If you have any interest in joining and think you have something to add please hit us up in 2019! Please contact Braden Pitcher to do so.

Marketing & Fund Raising

A major issue for the Club continues to be our inability to identify somebody to formally fill the critically important role of Marketing Officer. Our efforts in this area are crucial if we are to continue with all of our programs and to try and keep the membership fees at a reasonable level.

However, we have been very fortunate that Nicole Pitcher has continued to support the Club in this vital area and perform many of the tasks that would normally have been undertaken by the Marketing Officer. We are extremely grateful to Nicole for her efforts which have been crucial to us yet again throughout 2018.

Highlights of the year include an extension of our sponsorships with East Malvern Community Bank® Branch of the Bendigo Bank, Histolab, Hawthorn Hotel, knp solutions, Nextgen, Just Hockey, Team Apparel and TAC through its "Towards Zero" program.

Thanks also to Mt Zero Log Cabins, Steph Morgan and Palma Casonato, Hough Gardens, Aaron Kleinschmidt, High McLaughlin for donating prizes to the major prizes at this year's Trivia Night.

We would also like to re-iterate our thanks to all sponsors – your support of TEM is greatly appreciated.

Constantian Club

Under normal circumstances, it is not possible for individuals to obtain a tax deduction when donating money to sporting Clubs. The exception to this is when donations are made through the Australian Sports Foundation.

The Constantian Club has been created to take advantage of the opportunities available to TEM to raise funds through the ASF.

Though the ASF and the Constantian Club, tax deductible donations can be made to TEM for the purpose of *"raising funds to provide assistance to players, umpires and coaches in the areas of travel, equipment and coaching clinics and for the collection, preservation and display of historical club memorabilia."* These donations can be made publicly or anonymously.

Thanks to Fred Ball, Leesa Needham and Bruce Cook for their stewardship of the Constantian Club.

Thank You For Your Efforts

It takes the efforts of many people to put our teams onto the field and to organise our various events and programs. Without this support the Club would just not function. We'd like to thank the following people for their time and energy supporting the Club in various capacities during the year. If we've made a mistake or you have been overlooked from this list, please accept our sincere apologies.
